## From the President Terry Reed

Hello or is it Howlo IWPA members,

The season is now underway and the calendars are starting to fill up with events.

I want to remind all of you that there is more than just competition and point's accumulation.

As an IWPA member take full advantage of your benefits by checking out the extras like, Working Dog Degrees. For those of you that are interested I know in the past some Breed Clubs have accepted IWPA Degrees as documentation for the Breed Club Degree. There is an application with explanation on the degrees later in this Newsletter.

I also want to encourage you to look at your latest copy of the IWPA Constitution and By-laws. In the Standing Rules Article VI Awards Section 7 and 8 you will find the latest effort by the organization to honor **retired** IWPA dogs. This is the IWPA Hall of Fame. There are two levels of the Hall of Fame; Regional and International. Take a look at the criteria and see if you have a qualified dog.

This was presented and accepted at the IWPA Board Meeting last June to recognize members and dogs for longevity in the organization. I think it is a great idea.

Hope everyone has a safe and Happy Halloween. Reminder, keep the dogs out of the candy.

Terry Reed  
President

### From the Statistician

#### Sue Ferrari

Hello everyone! I hope you are all excited about this upcoming year.

I wanted to make sure everyone, especially those who are pull organizers, understands how Novice pulls are to work. And before I get too far into this, this is the feeling of the Board, not just my personal opinion. We have discussed it at several Board meetings and we believe that this is covered adequately in the rule booklet.

Unless you tell me otherwise, I will always assume that your novice pull is being held after your Sanctioned pull on Saturday, or the first day of your pull. You may have your novice pull happen before the sanctioned pull, just make sure your paperwork reflects this so I note it correctly, and make sure your time is adjusted accordingly. If you state that your pull will start at 10:00am that means the Sanctioned pull starts then. If this is not the case, you are in violation of the rules and can be put on probation.

Novice pullers may NOT pull during the Sanctioned event. Please see the rule booklet, under Section 4, Eligibility, #1. "All contestants must be either a regular member of the IWPA or a provisional member to enter a dog in competition in any IWPA sanctioned weight pull. Dogs participating in IWPA sanctioned events for points need to be owned and pulled by members.

And please remember, that when you pay for your sanctioned pull and request to have a novice pull, you must include that extra \$25.00 to cover the insurance for the Novice pull.

If you have any questions regarding this, please do not hesitate to contact me.

Thank you,

Sue Ferrari  
Sanctioning Director

## From the Judges Chair George Ferrari

Hello. Well, we have seen the first couple of pulls get completed and turned in. I would like to remind everyone – especially you judges out there, regarding Section 5, C Procedure of weight pull event, #5. Please look at the last sentence; “A defined stop in the forward motion of the dog must be achieved”. Once you have positioned the dog how you want them, the slack is out of the line, and you are about to release the dog and walk away. That is where the defined stop must be. Not a stop in the forward motion; you take the slack out and go. You must have the dog come to a stop. I would hate for any bad habits to get started and then someone be disappointed when they come to Championships and get DQ’d over this.

If you have any questions regarding this, please don’t hesitate to contact me.

Have a great season everyone,

George Ferrari  
Judge Chairperson

From the Newsletter Editor

Robbie Reed

I have been asked by members to send them 2 copies of the Newsletter in PDF format. Please do not ask this of me as according to the IUPA By-Laws Article 1 Section 1 (a)(3) each "family unit shall receive only 1 copy of the IUPA Newsletter". By asking me to send 2 copies of the newsletter you are in fact asking me to purposely break rules; which I am not about to do. The question you should be asking yourselves is if I simply did not follow the rules for one person; where does it stop? If I do it for one I should do it for everyone.

You may think it is simply a single stroke of the mouse but let me explain. Each month I have to verify each memberships e-mail address who accepts the Newsletter in PDF format. If I simply added the spouse of each family membership onto the address book I would be doubling my time spent in sending out the PDF Newsletters. My time like yours is very precious.

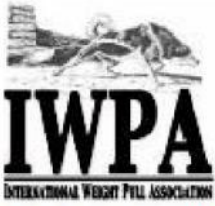

Thank you all for your understanding in this matter.

## INTERNATIONAL WEIGHT PULL ASSOCIATION WEIGHT PULL STANDING RULES ON SANCTIONING

### In order for your pull to be sanctioned and to count for points.

Any organization who wishes to put on a pull approved by the I.W.P.A. shall require the organizer or any of the officials to have an I.W.P.A. membership and use I.W.P.A. weight pull rules which include having an I.W.P.A. certified and approved judge.

A sanctioning application must be filled out by the organizer and delivered into the hands of the I.W.P.A. sanctioning director no later than the 15th of the month preceding the month in which the event is to take place, provided the event is scheduled between the 15th through the end of any given month. Pulls scheduled from the 1st through the 14th of any month must be received no later than the 15th of the month two months prior to the weight pull event. For example, an event scheduled for December 7th must be received no later than October 15th, an event scheduled for December 28th must be received no later than November 15th. **No exceptions to this rule will be made!!** It is the organizer's responsibility to ascertain if this application has been received by the Sanctioning Director.

Newsletter pull calendar information is taken from the sanctioning application; therefore, ALL questions must be answered. It may be considered false advertising for any organizer to falsify or fail to follow the information provided on the sanctioning request. False advertising will be grounds for placing the organizer on probationary sanctioning status.

The following list of information from your weight pull must be sent to the **Sanctioning Director** with a postmark no later than 5 days after the last day of your pull:

1. Weight Pull finish report
2. Organizer's report
3. Financial report with ALL monies due the IWPA for the \$5.00 per dog fee. For pulls held in Canada \$5.00 are payable in U.S. funds only. (Motion6/07)
4. All regular and provisional membership monies received at your pull with completed membership forms must be sent to the **Membership Director** with a postmark no later than **5 days** after the last day of your pull. New members are to be given the membership receipt included in your packet as proof of membership until their card is sent to them.
5. Send **Judge's Reports** to the **Judge Chairperson**  
(The penalty for failure to meet the 5 day postmark requirement will result in a fine of not less than \$20.00 and \$5.00 per day for each day after 6 days that the pull results are not postmarked. Failure to pay a fine may result in loss of sanctioning and/or points). **Exception—Organizers of pulls held the last two weeks of the season are required to submit finish reports to the sanctioning director and FAX or OVERNIGHT their finish report, finance report, and organizer report to the statistician within one working day. (motion 5/98)**

Any grievances by an organizer or judge should be in writing, postmarked no later than 72 hours after the end of the weight pull event, and sent to the Sanctioning Director who will present the written grievance(s) to the I.W.P.A. Board of Directors **within two weeks of the receipt of the grievance**, for deliberation.

**Sanctioning applications that do not include the sanctioning fees will not be accepted. Exception—When faxing application a copy of the check/money order for sanctioning fees must be faxed with the application. The original application and check/money order for sanctioning fees must be postmarked within one working day of the fax. The original application and payment for sanctioning fees must be received by the sanctioning director no less than one week prior to the event or the sanctioning may be canceled.**

**Organizers of events which have had sanctioning suspended after the pull will be required to mail a reimbursement to all entrants of the \$5.00 per dog fee. This reimbursement must be mailed within 72 hours of the receipt of written notice by the Sanctioning Director of suspended sanctioning. (Failure to reimburse funds when sanctioning has been suspended may mean loss of future sanctioning of event by the organizer)**

**The Board of Directors may not make a decision on sanctioning a pull but will make a decision regarding any grievance filed in regard to sanctioning.**

**If the Sanctioning on a pull is refused or the sanctioning is withdrawn from a pull, the sanctioning director will notify the organizer in writing within 2 days. A phone call or fax is a courtesy but the "in writing" is a requirement.**

**Cancellations of a pull will be accepted with no penalty as long as there is ample time to report the cancellation in the newsletter with the same deadlines as for sanctioning a pull. If these deadlines are not met, the organizer shall (at their own expense) send out postcards to all members to notify them of the cancellation. If this is not one, an organizer may be subject to loss of sanctioning fees. There will be no provisions for "Rain Dates". I have read and understand the above rules regarding sanctioning.**
