PRESIDENT'S NOTE:

I hope you all had a wonderful Thanksgiving with your friends and family. It is the time of season for the weather to change depending upon where you live if you get snow or just rain.

We have been getting some great reports back from the organizers. Tractor Supply pulls in Rural Hall, NC got some really good publicity with the TV and newspaper. That kind of publicity is great for the sponsors and for the IWPA.

Here are the URL's for Fox TV and for the newsletter if you would like to see for yourself.

Keeping pulls at a fun level helps the newcomers enjoy trying their dogs and wanting to come back. Helping the newcomers with training and having a positive attitude, not just the "Pull hard or Go Home" attitude, makes all the difference. Everyone wants to have fun. Let's keep it that way.

A word on weigh-in times and why they are set at the times the organizers put them. Organizers set times for when their weigh-ins are and when their pulls start for a reason. It could be that they don't want their pulls to go after dark due to lack of lighting, or a sponsor or location has time limits for use of their property. But most of all they want to start on time. So if you are going to a pull, every effort needs to be done to get there on time. If you are going to be late do to traffic, flat tire, or whatever, contact the organizer and inform them of the circumstances. Pre entries are mostly accepted as well.

Keep this in mind. If you coming from a distance. Call ahead to let them know you are coming so they can plan for you.

Have a great month and Happy Holidays to you all.
