# Letter from the President:

Well the season has come to an end with the Championships... Thanks to the Northern Great Lakes Weight Pullers for all their efforts in putting on a great Championships. Just remember we all pulled on the same tracks and all had the same challenges! Every dog and handler who competed has already been a winner! Congratulations to everyone!!! A special Congratulation is extended to all the Championship medalists for bringing home medals!!!

I want to thank everyone for the great season we have had. It has been an honor to have served as your President this very special year. I want to thank you all for your support and suggestions throughout the season. I am very proud to say that I am involved with such a remarkable organization and its members! I have heard many good things about this organization from many sources. It is awesome to hear such good remarks from outsiders looking in. Especially, when the people see many organizations and clubs all over the world and yet they remark how impressed they are with *THIS* organization. Thank you all for being such terrific ambassadors for the IWPA and dog pulling! This is why we have been around for 25 successful years!!!

I also want to thank all the current board members, committee chair persons and region reps for all their time they have dedicated to make this year a success!

I wish the best for everyone in the following year and success in their endeavors!

Best Regards,

Robbie Reed

## A note from the Northern Great Lakes Weight Pullers:

Fellow Weight Pullers:

On behalf of the Northern Great Lakes Weight Pullers I would like to take this opportunity to thank all who attended the 2009 Silver Challenge Championships. It was nice seeing old friends and meeting new ones. To each of you who traveled far and near, you made the 2009 Championships a Great Event. We had some great positive coverage on the TV and also the local newspapers. We hoped to give each of you a picture of your dog while they were pulling, in a magnetic frame, if you did not receive one, please let me know. I believe we may also be putting together a CD of the event. We have some t-shirts left also, if interested, contact me for size and availability. I hope all of you took home some great memories also. I know we had some tough tracks, that all may not have liked, I apologize for this, if it may have upset some.

I would also like to thank all who gave a hand in any way, it was very much appreciated by us.

Once again, thank all of you for attending, have a great off season and see you next year.

Shirley Webber

## Build It and They Will Come

seems to be the mantra for the past weight pulls we have held.

This one was no different as far as what kind of turn out to expect. The snow track was built 5 days prior to the pull. Four Lakes Ski Area in Lisle, IL. has been awesome in not only providing the area but also the snow for our pulls. We had a deep freeze every night leading up to Friday the first day. The weather had been in our favor. When the Friday evening pull came to a close, the forecast for rain led us to cover the track.

Saturday morning... what a morning. The rain would not give us a break. There were the tasks of erecting the canopy, putting out signs, uncovering the bricks, and lastly, uncovering the 50 foot X 16 foot track of rock solid ice 12 inches deep with a pile 10 foot by 3 foot deep for reserve. Yes, in the middle of the pouring rain we had snow.

### And Then They Came.

The Satiations table was set under the canopy, the scale was balanced. New dogs to be weighed in came one by one. Most of the dogs didn't care too much about the rain as we exchanged light hearted chit chat and some of us would cringe from the vibrations of the thunderous heavens above. We were surrounded by a chain link fence and joked that we were all going to have curly hair at some point this day.

It rained hard enough to consider canceling the pull. I remembered hearing stories from seasoned veterans of how they weathered storms cold and harsh with less attendance. We had this BOOMING THUNDER and in your face CRACKING LIGHTING, with SHEETS OF RAIN falling sideways and up. All we needed to complete the scene were animals to start showing up in pairs and a very large boat!

### 57The Pull

The dogs were led into the shoot one at a time. The handlers called their dogs the sled marshals did their jobs, and the Judges? Well the judges called out the times to the satiatiations. All of this was done above the sound of the storm. There were a lot of "What's" and "repeats". Some dogs actually seemed to enjoy the weather. There were some unexpected upsets. It seems that Cormac loves to pull in the rain. He showed up to beat Sally out of 1<sup>st</sup>. Sally would glance over with the "you've got to be kidding" look. BB Blues and Rosa did that Bully thing to Czar and Blizard and took 1<sup>st</sup> and 2<sup>nd</sup> place. Steve Holford came in from Marmouth for the weekend it paid off, Tug won gold and BB Blues won silver in snow for the region. The track stayed firm and we covered it for the next days pull. At the time we did not realize it was the 75<sup>th</sup> pull of the season. It certainly was a memorable 75<sup>th</sup>!

Thank you Green Valley Dog Drivers for your support for this and all of the events you all have put on this year. I could not have done it or have had as much fun with out you.

Special thanks goes out to Annette McNeely for keeping her cool and a wet smile during one of the wettest snow pulls in history.

## Letter to the Editor and Board of Directors

I have to say first that I take my hat off to anyone that puts a pull on for the IWPA. I would however never host the Championships due to how involved it can be, so once again I appreciate that someone or any group would step forward and take this on. Everything this year at Michigan was well organized and set up well except for “the angle of the track”.

I have spent many years on the Board of Directors and know that the pull site for the Championships has to be approved before the pull can go on. I also know that the Championships are the only pulls that a record can be set at. I have to say that in the past I have asked if it was ok to put a block behind the cart wheels to stop it from rolling back on an un-level track and was told “no.” So my question would be how did the track get approved when someone had to know that it would have such an extreme angle? When I come to such an event I expect for my dogs to pull their best and feel that the advantage was against them. Especially if you consider how hard it was for the little dogs. To only pull # 2080 for the unlimited dogs is just unheard of in all the years that I have been pulling! If I had known that the track was going to be at such an angle I would have saved my money and time. Tracks like this do not bother me at any other pull, but to have it at the Championships robs a lot of people of their time, money and dreams.

I would think that any experienced handler would feel the same. I quit going to UKC because I would take the time to register my dogs at a high fee, go to the pull and see that they only have one cube of blocks with the intent of not going any higher which is a joke for large breed dogs. I also found out that they are happy just pulling 4 to 5 times their body weight and get the extra x's and o's behind their dog's title. They even changed the web-site and do not recognize most weight pulled records anymore which took everything my dogs ever did with them away. (So I no longer pull with them).

I have missed the last two Championships and was looking forward to getting back into the saddle. How do we as an organization plan for the future and the namesake of the IWPA? When the word gets out of the weights and the track all groups including the members of the IWPA will question where they should focus.

## Pull #50 Organizers

We started pulling in the IWPA and organizing in the 1998–99 season. It all started with the purchase of a Samoyed pup in 2003. He died of bloat at 3 years of age. My wife Joel

was devastated but 2 years later we received a call from a breeder about a Sammy pup, and we were back in the dog business again.

About that same time my friends in one of the sled dog clubs had heard of the loss of our first dog and asked if we would be interested in a malamute that some one was looking to place. When I told wife about him she must have seen how much I wanted that dog, she said yes.

The next year Malcom (that was his name) and I started working. This was also the first year of us organizing an IWPA pull, The Pymatuning Weight Pull in Andover, Ohio. It had been an ISDRA pull sponsored by the PA Sled Dog Club.

We previously had met Steve Jackson and Melissa Kehler thru the PA Sled Dog Club. The organizer could no longer do it and Steve and Missy asked if we would. So that how we got into it. My wife and I have been doing at least 1 pull per year since. We have met many people from all over and have seen many past and present champions pull. It does not matter to us what breed is pulling but to see the joy in their owners eyes when they make that last pull. When we come to a pull it was like seeing old friends with a lot of catching up to do.

This year was not a good year for our dogs as both of them got hurt this past fall and had to be retired. Doing the pull this year was a little harder not having a dog there. It's funny what a difference a dog makes.

The IWPA is a great organization and we are proud to be part of it. We just rescued a Great Pyrenees for our farm, I wonder, maybe next year you will see us with a great dog.

Sincerely,

Joel and John Stephens
