The IWPA Newsletter assumes no responsibility for false claims made by the advertiser but will not knowingly print erroneous copy. Requests for permission to reprint material published in the newsletter must be obtained from the author for the material or, if no author is indicated, from the publisher.

**Deadline for all submissions to the Newsletter is the 18th of the month prior to the month of publication.**

## *From the President*

*Terry Reed*

Here it is February already. Just two more months left of the season. This an important time in the IWPA. It's election time. It's your time to be heard. Cast your votes for board members and championship judges.

There is also the General Membership Meeting coming up at the Championships in April. If you are unable to attend the meeting and have something you want discussed contact someone you know will be there or send me an email so that your opinions and concerns can be brought up.

As we wind down to the end of the season it is very important that you all keep track of your dog's finishes in each event. If you see any discrepancies in points or finish results for your dog notify the statistician as soon as possible. Please don't wait, the sooner things can be corrected or explained the better.

Remember there is a short turn around between the last day of the season and Championships. In that short 3 – 4 weeks the statistician, Sue Ferrari, has to get all the points finalized and forwarded to Awards Chair, Donna Libby. Donna then not only has to put together and mail out invitations to competitors, she also has to send the medals list to the engraver for the medals to be completed.

One thing to be especially aware of is if your dog is in 4<sup>th</sup> or 5<sup>th</sup> place and has defeated one of the top three at anytime during the season. Don't assume that the Statistician or Awards Chair already knows. Help them out and drop them a line with the information. Be sure you let them know your dog's name, the name of the medalist that was defeated and the name and date of the event. This way they can verify it quickly with out having to search through the entire season.

During this process I want to remind you that all these people mentioned are volunteers. They all have other things in life to contend with and sometimes IWPA business is not first priority. Keep this in mind when you need to contact any of them, or any other board member or committee chair. If you leave a message and you do not hear back right away be patient they will get to you.

I look forward to seeing everyone at the Championships.

Terry Reed  
IWPA President

## From the Elections Chair Stephanie Pitz

Just a reminder ballots must be returned to me postmarked no later than February 15th, 2012. If you have not received your ballot please contact me as soon as possible to determine if your membership has voting privileges.

If you want your votes to count be sure to get your ballots returned before the deadline! If they are not your ballots will not be included in the final tally.

Sincerely,

Stephanie Pitz  
(231)920-2177 or  
dogladyrecue@hotmail.com

## Championship Beneficiary

### Dogs4Diabetics

Dogs for Diabetics is a charitable, tax-exempt, 501(c)(3) organization dedicated to improving the lives of all insulin-dependent diabetics, empowering individuals, children and families to achieve lifelong successes with their disease. To fulfill this mission, Dogs4Diabetics provides quality medical alert dogs to insulin-dependent diabetics through programs of training, placement, and follow-up services. Dogs4Diabetics strives to set high standards for medical alert service and to be recognized as a organization of dedication, integrity, and service. The organization is a fully accredited member of Assistance Dogs International.

Dogs4Diabetics assistance dogs have been specifically trained to identify, and more importantly, *act* upon the subtle scent changes that hypoglycemia (low blood glucose) creates in body chemistry—changes undetectable to their human companions. These dogs play a critical role for their partners in their diabetes management.

This non-profit organization was established and operates to do the following:

- Train and certify its dogs for hypoglycemia (low blood glucose) medical alert.
- Study and develop training protocols for the Dogs4Diabetics program.
- Qualify children and adults with diabetes for placement and service of its dogs.
- Train diabetic children and adults for the proper use and care of its dogs.
- Conduct placement follow-up services of clients with their diabetic alert dogs..
- Educate businesses, organizations and the public to the uses and rights of certified Dogs4Diabetics medical alert dogs.

Happy Valentines Day!
