FROM THE PRESIDENT

George Ferrari

Welcome to Washington State and the Evergreen State Challenge. We hope you enjoy your stay in our beautiful state, and have a great experience.

I would like to thank Marcia Ezell for hosting this, our 25th Anniversary of the IWPA Championships; 25 years (Championships)! Pretty amazing I think. Marcia has done an amazing job of taking this endeavor on, so please stop a minute this weekend and tell her thanks. And don't you just love the shirt design? – All credit is due to Marcia.

It takes an exceptional crew to put one of these on and I want to thank both Bob and Donna Daymude for all their contributions and my wife, who worked closely with Marcia. I would also like to thank everyone who has brought items for the silent auction, for those willing to bid on those items, and all the other little things people have done to make this a success. You know exactly who you are. From cart handlers all the way up, you ARE appreciated!

For all those who will be competing, I wish you and your dog(s) the best of luck. For those of you who couldn't make it out here, you will be missed this year.

Who let the dogs out? I think we did.

George

Aka, your President

Welcome IWPA Championship Weight Pullers

Welcome to Spokane, Washington for the **25th Anniversary International IWPA Championships 2017**. The Evergreen State Challenge. My name is Marcia Ezell and I am your host. All the hard work is done, now the time for fun begins! The members of Region 2 have worked hard all year to make this Championship the best possible. So please join us for some Pacific Northwest hospitality.

We have planned the pull site to be the parking lot of Sundance Plaza on Indian Trial Road. The Membership Meeting and dinner will be held off site at the Masonic Lodge and the Awards Banquet and dinner will be off site at the Golden Corral. I made maps for these two places as well as the veterinarians listed for your convenience. Pick one up at the registration table. Don't forget to pick up your pre-ordered Championship apparel as well.

We have a lot of Silent auction items (so please bid) and raffle items for you to purchase tickets for. We also have a few championship apparel items for sale. The proceeds will benefit our charity of choice "**Operation Dog Tags**". Joe Scheffer owns and operates this charity. He gets his dogs from rescues or humane societies and trains them to help veterans who have PTSD, injuries or other combat related problems. This is a WIN-WIN situation for both dogs and veterans.

I would like to make a special **THANK YOU** to the following people for their help;

Rick Bertholf of Vandervert Development and Hotels for allowing us to use their property for holding our Championships. Please sign the thank you card to him.

Bob Daymude for making the Percentage Awards, Championship Podiums and also getting the Cub Scouts to present the flags.

Donna Daymude for getting the charity "Operation Dog Tags" lined up, providing the national anthems, working the table and getting her brother to be one of the photographers.

George Ferrari for asking his boss **Harold Elofson of Great Northern Masonry** to supply the block for the pull. Also, for making a brand new small snow sled.

Sue Ferrari for the huge portion of items for the Silent Auction, Raffle and Door Prizes. Also for getting 2 young men, **Sam** and **Alex** to help handle the carts.

Lani Ferrante, Carole Parsons, Trisha Prater and Joey Porter for working the carts, tables or photographing the Championships. **Jeanne Arnold** (on Saturday) and **Angela Scognamiglio** (on Sunday) for working the Raffle/Silent auction table. **To those who donated items or cash, a THANK YOU as well.**

Robbie Reed for putting together the Championship Program. And **Robbie Reed** and Championship Chair **Valarie Thawley** for helping me keep things on track throughout the season for the newsletters.

Rodney and Cheryl Martin for lending us their PA system.

Ray Witmer of Outdoor Solutions for delivering snow.

But don't just come for the weight pulls. Spokane is surrounded by 70 lakes, mountains, numerous hiking trails, several parks like Manito and Riverfront Park, plus several shopping malls. The Spokane Tourist Board likes to call our area "Near Nature, Near Perfect". I agree!

Driving Directions to the 2017 Championship pull site

FROM THE WEST:

Driving on I-90 from the west; take the Maple Street exit. Stay in the left hand lane as you will be turning left on Walnut Street (second light). After turning onto Walnut, stay in the left hand lane. This insures you cross the Maple Street bridge and not end up in downtown Spokane. Continue on Maple Street, (in the left hand lane). After several blocks, turn left onto Northwest Blvd. Just before the turn you'll see a Goodwill on your left and a Jack in the Box on the right. Stay on Northwest Blvd. You will pass Audubon Park on the right, further down you will pass the Flying Goat restaurant, on your right, then the road curves. Continue on Northwest Blvd, until it curves again and becomes Assembly St. Continue on Assembly St (the VA Hospital, Navy base Dwight Merkle Sports Complex, will be on your left) till you get to Francis Ave. Turn right on Francis Ave (up the hill). Drive to the first light. That's Indian Trail Road. Turn left and drive to Sundance Plaza. Turn left at the gas station/McDonalds. Drive to the back. ***This exit (Maple Street) is not recommended for anyone whose vehicle is taller than 13'8" tall which is the height clearance for the overpass before the bridge. Take the Division St. exit instead.***

FROM THE EAST:

Driving on I-90 from the east; take the Division Street exit. Continue on Division, (it splits to become Ruby St then reconnects to Division) until you get to Francis Ave. Make sure before you turn on to Francis that you have time to make the green light. This corner is notorious for giving out tickets for red light runners, camera enforced. (Verizon/Furniture store on left, Aces Casino across street on left, Tomatoe Street restaurant/Mattress store on the right, PetCo across street on right). Turn left onto Francis Ave. Drive several blocks passing Five Mile Shopping Center then Salk Middle School. Drive until you get to Indian Trail Road. Turn right. Drive to Sundance Plaza. Turn left at the gas station/McDonalds and drive to the back.

FROM THE NORTH:

Driving on Hwy 395 from the north. Keep on Hwy 395 and when you get to Spokane it becomes Division right after the bridge. Stay to the right, DO NOT take the split to the left even though it says Francis. It will take you to the other end of Francis to the east! Continue on Division to Francis AVE. Turn right. Stay in right hand lane to Indian Trail Road. Turn right. Drive to Sundance Plaza. Turn left at the gas station/McDonalds and drive to the back.

FROM THE SOUTH:

Drive to Spokane. If on Hwy 395 south, drive to I-90 east to Spokane. Follow the driving directions listed above for travel on I-90 from the West to get to the pull site.

Is an organization that trains service dogs, free of charge, for combat veterans struggling with the stresses of war once at home. **Operation Dog Tag** was founded in 2011 by Joe Scheffer, a veteran himself.

Scheffer is a Marine who served two years in Vietnam and knows firsthand the challenges our veterans face every day. Operation Dog Tag is one of more than a dozen local veterans' organizations receiving donations from this year's Dan Kleckner's Golf Classic.

Facing the hard truth that **as many as 20 veterans commit suicide every day**, Scheffer felt compelled to do his part to help save the lives our bravest men and women. Operation Dog Tag receives qualified dogs from the Spokane Humane Society, SCRAPS county shelter, the general public, or dogs already owned by veterans, and trains them to help veterans deal

with critical needs, such as post-traumatic stress, walking aids, wheel chairs and more.

Joe Scheffer is a Marine Corps Vietnam Veteran who runs a business called Operation Dog Tag in Spokane, Washington. He provides training and service dogs for military veterans who need them free of charge... he does it to save lives.

The back story

Joe did 4 years in the Marine Corps, and 2 tours of duty in Vietnam with Echo Company, 2nd Battalion, and 3rd Marines. They were deployed near Khe Sanh in one of the bloodiest battles of the Vietnam War. So he is well aware of what combat veterans go through when they return to the States.

"When we got back and went to Camp Del Mar, the guys in the barracks were told to leave and go to the other side of the camp and had strict orders not talk to us or interact. It felt like we'd come back from Mars and didn't belong."

Desperate for relief from what he was feeling, Joe tried to commit suicide 3 times. But that last time, as he began to squeeze the trigger on the gun he had pointed at his head, a young woman appeared and looked him in the eye. She said, *"Please give me the gun. Please don't... I love you."*

Joe said that he felt like he 'zoned out.' But as he returned her gaze, he knew that she meant what she said, so he gave her the gun and she disappeared. He never saw her again.

A combat veteran who understands

Joe knows exactly what's happening with our current veteran's crisis.

He went on to become a dog trainer. Since 1976 he's been training with police and military dogs. Four and a half years ago he decided to start his own facility – Operation Dog Tag- after hearing about the high rate of suicide among military veterans.

He asked himself, *"What can I do to help? What did I want more than anything else when I got back? I wanted someone I could trust. In the jungle I could trust my battle buddies. But here I couldn't... the dogs were the answer."*

Dogs don't ask questions. They're a heartbeat, a warm body next to you, and when they sense that you are going through a memory or problem, they nudge close or lick your face... they show love."

Combat veterans have vivid senses of the battles they've encountered the taste, touch, feel, smell of death. Joe teaches them that rather than focus on the horror, it's what they do with it that matters most. The dogs are life-savers.

Operation Dog Tag, "You're not alone"

One of Joe's most recent clients is a young man who lost a leg and some of his fingers from an IED explosion. He called a breeder who will be bringing two female German Shepherds to meet this veteran. He will be able to choose between them.

Then Joe will work with the man and the dog to help them become bonded, and make sure that they will work well together.

He does this all free of charge. His work saves the lives of our veterans.

"I love seeing the changes in these men and women after they get a dog. It's like breathing life back into them."

Needs

The nonprofit receives qualified animals from several places, such as the Spokane Humane Society, county shelters, the public, and trains them to help veterans deal with needs such as PTSD, veterans in wheel chairs, or as walking aids. And they could use our help.

"Operation Dog Tag" is in need of a building to lease for a training facility that has room for more dogs. Though they have been using the Veterans Center in Spokane, they need more room. They also need upgraded kennels and space for between 4 and 10 dogs. Winter is on its way, and the dogs need a place to be warm and safe.

There are many ways to help us have a big impact for this group. Please consider ordering a T-Shirt, donate to the donation fund we have set up for this group, donate items for the silent auction and consider purchasing from our silent auction.

Championship Host Marcia Ezell, President George Ferrari and all the Board of Directors want to remind everyone to be great ambassadors for our sport.

Please be responsible and pick up after yourselves, your dogs, and your family and or friends who are with you. Not only is this a request, it is also a requirement of our organization.

Don't risk being disqualified and losing your dog's placement and or eligibility to compete at our International Championships!

PICK IT UP!!!

Halee - Jack Russell Terrier

Owner/Handler Kailee Bright

Halee is a 10 year old Jack Russell Terrier from region seven. She has been pulling for three seasons. She pulls when she wants to pull and typical argues with me from the end of the track until she decides to pull.

She also competes in Barn Hunt where she has earned her RATN and RATO titles.

She is a lovable little terror who likes to travel. Her favorite things are, destroying toys, eating cookies, and chasing cats.

Region 7 — 20 lb Class

Rambo - Cairn Terrier

Owner/Handler Rachael Lincoln

Rambo- "I do what I want-when I want"
I'm Rambo a 3 yr old Cairn Terrier and I enjoy 2nd sleeps, performing tricks, chasing plastic bags, hunting for rats in tubes, and the occasional qualifying pull. My hoo-man totally digs this weight pull thing and we have been doing it for 2 years now. Just to get her all giddy I give her a well timed qualifying pull or two per season, ya know just to get invited to Championships each year. So now my hoo-man is calling me the One Hit Wonder!

No matter what, I look good in my harness pulling or not and chicks dig it!

Region 9— 20 lb Class
Ceasar - Miniature Schnauzer
Owner/Handler Richard Felice Sr

Ceasar, AKA Evil Puppy, is Miniature Schnauzer and is ending his 6th year of pulling with the IWPA.

Ceasar is not as innocent as he looks. He has yet to realize he is only a little dog and can be found many days “taking on” Lacy, GrimmLoc or any other big dog he wants. Besides being the only one to survive 7 years ago from his litter, he has become quite the Romeo and steals every female or child heart.

His personal best on wheels is 860 pounds and on snow his personal best is 245 pounds. He loves going everywhere he can with Richard. At night he steals Richards’ pillow just because he believes what is Richards is his, including cups of water. This year Ceasar also took up letting his newest buddie, a four-year-old, pull him in a novice pull.

Region 9 — 20 lb Class

Princess Bekah - Boston Terrier

Owner/Handler Robbie Reed/Terry Reed or Rodney Martin

Royals' Little Princess Anna Rebekah aka "Princess Bekah"

Region 9 20 lb class Bronze Medalist on Wheels and Silver Medalist on Snow.

Princess Bekah is a Boston Terrier owned and handled by Robbie Reed of Greeley Colorado. This is her 5th trip to championships. She is full of attitude (mostly bad) and truly believes she deserves to be treated like a Princess! Princess Bekah will generally pull with her head held high; not the perfect pull form, but it works for her.

Her personal bests are 530 lbs on wheels and 185 lbs on snow.

It will be interesting to see which Princess Bekah shows up at the Championships; the prissy picky attitude one or the ready to work one.

The Board of Directors would like to recognize the following people who have contributed to the success of this years International Championships. For without their giving, this event would not be a success!!!

Championship Invitees/Participants 40 lb. Class

Region 2 — 40 lb Class

Cinder - Australian Cattle Dog

Owner Sue Ferrari/Handler George Ferrari

Cinder, a 2 year old, is really Sue's house dog, but after the fall last year, she is her daddy's little pulling dog. If you missed it last year, you have to watch George and his greased pig. Together they won the highly coveted "Best Get Away Award". Really, you have to see this show. If he can keep her dressed, you had better watch out - there is no quit in her.

This is our Silver Regional Medalist on snow and on wheels. This gives her 3 Silver and 2 Bronze Regional medals to her board of fame.

Region 5 — 40 lb Class

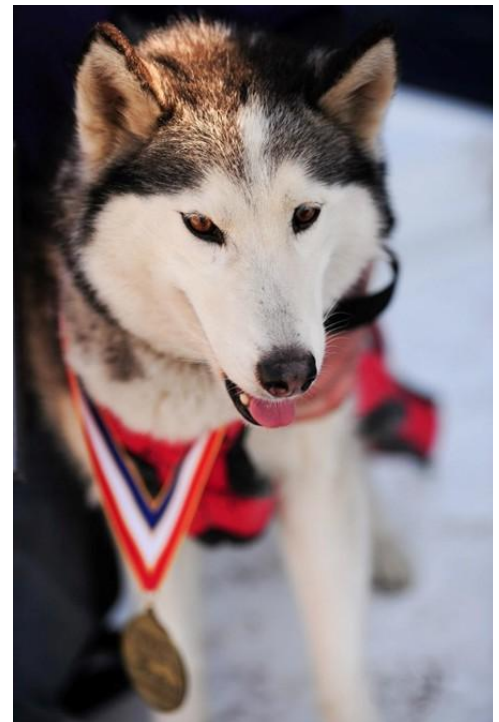

Keisha - Siberian Husky

Owner/Handler Kari Hunyadi

Keisha is an 11 year old Siberian Husky. This is her last official pull. Keisha has won 6 Regional Medals; 5 on snow and 1 on wheels. Keisha has 3 Gold Championship Medals on snow. She achieved these in 2009, 2012, and 2013 with the help of Wendy Leister.

Keisha has had an amazing pulling career and I am proud that she earned a spot at Championships and is able to retire as a contender.

Keisha is invited to compete on snow at Championships.

Region 5 — 40 lb Class
Moxie - Siberian Husky
Owner/Handler Kari Hunyadi
Gold medalist on snow- 40 pound class

Moxie is an 8 year old Siberian Husky. She has won 6 Regional Medals on snow as well as 2 Silver Championship medals on snow. She achieved these in 2011 and 2016.

Moxie has 3 puppies competing at Championships this year (Mug, Mist, and Dew).

When she isn't weight pulling, she is helping me teach people about dog sledding.

Region 5 — 40 lb Class
Breeze - Siberian Husky
Owner/Handler Michele Izzo

Breeze is a re-home/rescue from a family that didn't quite understand the Siberian mentality. She is great with our other dogs, has excellent body language and has raised several of our dogs. She is just a great dog, very loving and affectionate and will usually flop over for belly rubs within seconds of meeting someone.

Breeze takes obedience lessons, agility lessons and will start rally lessons soon. She likes to keep busy and has earned several pulling titles. Did I mention she is a goofball?

Region 5 — 40 lb Class
Dew - Alaskan Husky
Owner/Handler Steve Jackson

Dew is a 4 year old Alaskan Husky. She is from Region 5 and is in the 40# weight class. She is owned and handled by Steve Jackson. Her mother is Kari Hunyadi's Moxie and her father is Steve and Wendy's Mole. She is keeping pulling alive in her family. She is one of two generations pulling this weekend.

She is the Silver Medalist on wheels and snow.

Dew is well known in our region for being quite the drama queen. I am quite sure you will get a glimpse of her drama and get a good laugh from it.

Region 5 — 40 lb Class
Mist - Alaskan Husky
Owner/Handler Wendy Leister

Mist is a 4 year old Alaskan Husky. She is in the 40# weight class in Region 5. She is handled by Wendy Leister. Mists' mother is Moxie and her father is Mole. Like her sister Dew, she is one of two generations pulling this weekend.

Mist is the Gold Medalist on wheels and a qualifier on snow.

For being small she has a very big mouth.

Region 7 — 40 lb Class

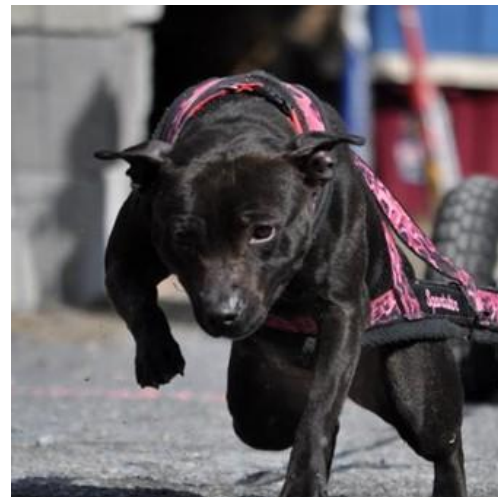

Bobber Age 6 - Staffordshire Bull Terrier

Owner/Handler Missy Kehler

Your perception changes when you own a Staffie Bull. And that definitely has been the case with Bobber. She's always up for some type of high-jinx and if you're not on board with it...well, she'll find a way to get you on board. Always an instigator, and looking for trouble. When she's quiet, you know she's up to no good.

Once that harness goes on though, she is all business. Bobber didn't always work hard for me, but with practice she got it.

Love my little Staffie.

Region 9 — 40 lb Class

Championship Invitees/Participants 60 lb. Class

Region 2 — 60 lb Class

Ziemboros High Voltage Kaniska aka “Zapper”

- Siberian Husky

Owner/Handler George Ferrari

Ziemboros High Voltage Kaniska, better known as “Zapper”, or George's lap dog. He will have a birthday the day before he pulls, turning 7 this year. This guy never ceases to amaze us. He is so laid back, sitting with George in the chair at the pull, but then he does get serious and his other persona comes out and he's a pulling fool. As George gets older, he seems to get a lot heavier; the dog that is. But he will be carried into the chute.

Zapper is the Region 2 Gold Medalist on wheels and snow this season, and the Silver Medalist in the 80lb class (took much couch time over the summer). He has a total of 8 Gold Regional medals, 1 Silver Medal and 1 Bronze International Championship Medal.

Region 3 — 60 lb Class

Jynx—Olde English Bulldogge

Owner/Handler Sean Hammell

Jynx is a 10.5 year old little fireball of an Olde English Bulldogge who has been weight pulling since 2010-11. She has been the Region 3 Gold Medalist every year since 2011-12, earned all of her IWPA weight pull titles (WD, WDX, WDS), in addition a Silver International Championship Medal in 2013, and a Bronze in 2015.

Her personal best is 2600 lbs on wheels.

Look for her to want to give every ounce of heart she can muster, and would love to give every spectator she can a kiss (with just a little tongue)!

This is Jynx's swan song for IWPA championships, so cheer hard for her and wish her luck!

Region 5 — 60 lb Class

"Ruby" - Long Trail's Illusion of the Iditarod Trail

- Alaskan Malamute

Owner/Handler David Gallagher

Ruby is one of 3 of Ally's puppies that are qualified for this year's IWPA International Championships. These 3 are all from the same litter and are second year pullers.

Ruby earned the Silver Regional Medal on snow and the Silver Regional Medal on wheels in a very competitive 60 lb class. Hoping to do well again at this year's Championships after becoming stronger and maturing since last year's Championships. In last year's Championship, she won the Championship Gold Medal on wheels and finished fifth on snow.

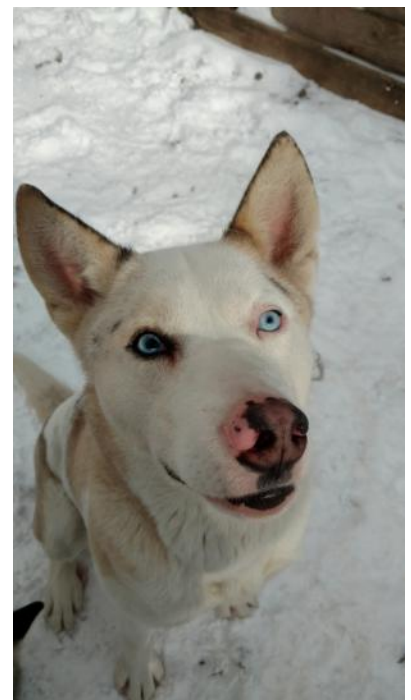

Region 5 — 60 lb Class

Shiner - Mix

Owner/Handler Michele Izzo

Shiner is a rescue; fostered by Michele along with Shiner's sister when they were 4 weeks old. Shiner is a husky/ aussie mix, we think. Michele tried to adopt her out several times but Shiner put on the brakes and came hauling butt back to Michele so... she stayed.

Shiner has a few pulling titles and would rather pull on snow than wheels. Shiner is my Velcro dog and got her name from the black outline around one of her eyes.

Region 5 — 60 lb Class
Junior - Alaskan Husky
Owner/Handler Steve Jackson

Junior is an 9 year old Alaskan Husky from Region 5. He is owned and handled by Steve Jackson. Junior is the Bronze Medalist on wheels and the 4th place qualifier on snow in the 60# class.

Junior has earned 1 Gold, 4 Silver, and 3 Bronze medals at prior Championships.

He is a son of Starbuck. Junior gets very loud and boisterous when he knows that he's going to pull. He actually squeals, and it is ear piercing.

Other than looking like his brother they are nothing alike. His work ethic is off the charts. He is a very good boy.

Region 5 — 60 lb Class
Mole - Alaskan Husky
Owner/Handler Steve Jackson

Mole is a 9 year old Alaskan Husky from Region 5. He is owned and handled by Steve Jackson and Wendy Leister. He is 1 of 2, of Starbuck's sons pulling this weekend. He also has 3 of his pups pulling this weekend.

Mole is the Gold Medalist on snow and wheels in the 60# class. He has previously won 7 Gold medals, 3 Silver medals, and 3 Bronze medals at Championships.

When you put the harness on Junior he gets very excited. He howls and jumps all around. When Mole is on the truck, he likes to stand on the deer carrier and be king dog. He also likes to scratch his back on the underside of it.

Mole has a beautiful howl; he sounds like he is singing. We get a laugh at the pulls when we call out that "Mole is in the hole".

Mole is a very emotional boy. He will make you smile if you're having a bad day. You can't get mad at him because he makes you laugh. He will always give you his all!

Region 5 — 60 pound Class
Zoie - German Shepherd
Owner/Handler Melissa Zebda

Zoie is a 6 year old rescued GSD who has been pulling pro for 2 years. This is her second invite to Championships!

When Zoie isn't pulling she enjoys nose work, trick training, playing ball, car rides, hiking, eating and of course napping.

Region 9 — 60 lb Class
Krueger - American Pit Bull Terrier
Owner/Handler Shea-la Gatz

Krueger began his pulling career at 2 1/2 years old with me as his handler and trainer who knew nothing about how to train a dog to pull but that changed pretty quickly. Krueger and I started training and instantly began to see our hard work pay off on and off the track. We first began pulling with the IWPA, UKC and the NWDA, then a year later we began to pull with the ADBA, APA and AADRI. We have traveled to over 15 states to compete. His first completion we attended was an IWPA pull on dirt where he placed 1st in his 60 pound class. He became an IWPA working dog superior his first year in the IWPA and he took 1st in his class on wheels in Region 11. His first year in the UKC he became UWPO UWPV UWPS UWPCHX CA ALCH. At the 2015 UKC nationals he won his class and awarded most hard working dog, and was the only dog to max out on allowed weight. He finished 4th out of 14 dogs at the NWDA nationals on wheels in 2015 and became a WPSGC. He took 1st in his class for the region on snow, wheels and rails in the W3PO in 2015. At W3PO nationals he placed 1st in his class on all three surfaces and also took MWPP on rails, MWPP and MWP on wheels. In addition he won Most Valuable Dog and the triple crown award for MWPP. He also got inducted into the 100% rails club, the 10,000 pounds rails club, the 50% wheels club, 25% snow club, triple crown club and the silver level of the hall of fame. In addition he is W3PO WPDSS WPDSW and WPDSR. Lastly he holds the national record for MWPP on rails for the 60 pound class and MWPP and MWP for the 60 pound class on wheels. Krueger's first year in the ADBA he took 9 1st and a body pound and finished 2nd in his class at the 2016 nationals, losing by just 10 pounds. He is just shy of becoming a weight pull ACE in the ADBA. A month later he finished 2nd in his class at APA nationals. Another month later he finished 1st in his class and won MWP 59 pounds and under at AADRI nationals. In 2017, he took 1st in his class for Region 9 on snow and 2nd on wheels in the IWPA. We continue to grow as a team and learn something new every time we train. Krueger also competes in wall climb, slat mill races, lure coursing, dock diving, barn hunt and rally. When not training, Krueger enjoys going to the beach, playing chuck it and tanning in the sunshine.

Molly is part Husky and part Malamute, which was given to me by a family friend. She will be 3 years old in July.

The 2016-2017 IWPA Season was Molly's second season to do weight pulling. On wheels her best weight pull is 1600 lbs. and on snow 445 lbs.

Molly is the mascot for the Poudre River Young Marines in Greeley Colorado, and has walked their 15 mile Final Recruit Challenge three times. Molly is a very energetic and loving dog. She loves to be around kids, play in the snow as well as eating it, and she loves digging holes.

Arctic Snowdrift's Shonee "Shonee" - Alaskan Malamute

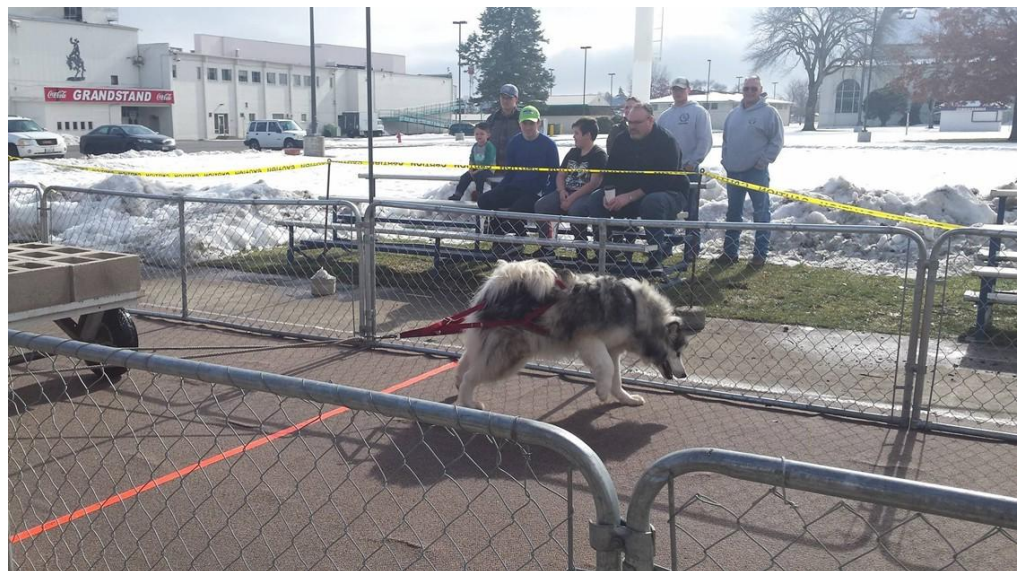

Owner/Handler Marcia Ezell

SHONEE (Arctic Snowdrift's Shonee) is an Alaskan Malamute just under the age of 2. She is owned, handled, and loved by Marcia Ezell in Region 2. Marcia adopted Shonee when Shonee was 6 months of age. A friend had suggested Marcia check Shonee out and fell in love with her. Shonee turned out to be a blessing for both Jack (CH.EZ-Hill's Wild Card rn) and Marcia. She was exactly what we both needed. Shonee was shy at first. But with time and exposure to more and more people and dogs, she is doing very well. This is Shonee's first year of weight pulling and Marcia couldn't be more proud of her. Shonee took a Gold Regional Medal on Wheels and Silver on Snow.

We had a very exciting head to head competition at the Yakima weight pulls this year. Shonee was in competition with Carole Parson's dog Skye. We went round after round until they both tied at 1430 lbs. Skye had just pulled and Marcia heard something about it being a 2 second difference between the two dogs time. Both dogs could not pull the next weight so Marcia thought Carole and Skye had beat them. Marcia was surprised to find out it was Shonee who had won by 2 seconds. Marcia was also pleased that she pulled 600 lbs more than the day before. Marcia loves her spunky little girl.

This summer Marcia plans on training Shonee for Rally and Barn Hunts.

Congratulations to all the IWPA qualifiers and good luck at Championships! Marcia and Shonee hope to see you in Spokane, WA.

Tru North's The Skye's the Limit "Skye"- Alaskan Malamute
Owner/Handler Carole Parsons

This is Skye's first year pulling. She is 16 months old and shows a lot of promise. Skye earned a Gold Regional Medal on Snow and Bronze on wheels, not bad for her first year.

Skye is Carole's wild child. Skye thoroughly loves people, pulling, and running on Carole's sled team. Skye is also working on a rally novice title, passed her Star puppy test, and will be tested for her CGC very soon. Skye is also learning how to be a show dog. She just needs to settle down a little bit for that.

Carole is very proud of this little girl and thinks Skye will go far in everything she does.

Region 5 — 80 lb Class

"Ally" Illusions of Long Trail Ale - Alaskan Malamute
Owner/Handler David and Susan Gallagher

Ally is 6 years old and has earned an invitation in a very competitive 80 lb class to come to the Championships for the 2016 - 2017 season.

This year will be a family affair for the Gallagher's Long Trail Alaskan Malamutes. Ally is coming to compete along with 3 of her children. Hopefully they make her proud.

When not in harness working, Ally is also a "show dog" in the conformation ring.

Region 5 — 80 lb Class

"Sarge" - LongTrail Illusion's Sargent - Alaskan Malamute
Owner/Handler David and Susan Gallagher

Gold medal on Snow, Gold medal on Wheels for the 2016 - 2017 IWPA season.

Sarge is one of 3 of Ally's puppies that are qualified for this year's IWPA International Championships. These 3 are all from the same litter and are second year pullers; at almost 3 years old.

Sarge earned the Gold Regional Medal on snow and the Gold Regional Medal on wheels in a very large competitive 80 lb class.

Like his mother Ally, Sarge is also a show dog in conformation. But when he is in harness he is all work.

Region 5 — 80 lb Class

Mug - Alaskan Husky
Owner/Handler Kari Hunyadi

Bronze Medalist on wheels and invitation on snow.

Mug is a 4 year old Alaskan Husky. This is his first year being invited to Championships and he is very excited.

His father is Mole, who is owned by Steve Jackson and Wendy Leister. Mug's parents (Mole and Moxie) are both Regional Medalists this year.

When Mole isn't weight pulling, he is helping Kari teach people about dog sledding or napping on the couch.

Region 5 — 80 lb Class

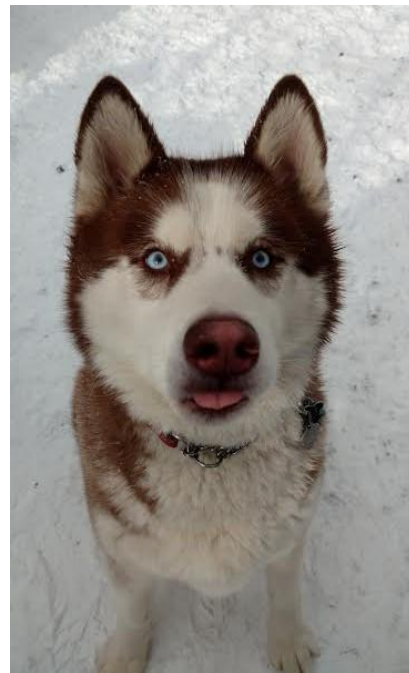

Bristol - Husky

Owner/Handler Michele Izzo

Bristol came to us as a 4 week old foster with his sister; their original names were Spay and Neuter because they came from a back yard breeder. The sister left but B-dawg stayed. He raised Shiner, Summit and gets along with almost all of our other dogs. He's one cool dude.

He has a big heart and Michele swore she would never get another Husky... but he makes her want another one :-)

Bdawg participates in rally, obedience, and agility lessons.

Region 7 — 80 lb Class

Fat Boy - American Bulldog

Owner/Handler Dave Heffelfinger

Hard to believe my Fattie McPatties is 9 years old this November.

What's even harder to believe is that Fat Boy works as hard as he does in the chute. If Fat Boy were human, he would be sitting in his underwear on a lazy boy recliner with his feet up chugging a lager. Yup, that describes my Fat Boy. That's ok, he's been such a good dog for us both at home and at competitions. He gets the job done, then kicks back to relax.

Fat Boy placed 5th at Championships last year.

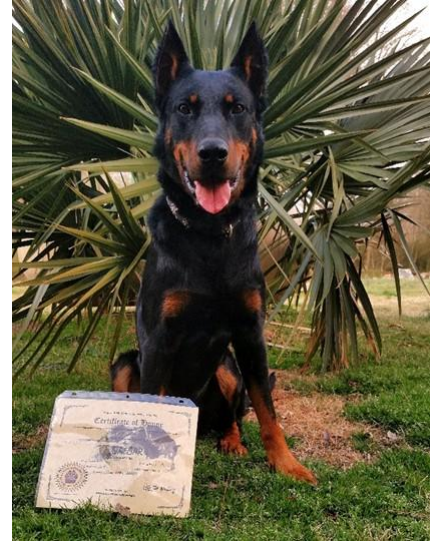

Region 7 — 80 lb Class
Jaeger - Beauceron
Owner/Handler Steven Lincoln/Kailee Bright

Jaeger is a two year old Beauceron from Region seven. He has been pulling for two seasons. Jaeger completed this season undefeated with his top weight of 2100 pounds. And he has completed his IWPA working dog title.

He competes in Barn Hunt where he has earned has RATI and RATN. Jaeger also has his first leg towards his CAT title. This summer he will be competing in Rally and Dock Diving.

He is a hard working dog who just loves to do anything with his girl. His favorite things are his squeaky hedgehog toy, playing in the water, snuggles with his favorite girl, and long walks on the beach.

Region 9 — 60 lb Class

Mercy is a 9 year old Golden Retriever. This is her 3rd year competing with IWPA and her 3rd IWPA Championship Invite. Mercy also currently competes in Mondioring Obedience, Dock Diving, Nose Work, Barn Hunt, and Rally and recently retired from Agility and Lure Coursing.

Mercy was diagnosed with cancer in November 2015 and underwent chemo and radiation, but she came back stronger than ever and has been cancer free for over a year!

Mercy is a therapy dog and service dog, primarily focusing her time on adolescents who recently discharged from psychiatric hospitals. She loves to be petted, she loves to cuddle, and she especially loves her massages before and after every competition.

Her favorite food is anything she can swallow in one bite, which is almost everything!

Besides using his buddy Lacy for a pillow he enjoys stealing cookies as they cool, that Mary made, ice cubes, and getting in to anything he can, including mud, or just relaxing out in the sun.

Region 2 — 100 lb Class

Shasta - Alaskan Malamute

Owner/Handler Carole Parsons

Shasta (Masta of the Trail) (Gryphon's Moon Over Mt. Shasta) has pulled off and on for a few years. He medaled and was invited and competed at the Championships in Post Falls, Idaho. But because we were busy giving dog sled rides he hasn't been able to compete in Region 2 pulls for a few years.

Shasta won the Regional Gold Medal on wheels this season.

He is quite a talker and can carry on quite a conversation with you. Shasta is also a super star on my sled team working hard on the hills but does love to "leave pee mail" way too often. So he has been moved from lead to wheel.

Region 4 — 100 lb Class

Navi - Alaskan Malamute

Owner/ Handler Michelle Podolak

Storm Kloud's Valiant Blackhawk Warrior "NAVI" has been a willing worker and a natural weight puller, since his first IWPA weight pull in January 2012. He has a sweet personality and at 6 years old still has a lot of puppy in him. In addition to weight pulling, NAVI pulls me on a rig; this year, we worked together to complete a three mile rig tour through natural trails. It doesn't sound like much, but this is the first time we've gone that far at once. When he pulls me, he is pulling more than three times his weight, so it's a big job! Always kept going and never gave up, the whole way. We had a wonderful day! NAVI also loves to entertain the school children when we do demonstrations.

NAVI has pulled in both IWPA and Alaskan Malamute Club of America weight pulls. At the 2016 AMCA National Specialty Show, in Colorado Springs, CO, NAVI pulled 2988#s at both pulls and finished first in his weight class both days and high percentage on the first day.

NAVI holds an IWPA "Working Dog Superior" title and an AMCA WWPDX title. This season, NAVI finished First Place in Region 4 100lb Class. The past four seasons, NAVI medaled in Region 4 100 lb Class (three Gold and one Silver). NAVI is now eligible for the Regional Hall of Fame, when he retires.

NAVI finished this IWPA season with a 3120 lb pull on 03/18 and 3008 lb pull on 3/19.

Region 5 — 100 lb Class

Daegan - German Shepherd Dog
Owner/Handler Tammy Bristol

There's not much I can say about this beast that I didn't say last year. Daegan is now 5 years old and has been in my life for 4 years. He has tested my nerves and patience and caused me insane frustration. At the same time, he is my peace at the end of every day. Daegan would do anything I ask of him, and he gives me his whole heart in everything we do.

Daegan does not only participate in weight pull, he also has fun in Rally Obedience, Nose Work, Lure Coursing and Bite Work. Nose Work is his absolute love though. He gets really excited to do it. He loves swimming and hiking just as much! I simply cannot put into words what an amazing dog Daegan is. Even when he is being a butthead, he is everything I need and all that I want.

Region 5 — 100 lb Class

"Olaf" - Illusion's Long Trail Olaf - Alaskan Malamute
Owner/Handler David and Susan Gallagher

Olaf is one of 3 of Ally's puppies that are qualified for this year's IWPA International Championships. These 3 are all from the same litter and are second year pullers, at almost 3 years old.

For the 2016 -2017 season, Olaf has earned the gold medal on snow and invitation on wheels in a very competitive 100 lb class.

At the 2015-2016 Championships, Olaf won the Bronze Medal on snow and finished 4th on wheels.

Olaf is looking to be equally respectable this year since he has matured as a worker and gained strength during this season.

Region 5 — 100 lb Class
Boe - Alaskan Malamute
Owner/Handler Michele Izzo

Boe is my boyeeeeee, my sweet dog, my buddy. He came to us from a sled-ding kennel in Northern NY.

Boe has numerous pulling titles and participates in rally, obedience and agility lessons. He gets compliments wherever we go.

Boe has a few Regional Medals and 2 Championship Medals.

Region 5 — 100 lb Class
Storm - Alaskan Malamute
Owner/Handler Michele Izzo

Stormy is my rescue from Chesapeake Area Alaskan Malamute Protection League. The rescue got her from an Amish farmer in Pennsylvania - he was going to shoot her and her mate because they were no longer producing puppies. So the rescue took them both and we fostered her in February of 2016.

Her original name was Frosty...and we had lost our Frosty in November of 2015... it was fate that put us together. My husband allowed me to adopt her and she has been with us ever since.

She was a wild child, sweet and affectionate but had no boundaries. It's been a long road of NILF (nothing in life is free) training for her but she has done really well. She has graduated from all levels of obedience training from our local PetSmart.

I'm very proud of the psycho!

Region 7 — 100 lb Class
Magnus - Cane Corso
Owner/Handler Bobbie Cortese/Matt Dillon

Magnus is a 18 month old Cane Corso, owned by Bobbie Cortese and handled by both Bobbie Cortese and Matt Dillon (Region 7).

This is Magnus' first year involved with the IWPA pulls but we are very happy in his progress and taking Gold in the 100 lb. weight class within our region this year. I am definitely looking forward to see what he can accomplish in the years to come. That being said and this being his first year in the IWPA Magnus still has a lot to learn as any competitor does and definitely enjoys what he does with focus and determination.

Nichols' Magnus is the name Bobbie has chosen as a kennel name.

Region 8 — 100 lb Class
Tikaani - Alaskan Malamute
Owner/Handler Shawn Henderson

Tikaani - Bronze Medalist Region 5 on wheels in the 81-100 lb weight class. Owned and handled by Shawn Henderson,.

Tikaani is a 6 year old Alaskan Malamute that weighs 90 lbs. He is my first weight pull dog, an amazing family member with the sweetest personality.

Tikaani has competed many times in the IWPA, AMCA, UPF, APA, NWDA, and W3PO for almost 5 years, where he has earned many titles, a state gold medal, 2 regional bronze medals, loads of ribbons, certificates and trophies. He competes on wheels (natural and artificial), rails, and snow.

Tikaani enjoys spending time at our local dog park with his older Siberian Husky brother Duke and his younger Alaskan Malamute brother Storm. He enjoys going to public events around many people and dogs.

Region 9 — 100 lb Class
Tidus - Mix
Owner/Handler Jennifer Berning

Hi, I'm Tidus! I am a 2 1/2 year old Bull Mastiff/Boxer mix who loves long walks in the park, a nice cool bowl of water, the color purple and cuddling with my humans and fur siblings. My family calls Greeley, Colorado in Region 9 home.

This is my second year pulling and my second appearance at Championships. I moved up to the 100 lb weight class this year and am finally figuring out that I am as strong as I look. I pulled my personal best a couple weeks ago and my mom couldn't have been more excited for me. I hope I can make her even more proud this weekend and maybe even come home with some hardware!

Region 9 — 100 lb Class
Lacy - American Bulldog
Owner/Handler Richard Felice Sr

Lacy is a 4 year old American Bulldog. The Felice family rescued her from a life of living in an outdoor kennel 24/7.

This is her 3rd year pulling. Within Region 9, her personal best on wheels is 2,825 pounds and 995 pounds on snow.

In her free time, she enjoys escaping from her kennel, chasing the cats, being a pillow for her buddies Grimmloc, Magnus, Midas and the most important is to be a pillow or a chair for Thomas. She also enjoys cuddling and watching any movie or TV show with dogs in it.

Region 9 — 80 or 100 lb Class
Sky - American Bulldog
Owner/Handler Chris Stock

Sky is a 6-year-old American Bulldog pulling in the 80 or 100 pound class depending on her weight. When Sky first started pulling with IWPA Region 9, Chris Stock owner/trainer, had to carry her on and off the track.

In her 4 years of pulling, Sky set a new IWPA record on snow in Estes Park (CO) in the 2014-2015 Championship. She brings home at least the bronze in each weight class for snow or wheels that she pulls in.

Sky's personal best on wheels is 3720 pounds and 730 pounds on snow.

Besides becoming a mom in 2016, she enjoys setting on her best friend Woody. Sky's goal for the next few seasons is to show her children, that will be pulling, how to bring it.

Region 2 — 125 lb Class

Cascades Tornado - Alaskan Malamute

Owner/Handler George Ferrari

Cascades Tornado is back for year number 2.

She has filled out and is quite the beauty. She won't have her older "sister" there to compete against, but we think she will do just fine this year.

She is our Gold Medalist on Snow and Wheels this year. This gives her a total of 2 Gold and 1 Silver Regional Medals. Not bad for her second year.

Region 4 — 125 lb Class

Ziggy—Alaskan Malamute

Owner/Handler John Podolak

Five year old **Edgenere's Second to None** "ZIGGY" has vastly improved his weight pulling performance, since he got his new custom made harness in September 2016.

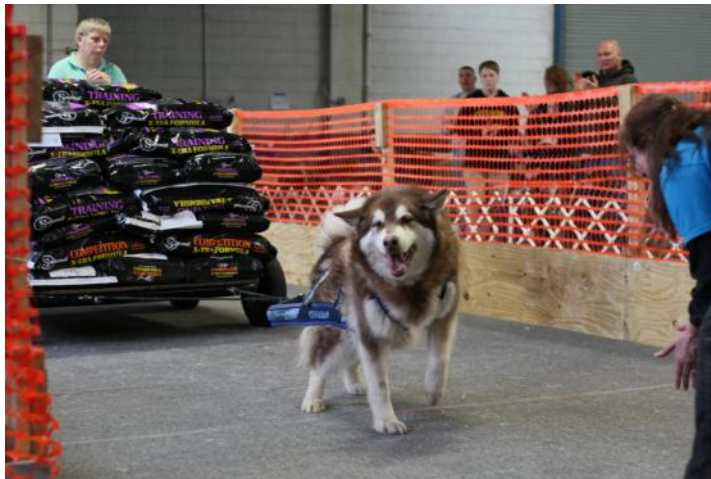

In the 2016-2017 season, Ziggy earned his 2nd, 3rd and 4th IWPA "X" legs and is now eligible for an IWPA "Working Dog Excellent" title. At a March pull, Ziggy pulled an IWPA personal high of 2000 pounds.

This IWPA season, Ziggy finished in First Place in the Region 4, 125 lb Class. The last two seasons, Ziggy finished in Second Place in Region 4, 100 pound Class. He has pulled in both IWPA and the Alaskan Malamute Club of America weight pulls. At the 2016 AMCA National Specialty Show, in Colorado Springs, CO, Ziggy pulled a personal best of 2076 lbs.

Region 7 – 125 lb class
Cinnabar – Alaskan Malamute
Owner/Handler Sheryl Franklin

Cinnabar is an 12 year old Alaskan Malamute, owned and handled by Sheryl Franklin (Region 7). He has his CGC and a title in agility, as well as his Working Dog Superior Wheels and Working Dog Snow from IWPA. He also has the title Working Weight Pull Dog Excellent (AMCA). A regional medal winner since the 2008-2009 season, he began pulling in 2007. He took a Silver Medal on snow & a Bronze Medal on wheels at the 2009-2010 Championships, as well as a Bronze Medal on Snow at the 2013-2014 Championships at 9 years old. He also competed in both Wheels and Snow at the 2015-2016 Championships at 11 years old. He has also pulled in UKC, earning the title United Weight Pull Champion.

Since puppyhood, he’s done his best to please. An excellent ambassador for Alaskan Malamutes, he loves meeting all the people & dogs at the pulls. With his sweet nature, he developed a fan following at our annual weight pull demos for Tails of the Tundra Siberian Husky Rescue and because of his laid back personality is credited with helping one of the rescues learn how to play with another dog. He was always in the hunt for MWP at the AMCA pulls in Harrisburg, and won it in 2009.

He prances into the chute when he hears “Cinnabar is up!”, wagging his head the entire way (he does his best prancing & wagging when Wendy Leister calls his name).

Cinnabar’s personal bests are 1270 lbs. on snow and 4532 lbs. on wheels. He’s slowed down considerably.

Region 7 — 125 lb Class
Lilly - St Bernard
Owner/Handler David Heffelfinger

Refer to Lilly in the 150 pound Class information as she is a double medalist.

Region 9 — 125 lb Class

Royal's Valentine Rose Princess Rahab aka "Rosie"

Owner/Handler Terry Reed

Rosie is a Dogue De Bordeaux who turned 2 this past February. She was brought to her forever home at Royal Kennel from a local rescue in September. Terry and Robbie were told she was one of two sisters that were purchased by the original owner to be show dogs and she was surrendered because the owner could not handle both of them.

The rescue said her birthday is in February, hence her given name.

For almost the first 2 months Rosie had no training. She and Terry just spent time getting acquainted. When Terry took her to her first pull Robbie thought he was nuts because she had only had a harness on twice. She pulled 800 pounds with no real training.

Each event she got better. To the point that her best weight pulled is 2300# on wheels and 340# on snow.

Terry has high hopes for her future. This Championship is expected to just be experience. But then you never know what a rescued dog, given positive attention, will do for you.

Region 9 — 125 lb Class

Kong - American Pit Bull

Owner/Handler Chris Stock

Kong is a 3 ½ -year-old American pit bull pulling in the 125 pound class. This is his 2nd year pulling with IWPA Region 9. Kong has no idea how strong he is. Even though Chris Stock owner/trainer, does. In his two years of pulling Kong medaled in Gold on snow and Silver on wheels at his first Championship in the 2015/16 season in Michigan. This year with Region 9 he has also obtained double Gold Medals.

Kong's personal best, so far, on wheels is 3500 and 700 on snow. Besides becoming a terror to his siblings, Sky and Woody, he plans on showing them both who the top dog of the Stock household is.

Championship Invitees/Participants 150 lb. Class

Region 2 — 150 lb Class
Carusso - Fila Brasileiro
Owner/Handler Trisha Porter

Caruso "Russo" is a soon to be 2 year old Fila Brasileiro. He is pulled by Trisha Porter. Russo came to us second hand. He had been purchased by his first owner as a big tough guard dog. But ended up being scared of him and took us up on our offer to give him a home. He has really done amazing since this is his first year pulling and he came to us with no social skills or training.

He is a busy guy who is currently working in Schtuzhund training, Personal Protection and working on confirmation titles.

This year we were thrilled to see him take Gold in Region 2 for both Wheels and Snow. He also was able to earn his working dog title this year!

Russo spends most of his days irritating anyone he can. He thrives on contact from his family, and is the partner in crime to a toddler.

We hope to see him grow and mature as he ages and turn into a great puller.

Congratulations to all Regional Medalists! You are already winners!!!

Region 2 — 150 lb Class
Chaos - Fila Brasileiro
Owner/Handler Joey Prater

Chaos, handled by Joey Prater, is a 9 year old Fila Brasileiro. He has been pulling with the IWPA for 8 years and has been complaining about it the whole time. Chaos takes his job of holding the couches down at home seriously. But also has done some Obedience, herding, and tracking. He is one of only a hand full of filas to ever get his CGC.

This year Chaos was able to win Region 2 Gold on Wheels, and Silver on snow. He was also able to get his Working Dog title this year.

He lives on a small farm and spends his time between supervising his humans and keeping his family safe from the mail man, meter reader, and random people walking by the house.

Chaos has done some Personal protection work and excelled as most fila do. He is a laid back guy who really is a softy at heart.

Region 2 — 150 lb Class
Fury - Fila Brasileiro
Owner/Handler Trisha Porter

Fury is a 9 year old Fila Brasileiro pulled by Trisha Porter. She has been pulling with the IWPA for 8 years.

She has worked in Personal protection, Tracking, Obedience, and Herding. She is one of only a handful of filas to pass her CGC. This year she was able to win Bronze on wheels, as she prefers not to get her toes cold and play in the snow.

Fury spends most of her time bossing everyone around and is often known as the fun police at home. She is always happy to tattle on anyone that is having any ounce of fun. She is always alert and always working. Fury is mellowing out in her old age, but is a bit of a stick in the mud, and we wouldn't have it any other way.

Region 6 — 150 lb Class
Brody - Newfoundland
Owner/Handler Jean Wilson

Brody is a rescued Newfoundland that was an “owner surrender” on 08/17/14 from the Detroit, MI area. Brody was nearly 3 and his life comprised of a small back yard and the previous owner’s basement with no socialization and no obedience training. Brody was extremely strong, mentally and physically and was use to acting on impulse. He did because he could.

He was exposed to his first weight pull event in Luna Pier, MI on 08/30/14. For 2015 and 2016, he earned IWPA Regional Gold on snow and earned Gold and Silver on Wheels for those years respectively. His first IWPA Championship in May 2015 he earned Gold on Snow and Bronze on Wheels. In the 2016 IWPA Championship he earned a Bronze on snow. Brody also won his class at the Tri-State Alaskan Malamute Club’s 2015 Nationals during the last Klondike Days event in Eagle River, WI, and pulled the second highest weight, close behind his pack mate and mentor, Micky.

Brody is still a work in progress but when he puts his mind to a task and not back-talking, he can be quite the competitor.

Region 6 — 150 lb Class
Micky - Newfoundland
Owner/Handler Jean Wilson

Micky is a 10 y/o rescued Newfoundland that found his forever home with us on 01/07/2011, being his fourth family in just over a year. His love for people had sent him on travels, creating issues with the authorities. Always happy & full of energy, he drastically needed direction. In 4 months he earned his AKC CGC Certification and became certified as a Therapy Dog through TDI. He later titled to AKC Rally Excellent with near perfect scores.

Micky showed he enjoyed the challenge of weight pull, earning IWPA Regional Silver on snow in 2011 and Regional Gold on snow and wheels from 2012 through 2015. In 2016 he earned Regional Gold on wheels and Silver on snow. At IWPA Championships he proved to be a contender by earning Gold on Snow, and Silver on Wheels respectively in 2013, 2014, 2015 and 2016. In other venues, he was the NWDA 2012, 2013 and 2014 National Champion, 2013 Iron Dog National Champion and was the 2014 and 2015 Tri-State Alaskan Malamute Club National Champion and had MWP for each of those ID and TSAMC events. He was the 2014 & 2015 W3PO Summits Class Champion as well as pulling most weight on all three surfaces in 2014. He holds the record with W3PO for MWP on snow.

His personal bests are 11,930 lbs. on rails, 4,609 on wheels and 4,325 on snow. He is also a counselor at Camp Dogwood in WI twice a year to educate dog lovers on the "Sport of Weight Pull". Micky visits a local hospital, volunteers in reading programs regularly at several libraries, visits residents at a local assisted living facility, visits schools, and loves to hike in the woods. He truly is our "Golden Child" and has earned the right to retire, but to date he still prances and talks when he knows we're packing for our next road trip. (Oh, and just ask him how much he loves "Barn Hunt"!)

Region 7 — 150 lb Class
Lilly - St. Bernard
Owner/Handler Dave Heffelfinger

What can we say about Lilly? We could always talk about the snot boogers she slings. Some of which I think are strategically and precisely aimed at my morning cup of joe. Or how I usually have to wipe the walls, ceilings, doors, or other various places that have the unfortunate luck of being snot-a-fied with one good shake by Miss Lilly. Did I mention that the humans in the house usually have to do a visual inspection of each other before leaving the house because Lilly is known for brushing up against us (probably on purpose) and leaving long drool marks. Nothing worse than finding a dried Lilly goober on your finest.

In the end, we are as devoted to her, as she is to us. She's a fantastic dog that adores Dave and is most content being by his side. She proves that every time she steps into the chute. She does everything she can to get to her "daddy".

Last year she won the Bronze at Championships in the 150lb class. This year, at age 4, she qualified in both the 125 lbs Class and the 150 lb Class.

Yeah, what can we say about Lilly except that she is amazing!

Region 7 — 150 lb Class

Cascades Road to Redemption “Delbert” - Alaskan Malamute

Owner/Handler Debbie Lee

Delbert is a 2 1/2 year old Malamute from Madeleine and Nathan Sellers, Cascade Kennel.

He won the Championship Gold on carpet in the 150 lb Class with the IWPA last year in Michigan and won 1st Place on carpet at the Malamute Specialty at Harrisburg, PA last year as well.

He continues to amaze us all with his accomplishments and sheer will. We have hopes that he has more to show in the future but only he knows what that will be.

He is a silly boy with a lot of personality and a really big heart that loves interaction from everyone. His best pull was this year on natural surface at Epps Farm Supply in Suffolk, VA, pulling 5375 lbs. It has been a pleasure to work with such a nice quality Malamute. Thank you for the opportunity, “Cascades Kennel”.

Royals' Conqueror Prince Mufasa aka "Prince Mufasa"

Owner/Handler Robbie Reed/Terry Reed

Prince Mufasa came to the Reed home at 7 months old as a rescue that was very abused and neglected. He is a Dogue De Bordeaux. Prince Mufasa is now nearly 7 years old.

Every day brings new challenges for him but Mufasa has progressed extremely well; now at times even to male compassion. Prince Mufasa has generally been pulled by Robbie. But due to several hand surgeries, Robbie hasn't been able to pull him. So, Terry and Mufasa have become quite a pair. Terry continues to pull him with his voice quit softly because Mufasa doesn't respond well to raised voices (which isn't easy for Robbie or Terry).

This is Prince Mufasa's fifth year pulling and fifth trip to Championships. This season he is Region 9 Silver Medalist on both snow and wheels. His personal best pulling on snow is 470 lbs and 3,965 lbs on wheels.

Available medals your dog can earn in the IWPA!!!

Baumax - Boerboel
Owner/Handler Kelsee Ris

Baymax is a 2 year old male Boerboel, that has been pulling with Sean at the Western Canada Pull Club in Balzac for 7 months. Baymax is a very dedicated puppy, with multiple sport interests. He is currently in Weight pull, Nosework, Agility, Rally, and Barnhunt. Very busy boy.

At home he can be a lazy dog that shares his house with two small siblings, but can also be quite rowdy. We are constantly on the go doing walks, classes and play dates with his friends.

Everyday is new with this goofy boy, never lets you down.

Region 7 — Unl Ib Class
Aubyrne – Alaskan Malamute
Owner/Handler Sheryl Franklin

Aubyrne is a 4 year old Alaskan Malamute, owned and handled by Sheryl Franklin (Region 7). He and his sister, Mariko, were returned to my breeder, the Hudson's. The family moved out of country and couldn't take the dogs with them. Having Sebastian & Cinnabar from Hudson's, I jumped at the chance to take these two in and haven't regretted it.

He is a very big, very sweet goofy boy. Aubyrne has been through both Basic & Intermediate Obedience and will begin Agility classes in April of this year.

This is his second year weight pulling, and he continues to learn. He has great drive, just never quits. This season Aubyrne is the Region 7 Gold Medalist on wheels.

He's very gentle with people, especially kids. A true gentle giant.

Region 7 — Unl Ib Class
Mariko - Alaskan Malamute
Owner/Handler Sheryl Franklin

Mariko is a 4 year old Alaskan Malamute, owned and handled by Sheryl Franklin (Region 7). She and her brother, Aubyrne, were returned to their breeder, the Hudson's. The family moved out of country and couldn't take the dogs with them. Having Sebastian and Cinnabar from the Hudson's, Sheryl jumped at the chance to take these two in and haven't regretted it.

Mariko is a very big girl, with a sweet yet restrained personality. Having graduated Basic & Intermediate Obedience, she then got her CGC. She's also passed Agility Foundations 1 and will begin Agility Foundations 2 in April of this year. Agility classes have helped Sheryl work with her in weight pull. Mariko is more interested in trying things now and is showing more willingness to pull. She doesn't have her brother's drive or need to please, so she's going to continue to be a work in progress with weight pull. Mariko is the Region 7 Silver Medalist.
