From the President

I hope everyone is having a great pull season so far! What a fun year this is!

I just want to let everyone know that I realize the web site has been delayed in updates. Allie Renar, our web site person has had to re-create our web site because of some major problems with our old web site links. Please be patient with her while she finishes getting everything updated. She has begun to post pull results and upcoming events. Remember, the web site is not your official source of information; per our Constitution, the Newsletters are your official source of information.

I also want to remind everyone that Sue Ferrari is our new Statistician and Sanctioning Chair. Please direct questions in reference to her area to her.

Also, the new Judges Chair is Terry Reed. Please send any inquiries or renewals to Terry, not Nacho Alvarado.

Organizers be sure that your Chief Judges have submitted the current (2008–2009) judges renewal form to Terry and they have received their new judge certification.

Lastly, don't forget to be creative in your pulls this season to celebrate our 25th Anniversary year!

Best Regards,

Robbie Reed

President

From the Judges Chair

Terry Reed

This is the current list of IWPA Judges as of October 19, 2008. Judges and organizers if you do not see yourself or your judge on this list it is probably due to me not receiving their 2008-2009 renewal form. If you submitted an old form ie; last seasons renewal you should have been contacted by me to submit this years form. It is important that you submit the proper form because you are signing that you are aware of new rule changes made by the IWPA Board of Directors at the last board meeting. At this time judges that have recertification pending need to submit the 2008-2009 form. Until I receive the proper paperwork you will not be recertified and this could have an influence on any events you may want to sanction or judge at.

So be sure to get your proper paperwork submitted to be sure you will be certified for your upcoming events.

The Sanctioning Director, Sue Ferrari addressed this issue in the September Newsletter and stated that not having a certified judge could deny your sanctioning.

This article was written by Joy Cowles, submitted at my request. I loved the picture, taken at our Fall Fling; so much that I wanted Joy to explain about draft work and this picture. It was a great scene to see two dogs side by side doing draft work. Joy is a great trainer with her dogs and they are a joy to have at our weight pulls. Russ and Sally Cole, region 6 members also pull with us.

Shirley Webber, region 6 rep

Russ with Annie & O'Lee driving a Spyder Mini Sulky

I have been involved with weight pull for at least three years. I have found wp to be a really great learning experience for my Bernese Mtn. Dogs. They learn to work past what they think that they can do just because I ask them to try. They learn that "can do" attitude. My dogs are cross trained. They do breed ring competition (that beauty thing). They do obedience and rally obedience. They do agility and tracking. But most of all they do draft work. They cart and compete at carting competitions. This is traditional work for Bernese Mountain Dogs. They scooter and pull a kicksled (mushing). They "drive".

This last year I have done several demonstrations, workshops and classes for canine draft work. Sally and Russ Cole with their dogs Ranger and Orphan Annie became intrigued at one of my draft demonstrations a year ago. They came to a workshop that I did in February 2008. Russ built a cart for Sally and Annie to train with and they were off and running. In October of this year Sally attained her DogScouts carting badge with Annie. Her tester, Lonnie, was intrigued when she saw that Sally had driving reins in her cart. Sally had found that Annie prefers to be ground driven from behind rather than worked on a leash in "heel" position. Soon Russ and Annie were trying out driving Lonnie's four wheeler rig after the successful completion of the test for their badge. Russ and Sally had never actually seen my Spyder Sulky (a dorsal shaft mini sulky made by Jim Walsh in Australia) they had seen a short video of it and perhaps a photo or two. So I brought it to our IWPA weight pull for them to try and for others to see. Since Annie is too small for my Spyder's measurements we "ponied" Annie to my Berner O'Lee so that Russ could try driving it. I think that the smile on Russ's face tells the story of how proud and happy the driving experience was for them.

I am certain that weight pull dogs are natural choices for this style of draft work. Driving is good conditioning work for weight pull dogs and weight pull competition is a good training ground for driving dogs. Sled dog owners have always had a fondness for wp. Mushing is a form of dog driving so why not sulky driving dogs?

I personally prefer my dorsal shaft sulky to side shaft sulkies but as long as the dogs are properly trained and are well under verbal control, as long as the equipment is properly fitted for the dogs and driver, well, then driving your dog(s) can be fun and a great release of canine energy. A tired dog is after all happy dog (owner :)

INTERNATIONAL WEIGHT PULL ASSOCIATION WEIGHT PULL

STANDING RULES ON SANCTIONING

In order for your pull to be sanctioned and to count for points.

Any organization who wishes to put on a pull approved by the I.W.P.A. shall require the organizer or any of the officials to have an I.W.P.A. membership and use I.W.P.A. weight pull rules which include having an I.W.P.A. certified and approved judge.

A sanctioning application must be filled out by the organizer and delivered into the hands of the I.W.P.A. sanctioning director no later than the 15th of the month preceding the month in which the event is to take place, provided the event is scheduled between the 15th through the end of any given month. Pulls scheduled from the 1st through the 14th of any month must be received no later than the 15th of the month two months prior to the weight pull event. For example, an event scheduled for December 7th must be received no later than October 15th, an event scheduled for December 28th must be received no later than November 15th. *No exceptions to this rule will be made!!* It is the organizer's responsibility to ascertain if this application has been received by the Sanctioning Director.

Newsletter pull calendar information is taken from the sanctioning application; therefore, ALL questions must be answered. It may be considered false advertising for any organizer to falsify or fail to follow the information provided on the sanctioning request. False advertising will be grounds for placing the organizer on probationary sanctioning status.

The following list of information from your weight pull must be sent to the **Sanctioning Director** with a postmark no later than 5 days after the last day of your pull:

1. Weight Pull finish report
2. Organizer's report
3. Financial report with ALL monies due the IWPA for the \$5.00 per dog fee. For pulls held in Canada \$5.00 are payable in U.S. funds only. (Motion6/07)
4. All regular and provisional membership monies received at your pull with completed membership forms must be sent to the **Membership Director** with a postmark no later than **5 days** after the last day of your pull. New members are to be given the membership receipt included in your packet as proof of membership until their card is sent to them.
5. Send **Judge's Reports** to the **Judge Chairperson**

(The penalty for failure to meet the 5 day postmark requirement will result in a fine of not less than \$20.00 and \$5.00 per day for each day after 6 days that the pull results are not postmarked. Failure to pay a fine may result in loss of sanctioning and/or points). *Exception—Organizers of pulls held the last two weeks of the season are required to submit finish reports to the sanctioning director and FAX or OVERNIGHT their finish report, finance report, and organizer report to the statistician within one working day. (motion 5/98)*

Any grievances by an organizer or judge should be in writing, postmarked no later than 72 hours after the end of the weight pull event, and sent to the Sanctioning Director who will present the written grievance(s) to the I.W.P.A. Board of Directors *within two weeks of the receipt of the grievance*, for deliberation.

Sanctioning applications that do not include the sanctioning fees will not be accepted. Exception-When faxing application a copy of the check/money order for sanctioning fees must be faxed with the application. The original application and check/money order for sanctioning fees must be postmarked within one working day of the fax. The original application and payment for sanctioning fees must be received by the sanctioning director no less than one week prior to the event or the sanctioning may be canceled.

Organizers of events which have had sanctioning suspended after the pull will be required to mail a reimbursement to all entrants of the \$5.00 per dog fee. This reimbursement must be mailed within 72 hours of the receipt of written notice by the Sanctioning Director of suspended sanctioning. (Failure to reimburse funds when sanctioning has been suspended may mean loss of future sanctioning of event by the organizer)

The Board of Directors may not make a decision on sanctioning a pull but will make a decision regarding any grievance filed in regard to sanctioning.

If the Sanctioning on a pull is refused or the sanctioning is withdrawn from a pull, the sanctioning director will notify the organizer in writing within 2 days. A phone call or fax is a courtesy but the "in writing" is a requirement.

Cancellations of a pull will be accepted with no penalty as long as there is ample time to report the cancellation in the newsletter with the same deadlines as for sanctioning a pull. If these deadlines are not met, the organizer shall (at their own expense) send out postcards to all members to notify them of the cancellation. If this is not one, an organizer may be subject to loss of sanctioning fees. There will be no provisions for "Rain Dates". I have read and understand the above rules regarding sanctioning.

Note: Renewing Judges **must sign and return this form** (with the proper fee) stating that you have read and understand the following changes in the IWPA Standing rules and Rule booklet that have been placed in effect at the board meeting on June 14th and 15th, 2008. This also includes the **Judges Code of Conduct** that was adopted by the board in 2002.

International Weight Pull Association

Judge Code of Conduct (Ethics and Authority)

1. You must both possess and project an unwavering air of integrity and ethical behavior that protects the reputation of IWPA pull events as fair and well-judged. With common sense, judges can easily avoid situations, which might raise ethical questions. A

judge should avoid impropriety and the appearance of impropriety in all activities.

2. Judges are presumed to be honest, competent and dedicated. Nevertheless, it is all too easy to find yourself in uncomfortable or even inappropriate

situations. Guidelines cannot cover every situation, but they can help you avoid improprieties or perceived improprieties. A judge should perform the duties impartially and diligently. ("A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances in which the judge has a personal bias or prejudice concerning a party...")

3. You Are in Charge: As the Chief Judge, you have full authority over all persons in the event. With this authority comes the responsibility to be thoughtful and considerate. Be as systematic in your procedure from dog to dog and weight class to weight class as conditions permit.

4. You should avoid theatrical movements or making inappropriate comments to competitors. Be polite, but generally limit your conversation with competitors to instructions that are in accordance with the IWPA rules.

5. The Judge may use whatever reasonable procedures he/she deems necessary to evaluate each dog's performance in an effective and efficient manner. The same procedures will be used to Judge each dog in a class. By entering any weight pull, the owner and handler of any dog agree to accept the decision of the Judge as final. The decision of a Judge is the responsibility of the Judge and not that of the IWPA.

6. IWPA events are intended to be family-oriented recreation for dog lovers and their dogs. Accordingly, IWPA expects the highest standard of conduct at all events.

Rule Changes for 2008-2009

Section 3 A #2 Officials, remove ~ "*handler's report and*".

Section 5 C #13, Add ~ "*from the start line*"

Will read; If any part of the harness or other equipment breaks, the handler shall have 60 seconds to repeat the pull from the start line after repairs. He/she may choose to accept this interrupted pull as a pass.

Section 5 C # 15, Add ~ "immediate"

Will read; No dogs including those not entered in competition shall be allowed in the immediate area ahead of the starting line except the dog that is pulling.
