## *From the President Terry Reed*

*It's finally that time. The Championships are here. I know it is not reality to expect everyone to go but I am hoping for a great turnout this year. Your hosts have worked hard to get things organized and we should reward their efforts if at all possible. If you have ever organized an IWPA Championship you know the hard work, time and effort that go into it.*

*So with that said be sure to check this issue for important information and deadlines. Information like the Awards Banquet, be sure to make your reservations and have your money in on time. Also if you would like your canine athlete in the Championship Program be sure to get the information to Donna Daymude by April 15<sup>th</sup>.*

*On a side note the annual IWPA Board Meeting is scheduled for June 3 & 4 in Estes Park, Colorado. We will need to appoint people to fill three positions. An appointment is a 1 year term and a good chance to get your feet wet to see if you would be interested in running for election. If you would like to be considered for one of these empty seats contact me or any of the current board members prior to June 1<sup>st</sup>. It is not a requirement that you be at the board meeting for an appointed position, but it would be better if you were. Mainly so you would be able to participate in the meeting.*

*One more pull to go this season. Let's all do our best to get to the event and have fun while we are there. Good Luck to all the competitors in the 2012 IWPA Championships.*

*Terry Reed*

## Championship Beneficiary Dogs4Diabetics

Dogs for Diabetics is a charitable, tax-exempt, 501(c)(3) organization dedicated to in-proving the lives of all insulin-dependent diabetics, empowering individuals, children and families to achieve lifelong successes with their disease. To fulfill this mission, Dogs4Diabetics provides quality medical alert dogs to insulin-dependent diabetics through programs of training, placement, and follow-up services. Dogs4Diabetics strives to set high standards for medical alert service and to be recognized as a organization of dedication, integrity, and service. The organization is a fully accredited member of Assistance Dogs International.

Dogs4Diabetics assistance dogs have been specifically trained to identify, and more importantly, *act* upon the subtle scent changes that hypoglycemia (low blood glucose) creates in body chemistry—changes undetectable to their human companions.

These dogs play a critical role for their partners in their diabetes management.

This non-profit organization was established and operates to do the following:

- Train and certify its dogs for hypoglycemia (low blood glucose) medical alert.
- Study and develop training protocols for the Dogs4Diabetics program.
- Qualify children and adults with diabetes for placement and service of its dogs.
- Train diabetic children and adults for the proper use and care of its dogs.
- Conduct placement follow-up services of clients with their diabetic alert dogs..
- Educate businesses, organizations and the public to the uses and rights of certified Dogs4Diabetics medical alert dogs.

## Tips for traveling to Championships!

Be sure to pack Health records including vaccination details for each of the dogs you are traveling with. Also telephone number and registration numbers for any microchip recovery company your pet may be signed up with. It is a good idea to also have a picture of your pet with this information.

If your dog has recently been on any medication be sure to get a note from the vet documenting the medication and whether it is performance enhancing. You will need to provide this to the Chief Judge at the Championships during weigh in.

Make sure you pack enough waste bags to clean up after your dog/s during your trip! Not only is it being a responsible pet owner it is also a requirement within the Pulling Rules of the IWPA!

**How old is your Dog?**

Multiplying your dog's age by 7 is easy, but it isn't very accurate. This more carefully graded system piles the equivalent human years onto a dog's life more quickly during the dog's rapid growth to maturity. One "dog year" equals 4 "human years" from ages 2-14 and 2 1/2 "human years" thereafter.

dog years	human years	dog years	human years	dog years	human years	dog years	human years	dog years	human years
