# From the President

Well our pull season is off and running! I hope everyone is mindful of the time frames in which it takes to sanction a dog pull. Don't forget to come up with creative ways to celebrate your pulls in commemoration of our 25<sup>th</sup> Anniversary!

Speaking of sanctioning pulls, I was looking through the By Laws and realized we as the board inadvertently changed the provisional membership fees in the Standing Rules during the board meeting for the 2007/2008 season. That rule change contradicted the By Laws. According to our By Laws, a rule can not be made that contradicts the By Laws. Due to this, the board has recently voted to correct the Standing Rule that was made in error. The Provisional Membership Fee has been changed back to \$5.00 per dog for each event. I also want to point out that IWPA members CAN NOT pull a dog provisionally. Provisional membership is one (1) of four (4) types of memberships that the IWPA offers. Organizers you want to be sure to charge the correct fees for any provisional membership/s that may be pulling at your events. The rule change is effective immediately.

I wish everyone a successful pull season!

Best Regards,

Robbie Reed

*Working together is a success..*

## Rule Changes from the Sanctioning Chair

The board has made a change that you all need to be aware of regarding provisional dogs and the fees that are to be paid.

Our Constitution states in the By-Laws Article 1 Section 1B that "The provisional member shall pay the set fee for EACH dog entered at EACH sanctioned event".

There was a change at the 2006/2007 board meeting that read "Provisional membership fees will be \$5.00 per EVENT ". This was against what our Constitution read and should never have happened.

So our Constitution will prevail and each provisional member shall pay \$5.00 per dog per each event. Please make sure that if you are putting on pulls, that you collect the correct amount of money. If anyone has any questions regarding this, please don't hesitate to contact anyone on the board.

See you in the pull chute.....

Sue Ferrari

## STANDING RULES ON SANCTIONING

### **In order for your pull to be sanctioned and to count for points.**

Any organization who wishes to put on a pull approved by the I.W.P.A. shall require the organizer or any of the officials to have an I.W.P.A. membership and use I.W.P.A. weight pull rules which include having an I.W.P.A. certified and approved judge.

A sanctioning application must be filled out by the organizer and delivered into the hands of the I.W.P.A. sanctioning director no later than the 15th of the month preceding the month in which the event is to take place, provided the event is scheduled between the 15th through the end of any given month. Pulls scheduled from the 1st through the 14th of any month must be received no later than the 15th of the month two months prior to the weight pull event. For example, an event scheduled for December 7th must be received no later than October 15th, an event scheduled for December 28th must be received no later than November 15th. *No exceptions to this rule will be made!!* It is the organizer's responsibility to ascertain if this application has been received by the Sanctioning Director.

Newsletter pull calendar information is taken from the sanctioning application; therefore, ALL questions must be answered. It may be considered false advertising for any organizer to falsify or fail to follow the information provided on the sanctioning request. False advertising will be grounds for placing the organizer on probationary sanctioning status.

The following list of information from your weight pull must be sent to the **Sanctioning Director** with a postmark no later than 5 days after the last day of your pull:

1. Weight Pull finish report
2. Organizer's report
3. Financial report with ALL monies due the IWPA for the \$5.00 per dog fee. For pulls held in Canada \$5.00 are payable in U.S. funds only. (Motion6/07)
4. All regular and provisional membership monies received at your pull with completed membership forms must be sent to the **Membership Director** with a postmark no later than **5 days** after the last day of your pull. New members are to be given the membership receipt included in your packet as proof of membership until their card is sent to them.
5. Send **Judge's Reports** to the **Judge Chairperson**

(The penalty for failure to meet the 5 day postmark requirement will result in a fine of not less than \$20.00 and \$5.00 per day for each day after 6 days that the pull results are not postmarked. Failure to pay a fine may result in loss of sanctioning and/or points). *Exception—Organizers of pulls held the last two weeks of the season are required to submit finish reports to the sanctioning director and FAX or OVERNIGHT their finish report, finance report, and organizer report to the statistician within one working day. (motion 5/98)*

Any grievances by an organizer or judge should be in writing, postmarked no later than 72 hours after the end of the weight pull event, and sent to the Sanctioning Director who will present the written grievance(s) to the I.W.P.A. Board of Directors *within two weeks of the receipt of the grievance*, for deliberation.

*Sanctioning applications that do not include the sanctioning fees will not be accepted. Exception-When faxing application a copy of the check/money order for sanctioning fees must be faxed with the application. The original application and check/money order for sanctioning fees must be postmarked within one working day of the fax. The original application and payment for sanctioning fees must be received by the sanctioning director no less than one week prior to the event or the sanctioning may be canceled.*

*Organizers of events which have had sanctioning suspended after the pull will be required to mail a reimbursement to all entrants of the \$5.00 per dog fee. This reimbursement must be mailed within 72 hours of the receipt of written notice by the Sanctioning Director of suspended sanctioning. (Failure to reimburse funds when sanctioning has been suspended may mean loss of future sanctioning of event by the organizer)*

*The Board of Directors may not make a decision on sanctioning a pull but will make a decision regarding any grievance filed in regard to sanctioning.*

*If the Sanctioning on a pull is refused or the sanctioning is withdrawn from a pull, the sanctioning director will notify the organizer in writing within 2 days. A phone call or fax is a courtesy but the "in writing" is a requirement.*

*Cancellations of a pull will be accepted with no penalty as long as there is ample time to report the cancellation in the newsletter with the same deadlines as for sanctioning a pull. If these deadlines are not met, the organizer shall (at their own expense) send out postcards to all members to notify them of the cancellation. If this is not one, an organizer may be subject to loss of sanctioning fees. There will be no provisions for "Rain Dates". I have read and understand the above rules regarding sanctioning.*

Note: Renewing Judges **must sign and return this form** (with the proper fee) stating that you have read and understand the following changes in the IWPA Standing rules and Rule booklet that have been placed in effect at the board meeting on June 14th and 15th, 2008. This also includes the **Judges Code of Conduct** that was adopted by the board in 2002.

### International Weight Pull Association

#### Judge Code of Conduct (Ethics and Authority)

1. You must both possess and project an unwavering air of integrity and ethical behavior that protects the reputation of IWPA pull events as fair and well-judged. With common sense, judges can easily avoid situations, which might raise ethical questions. A

judge should avoid impropriety and the appearance of impropriety in all activities.

2. Judges are presumed to be honest, competent and dedicated. Nevertheless, it is all too easy to find yourself in uncomfortable or even inappropriate

situations. Guidelines cannot cover every situation, but they can help you avoid improprieties or perceived improprieties. A judge should perform the duties impartially and diligently. ("A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances in which the judge has a personal bias or prejudice concerning a party...")

3. You Are in Charge: As the Chief Judge, you have full authority over all persons in the event. With this authority comes the responsibility to be thoughtful and considerate. Be as systematic in your procedure from dog to dog and weight class to weight class as conditions permit.

4. You should avoid theatrical movements or making inappropriate comments to competitors. Be polite, but generally limit your conversation with competitors to instructions that are in accordance with the IWPA rules.

5. The Judge may use whatever reasonable procedures he/she deems necessary to evaluate each dog's performance in an effective and efficient manner. The same procedures will be used to Judge each dog in a class. By entering any weight pull, the owner and handler of any dog agree to accept the decision of the Judge as final. The decision of a Judge is the responsibility of the Judge and not that of the IWPA.

6. IWPA events are intended to be family-oriented recreation for dog lovers and their dogs. Accordingly, IWPA expects the highest standard of conduct at all events.

**Rule Changes for 2008-2009**

Section 3 A #2 Officials, remove ~ "*handler's report and*".

Section 5 C #13, Add ~ "*from the start line*"

Will read; If any part of the harness or other equipment breaks, the handler shall have 60 seconds to repeat the pull from the start line after repairs. He/she may choose to accept this interrupted pull as a pass.

Section 5 C # 15, Add ~ "immediate"

Will read; No dogs including those not entered in competition shall be allowed in the immediate area ahead of the starting line except the dog that is pulling.
