## FROM THE PRESIDENT

Terry Reed

Well folks it looks like we have come to the end of another IWPA Weight Pull Season.....almost. We still have the Championships to finish off the season.

If you are making plans to attend this year's Championships be sure to check elsewhere in this edition of the newsletter for information. There is information that will be very important to your travel across the border. There are also links to websites with even more information.

Sean and the Western Canada Weight Pullers have worked hard to plan this event and I hope those attending will not only enjoy themselves but will also let our hosts know how much their efforts are appreciated.

Be sure and make your banquet reservations and send your dog bio's in a timely manner. This will help relieve some of the stress of last minute issues.

I wish all of you heading to Championships safe travels and I'll see you in Canada, eh.

Terry Reed

## CANADA BORDER SERVICES AGENCY

[www.cbsa.gc.ca](http://www.cbsa.gc.ca)

The following information is from the above website. Please visit this website for additional information in regard to requirements for personal entry including proper identification and declaration of goods.

### Importing Domestic Dogs Dogs Eight (8) Months of Age or Older From Countries Not Recognized by Canada as Being Rabies-Free

---

#### Import requirements

Dogs may enter Canada if they are accompanied by:  
a rabies vaccination certificate.

The **rabies vaccination certificate** must:

- be written in English or French;
- be issued and signed by a licensed veterinarian;
- identify the animal (as in breed, colour, and weight);
- state that the animal is vaccinated against rabies;
- indicate the date of vaccination;
- indicate the trade name and the serial number of the licensed vaccine; and
- specify the duration of immunity (otherwise, it will be considered valid for one year from the date of vaccination).

#### Additional Information

Canada does not require a waiting period between the time the animal is vaccinated for rabies and the time the animal is imported into Canada.

If the dog does not meet the import requirements relating to rabies certification, owners will be required, at their own expense, to do the following:

- have the animal vaccinated against rabies within a specified period of time; and
- provide the vaccination record to a Canadian Food Inspection Agency office.

### Importation of Domestic Cats and Dogs - Inspection Fees

---

Cats and dogs imported into Canada will have a documentary inspection by [Canada Border Services Agency](http://www.cbsa.gc.ca) (CBSA) to ensure the vaccination is current and the animal description matches. During this visual inspection, CBSA ensures that there is no visible sign of illness. In certain cases, dogs and cats imported will require a Canadian Food Inspection Agency (CFIA) inspection for which CFIA inspection fees apply. The fee must be paid at the time of inspection.

For additional information on CBSA [fees](#) please visit their website.

The current fees are:

\$30.00 + tax for the first animal in the shipment; and  
\$5.00 + tax for each additional animal in the shipment.

If the shipment does not meet Canada's import requirements (even if the animal is being imported from the United States), the animal will be ordered to undergo vaccination against rabies within two weeks of its arrival, and the following fees apply:

\$55.00 + tax for the first animal in the shipment; and  
\$30.00 + tax for each additional animal.

## WHO KNEW???

Eliminate ear mites. All it takes is a few drops of Wesson Corn Oil in your coat's ear... massage it in, then clean with a cotton ball. Repeat daily for 3 days. The oil soothes the cat's skin, smothers the mites and accelerates healing

Kill fleas instantly... Dawn Dishwashing Liquid does the trick! Add a few drops to your dog's bath and shampoo the animal thoroughly. Rinse well to avoid skin irritations. Good-bye fleas!!!

Rainy day cure for dog odor: Next time your dog comes in from the rain, simply wipe down the animal with Bounce or any dryer sheet, instantly making your dog smell springtime fresh (or the scent of your choice).
