## FROM THE PRESIDENT

Terry Reed

Hello IWPA Membership,

You will find elsewhere in this edition of the IWPA Pulling Power Newsletter an article from Judges Chair Bob Sencenbaugh outlining the “Handicap/Disability Rule”.

I would like to take it a step further and provide some background information. I obtained this information from researching past Board Meeting Minutes. Unfortunately I have not had the opportunity to listen to the actual tapes of the meetings to gather any additional discussion not in the minutes.

That being said this rule was first discussed at the 2003 Board Meeting held in Nokesville, VA. At that meeting it was discussed as the last item of business. The official minutes read; Handicap Rule discussed, a required doctor’s certification was the result. This will include temporary injuries, such as sprain, breaks, etc. If it happens at the pull site there should be witnesses, lacking witnesses, at the discretion of the Chief Judge.

Motion: “If a disability exception is requested, to meet the criteria to qualify for the exception provision, the handler must present a doctor’s certification of disability that the disability would prevent the handler from following IWPA rules. M/S/C

That was the last part of the discussion at that meeting.

At the 2004 IWPA Board Meeting in St. Louis, MO. The rule was again brought up under new business. The official minutes read; Disability ruling: Motion: that last year’s disability ruling “be added to the standing rule under article 1, subsection 1” M/S/C

As I previously stated, unfortunately I have not been able to listen to the actual meeting taped minutes. However, there is no indication in the official minutes that the rule was aimed at any specific existing rule. At that time there was a False Start Rule which would be likely what it was for. But the actual rule reads “prevent the handler from following IWPA **Rules**.”

When the False Start Rule was repealed then Rule 5 C 2 was implemented. This rule states in part “there shall not be any communication or contact with the dog, pulling surface or equipment between the start and finish line. The handler cannot touch the dog until the pull is complete.

After reviewing the complete rule booklet this appears to be the only rule affected by the handicap exception.

Therefore if a handler has proper documentation and evokes the handicap exception as long as the handler is making a legitimate effort to move directly across the finish line and does not initiate any contact with the dog between the start and finish line there should be no disqualification if the dog touches the handler. Once past the finish line they are still held to not touching the dog before the pull is complete.

This rule has already been put on the agenda for the annual board meeting for review and possible revision. In the meantime don’t hesitate to contact Bob Sencenbaugh or me with any issues.

Until next month watch your mail for your ballots.

Terry Reed  
President

## FROM THE JUDGES CHAIR

Bob Sencenbaugh

I recently received a request to explain the IWPA handicap rules. To do this I requested assistance from your board. Here is the rule that was put in place. It was required as we had to comply with the Americans with disability act. When it was put in place we still had a false start rule in place and it made a huge difference. While we have now done away with the false start we are still experiencing issues. The rule is:

### **STANDING RULES SECTION 1 DISABLILITY/HANDICAP**

**If a disability exception is requested, to meet the criteria to qualify for the exception provision, the handler must present a doctor's certification of disability that the disability would prevent the handler from following IWPA rules.**

The board is advised that this rule is still in place and it effects rule 5C which is as follows:

Handlers shall position the dog and proceed directly across the finish line if calling or behind the front of the cart if driving without stopping or hesitating; there shall not be any communication or contact with the dog or equipment. Once the handler has crossed the 16-foot line, they may not make contact with the dog, pulling surface or equipment between the start and finish line. **The handler cannot touch the dog until the pull is complete.**

Note the part of the rule that is highlighted. Persons with a disability will not be able to comply with this rule when at low weights the dog eagerly races to them. Since we not only need to continue to comply with this rule and ADA but we want this to be about the dogs a little common sense is involved. If you have a competitor that has a handicap license plate or a mirror tag a doctors certification would not be required. The best way to assist a handicap person would be for a second person to hold the dog at the start until the handler is in position then exit directly out of the back of the chute without communication of any kind with the dog. We cannot enforce this procedure the way the rule is currently written. You the judge and the organizer will have to work out how you will comply with the rules and the ADA.

This rule will be discussed at the annual board meeting in hopes to make it much clearer for you all. The bottom line is, we still have handicap waivers in place and they must be enforced. I would recommend that we don't set things up so a handicap person is injured further by the dog.

Thanks,

Bob Sencenbaugh  
Judges Chair

## **BOARD NOMINATIONS**

### **Beverly Detwiler – Region 5:**

I am the Manager of Administration and CFO for U.S. Luge Association (the national governing body for the Olympic winter sport of Luge). Also, the IT person and in charge of recruiting, training and coordinating our 110 national and international level Luge Race Officials.

I started out with Siberian Huskies back in 1972. In 1975, I acquired my first Samoyed. I currently have five Samoyeds with the youngest being a fourth generation of my breeding.

In 1990, I joined my local dog club (AHPDTC) in Saranac Lake, NY; a very active obedience club. I was instrumental in bringing breed classes into the club, changing the membership dues structure, revising the bylaws, and setting up sponsored herding events with AHBA. I was the club statistician and awards chair person from 1990 to 2011. I produced its newsletter for 5 years and have been a board member off and on for 9 years, President for 4 years, our fun match chair person for 1 year, and breed chair person 5 years. I am an AKC CGC evaluator and an instructor of our club's dog classes from Star Puppy and beginner through open and rally.

I became a member of IWPA in 1999 on the recommendation of longtime member Dan Plosila. I became hooked with the fun of the fellow members in our region and the dedication of the organization as a whole to the dogs and the sport. About 8 years ago, I became an IWPA Judge. I help the organizers in my region with setup and tear down and enjoy helping out with Novice Clinics. I believe in interacting with our spectators and educating them to what we are doing with our dogs and hope that this leads to them wanting to participate with their own dogs.

I have been an IWPA Board Member for 1 term and would like to serve for another term to assist our members in any way I can.

I have been honored to be on the Board to represent our membership and assist with the goals and direction of the organization and hope that you will elect me.

Thank you,  
Beverly

### **George Ferrari – Region 2:**

Hello,

I'm George Ferrari from Region 2, Washington State. I am a past President, Judge Chairperson and Board member, having been a member since Hector was a pup. Which means since 1999. This is an organization that I firmly believe in and would love to represent all our members again on the Board.

I would appreciate it, if you would believe in me and give me your vote. Thank you all.

Thanks,  
George

### **Cheryl Martin – Region 9**

My name is Cheryl Martin and I am your current treasurer to the board of the IWPA. I have been on the board of directors in past seasons and I would like to have your vote for this election. I have been the treasurer for many seasons, as well as an organizer, judge, and organizer for a prior championship. I would like to be on the board to continue aiding in the integrity and growth of our organization as well as upholding the rules and regulations which govern our long standing organization.

Thank you for your consideration.

Cheryl

**Robbie Reed – Region 9**

Hello Membership,

I'm Robbie Reed, Region 9 member. I and husband Terry have been members with the IWPA since the 1990/1991 season. Through the years, I have volunteered for numerous committees including Working Dog, Grievance, Newsletter, Drug Testing, Standing Rules/Forms, Animal Welfare/ Education, Hall of Fame, Regional Coordinator, Secretary to the Board and have served on the Board of Directors as President and Vice President.

I have always worked extremely hard to improve this organization and consistency throughout all Regions. I strive to work for the best interest of the organization as a whole and for its membership. I feel it is everyone's responsibility to protect this great organization's professional standard and to be great ambassadors for this sport.

I ask for your support and vote in this coming election.

Best Regards,  
Robbie Reed

**Bob Sencenbaugh – Region 9**

I got my first dog in 1984, a Samoyed. I immediately discovered dog pulling activities including ski-journing and dog sledding and weight pull. I have been involved with pulling dogs since then. I became a member of IWPA soon after. I have been serving on the board of IWPA and I am currently serving as your Judges chair. I am a chief judge and an organizer putting on 4 - 5 pulls a year. I have Samoyeds and also put on the Samoyed Club of America National dog pull.

I would like to continue to serve IWPA on the board.

Bob

**Jean Wilson – Region 6**

My name is Jean Wilson and I am running for a seat on the IWPA Board of Directors.

I live in northern Michigan with my husband of 36 years and our 2 Mastiffs, and 2 Newfoundlands. I've worked with dogs my entire adult life, focusing on learning how to develop better ways to communicate with my four footed best friends through obedience training, tracking, showing, therapy work and competing in weight pull.

I have been a member of the IWPA through Region 6 since 2010 and this is my second season of judging. In 2010 I entered this sport with my Mastiffs and now compete with my Newfoundlands. For the past 4 years my Newfoundland, Micky has been an ambassador of the sport in local festivals where I've organized pulling demonstrations as well as fun pulls to promote the sport while helping to support our local Humane Societies. This is also my second year of teaching the sport at Camp Dogwood in Wisconsin with another IWPA member and I am thrilled when I bring another puller into the sport. In an effort to peak local interest and expand our local membership, I've started organizing pulls on my property. Micky, my rescue has truly changed the course of my life by taking us to faraway places and allowing us to make more friends through this sport that I could ever have dreamed of. I absolutely love the sport and thrive on educating others about weight pulling and working hard to reverse the negativity that can shadow the sport by those that don't have the knowledge to make an informed opinion. I've pulled in well over 100 competitions, local, regional, national and international with a number of different weight pull organizations and feel I've gained a good, rounded perspective of the sport as a whole. I feel that my passion for the IWPA, my objectivity, professionalism and attention to detail would be an asset to the organization as a whole by me becoming more involved. I would appreciate your vote to allow me to serve you from a seat on the Board of Directors.

Thank you,  
Jean
