Note from the President:

From the President

Greetings, Members!

Some of you are still looking at 13' high piles of snow, and some have already seen 90 degree temperatures! Regardless, hopefully many you can converge on a single location in Tennessee for our annual International Weight Pull Championships.

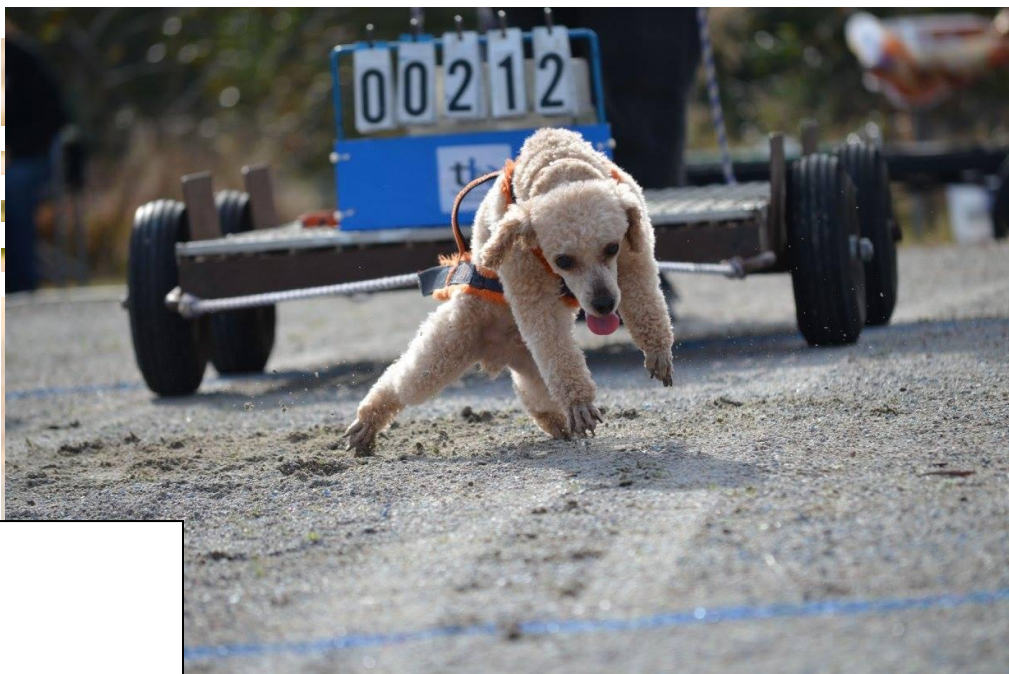

It has been a challenge this year, resulting in some unusual changes, but it is happening and I hope everyone will be able to support it.

I'd like to thank W. CLAY FONVIELLE for getting the ball rolling on holding Championships this year, the Hickman County Weight Pullers for sponsoring the event and Emmanuel Faxio and Jenn Cook for agreeing to take over as co-organizers so that Clay can help judge.

Look for Championships details in this newsletter, and watch for your invitation to Championships in your email!

I hope to see those of you who qualified at the event!

--Connie Meech

Message from the Championships Host! 2025-2026 Championships

Greetings IWPA members! The 2025-2026 Championship event is fast approaching. The Hickman County Weight Pull Pros wanted to send one last detailed announcement before the big event. The Championship on wheels and snow on wheels will be held on Sunday May 10, 2026 at the Global K9 Facility. Please bring your own seating and or canopies to set up. It's May in Tennessee, so make sure that your dogs are hydrated and have plenty of water on hand! Food and refreshments will be provided at the event this year free of charge. All we ask is that if you are planning to attend, PLEASE rsvp and let us know if you have any dietary restrictions so that we can plan accordingly. We are looking forward to seeing you all at our first no line Championship event next month. Travel safely.

If you would like to be included in this year's program, please submit your bios and pictures to Sean Hammell by April 26, 2026 at seanhammell@hotmail.com

FROM SANCTIONING/STATISTICIAN CHAIR

Jean Wilson

As we near the end of the season, I want to thank the organizers for sending your results to me so promptly. Most events didn't require me to contact the organizers to verify data. This really does help me load the information and get it to the Web Master and Newsletter in a timely fashion.

I also want to remind everyone, (organizers and members) of a couple of extremely important items:

- 1) Look at the results closely to ensure there aren't any errors. If you are a member and see something that looks questionable, first contact your organizer and have them check the data. If there appears to be something that needs correcting, the organizer should connect with me so we can check it out.
- 2) Organizers of pulls held the last two weeks of the season are required to E-MAIL or OVERNIGHT their finish report, finance report, organizer report & payment to me within one (1) working day. This is to ensure that we can review the results and get Championship Invitations out in a timely manner.

If you have any questions at all, please feel free to contact me.

Jean

March in Baxter - NO LINE

Baxter, Tennessee (1196 Bloomington Road)

Pull: 32 -- Organizer(s): Franklin, Sheryl Wheels on Natural Region 7
 Track: Grass over hard gravel Date: 15-Mar-26
 Weather: Verywindy, at times extreme, sun and clouds, 60s Day 1 of 1

*No line made a difference for all our pro pullers, except one who didn't need to be close.
 Excellent novice class of 13. Each dog has potential, each handler has potential. Most were
 at our December pull, but some new ones as well. The ones who pulled in December made
 progress, especially Stella who is deaf. About 5 ready to pull prol*
