FROM THE PRESIDENT
George Ferrari

Happy Holidays everyone,

So, did everyone gobble until you wobbled? I know I tried to. LOL

I hope you have all been good this year, so Santa doesn't have to make a coal run. We all know the dogs have been GREAT and deserve extra in their stockings. I would like to remind you about the holidays and the whole list of things that could harm your dogs. There are lists everywhere on what is harmful to them.

Can you believe it's almost half way through the season? I know I can't. Before we know it, Championships will be around the corner. I hope you all consider coming to the Evergreen State this coming year.

Please remember to watch for any errors on my wife's part and let her know right away if you see something that doesn't look right. She does this usually late at night, and mistakes are bound to happen.

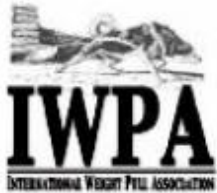

Lots of great pulls are still coming up. Please get out and have some fun with your furry friends.

I hope you all enjoy the upcoming holidays with friends and family, near and far.

HO HO HO,

George

P.S. and yes my wife typed this – while I was out of town.

International Weight Pull Association Working Dog Degree Program

Your dog must meet the criteria below to be eligible for the various working dog degrees. When your dog has achieved the required number of pulls for a degree (at an IWPA Sanctioned or IWPA Approved pull) and you have completed the application forms for each pull, send the forms and \$10 U.S. Funds for each certificate requested to the Working Dog Chairperson, after September 1. Your certificate will be mailed to the address on the application form. Please complete all blanks on the forms to aid in the processing of the certificates. All pulls required for a certificate must be achieved in no more than two consecutive program years. The program year is from September 1 to August 31 the following year.

Requirements for Certificates

Snow

1. IWPA Working Dog: the dog must pull 5 times its own body weight in 4 different pulls on snow.
2. IWPA Working Dog Excellent: the dog must pull 10 times its own body weight in 4 different pulls on snow.
3. IWPA Working Dog Superior: the dog must pull 15 times its own body weight in 3 different pulls on snow.

BOARD NOMINATIONS

Sue Ferrari – Region 2

Hello members,

Most of you know me as your Sanctioning Director and Statistician. I am Sue Ferrari and am asking for your vote to be on the IWPA Board for the year starting in 2017. I have been a past Vice President, I have served you all on the board, I've been a judge for many years, and helped host a couple Championships. This is an organization that I feel strongly about, as you can tell by my commitment to this group. When you make for X in the boxes for Board members, please remember that I want to be your voice. Thank you!

Sheryl Franklin – Region 7

My name is Sheryl Franklin, and I am officially running for the IWPA Board of Directors. I've been a member of the IWPA since 2007, pulling my Alaskan Malamutes, Sebastian and Cinnabar. Sebastian is now retired, and Cinnabar is in his final year of pulling. I'm now working with my younger Malamutes in weight pull. I've been a judge for quite a number of years. I've organized pulls in PA, TN and NC. I was appointed to the Board to fill a 1 year vacancy in June 2014, and subsequently elected to the Board later that season. I am currently Committee Chair for Animal Welfare. As such, you may have read some of my articles in the newsletter. I'm also the webmaster for IWPA.net. I enjoy working with our other Board members to make the IWPA the best it can be for all our members, and our dogs.

Most of my time with IWPA was in Region 5, but for the past 3 years I have been in Region 7. It is my privilege to grow Region 7 in Tennessee and the surrounding area. I love working with people new to the sport and watching their dogs grow in the sport. I will continue working to get more people and dogs into the wonderful world of weight pulling, and being an ambassador for IWPA.

I'm also pulling hard to get PayPal as an option on the website for all transactions.

I appreciate your consideration in voting for me for the Board of Directors.

Sheryl Franklin

Susan Gallagher – Region 5

My name is Susan Gallagher. I have been a member of the IWPA and pulling dogs for over 10 years. I have served on the board of directors for this past term, also serving as the Regional Coordinator, Awards Chair and Working Dog Chair. I would very much like to continue representing my contingents in this capacity.

My husband and I live in Vermont, raising and loving Alaskan Malamutes. We started in weight pulling with our first rescue malamute Takani who desperately needed a job. Our start with him has led us down a trail of great competition with some fantastic dogs and friendships forged with many other people who love this sport. We have competed extensively in our region (Region 5) and also at IWPA Championships as well as other organizations. Our first choice in groups to pull in is the IWPA. We have been active and involved in the progression of this organization for more than 10 years. For this reason, I would truly like to be considered by the membership to be elected again for a seat on the board of directors.

When sending in your vote, please vote for Susan Gallagher. I will do my best to represent my region and the entire organization consisting of those who love this sport as I do.

Cheryl Martin – Region 9

My name is Cheryl Martin and I am your current treasurer to the board of the IWPA. I have been on the board of directors in past seasons and I would like to have your vote for this election. I have been the treasurer for many seasons, as well as an organizer, judge, and organizer for a prior championship. I would like to be on the board to continue aiding in the integrity and growth of our organization as well as upholding the rules and regulations which govern our long standing organization. Thank you for your consideration.

Jean Wilson – Region 6

My name is Jean Wilson and I am running for a seat on the IWPA Board of Directors.

I live in northern Michigan with my husband of 37 years, our 2 Mastiffs, and 2 Newfoundlands. We have 2 sons and 5 grandchildren. I have been a Practice Administrator for a large medical group for the past 16 years, working in the medical field since 1982. I've been working with dogs my entire adult life, focusing on developing better ways to communicate with our four footed best friends through obedience training, tracking, showing, therapy work and weight pull.

I've been a Region 6 IWPA member since 2010 and this is my third season of judging. I felt very privileged to be asked to judge in the 2015-2016 Championships and be able to experience it from a different perspective. I began this sport with my Mastiffs, and now my husband and I compete with our two Newfs. For the past 5 years my Newf, Micky has been an ambassador of the sport in local festivals where I've organized pulling demonstrations as well as fun pulls to promote the sport while helping to support our local Humane Societies. This is also my third year of teaching the sport at Camp Dogwood in Wisconsin with another IWPA member and the informal competition has become the highlight of the camp. In an effort to peak local interest and expand our local membership, I organize pulls on my property. This year, as a result of a pulling demonstration, I was excited to bring new members into the organization.

Micky was a rescue that truly changed my life by taking us to places and allowing us to make more friends through this sport than I could have ever imagined. I absolutely love the sport and thrive on educating others about weight pulling. I work hard to reverse the negativity that can shadow the sport by those that don't have the knowledge to make an informed opinion. I've pulled in well over 100 competitions, local, regional, national and international with various weight pull organizations and feel I've gained a good, rounded perspective of the sport as a whole. I want to see the IWPA become stronger and see our membership numbers grow. I believe that my passion for the IWPA, along with my personal work ethics gives me the objectivity, professionalism and attention to detail would be an asset to this organization. I feel I have a lot to contribute and would be honored if you would allow me to represent you from a seat on the Board of Directors."

Safe Vegetables for Dogs

By Sheryl Franklin (adapted from various online articles)

The following are 11 safe, good vegetables for dogs, with suggested cooked preparations and portion sizes for treats. Recommended to talk to your veterinarian about any treats you feed your dog, including vegetables.

Potatoes

- **Preparation:** Wash thoroughly, and slice into narrow wedges. Don't peel the potato. Coat with a little olive oil and place on cookie sheet. Roast in oven (425 degrees Fahrenheit) for at least 20 minutes on each side. Roast longer if your dog likes them crispier.
- **Dog treat portion size:** 1 or 2 wedges, depending on dog's size
- **Benefits:** Good source of vitamins C and B6, potassium, manganese and fiber.

Asparagus

- **Preparation:** Remove the fibrous ends from the asparagus spears and wash them thoroughly. Toss them with olive oil and grill 30 to 60 seconds on all sides.
- **Dog treat portion size:** Cut into bite size pieces. Feed one to two pieces.
- **Benefits:** Great source of Vitamin K. Good source of Vitamins A, B1, B2, C and E, folate, iron copper, fiber, manganese and potassium.

Broccoli florets

- **Preparation:** Cut broccoli into small florets and wash thoroughly. Place in a steamer and follow the directions. Using a stove, put florets in an open vegetable steamer in a pot with boiling water and cover. Steam for about 6 to 8 minutes until crisp yet tender and bright green. You can also microwave them by putting 2 cups of broccoli florets in a microwave-safe container along with an inch of water for about 5 minutes.
- **Dog treat portion size:** One or two bite size florets
- **Benefits:** Great source of Vitamins C and K. Good source of Vitamin A, folate, manganese and fiber.

Brussels sprouts

- **Preparation:** Choose Brussels sprouts that are green, feel firm and don't smell too strong. Wash thoroughly and cut off the stems, leaving enough stem that the leaves are still intact. Some chefs advise cutting a little X to in the stem to help the core to cook. You can then microwave the sprouts with water for up to 8 minutes, steam them for 5 minutes or boil the sprouts for up to 10 minutes – a little less for more crunchiness.
- **Dog treat portion size:** 1/2 to 2 sprouts, depending upon the dog's size
- **Benefits:** Great source of vitamins K and C. Good source of manganese, folate, fiber, potassium and vitamins A, B1 and B6.

Carrots

- **Preparation:** Remove ends and thoroughly wash. Cut into bite size treats and cook in a pot of boiling water for about 10 minutes or steam for two to six minutes until tender.
- **Dog treat portion size:** One or two bite size pieces
- **Benefits:** Great source of vitamin A. Good source of vitamins K and C, fiber and potassium.

Cauliflower

- **Preparation:** Wash thoroughly. To grill the cauliflower, leave a little stalk intact. Marinate the cauliflower for 30 minutes in olive oil and then grill for 5 to 6 minutes on each side until crisp yet tender.
- **Dog treat portion size:** 1 to 2 florets, depending on the dog's size

- o **Benefits:** Great source of vitamin C. Good source of vitamins K and B6, folate and choline.

Cucumbers

- o **Preparation:** Wash thoroughly, peel, cut in half and remove seeds. Cut into bite size pieces. Place pieces into pot with boiling water for about 5 minutes. Empty pot into strainer. If the cucumbers are a bit bland, you can add dog-safe seasoning. (No salt)
- o **Dog treat portion size:** 1 to 2 bite size pieces
- o **Benefits:** Good source of vitamin K.

Edamame

- o **Preparation:** Edamame is conveniently available as a frozen vegetable in your local food store. Steam these boiled green soy beans according to the directions on the bag.
- o **Dog treat portion size:** One to five unsalted, out-of-shell beans. Note: Always watch your dog eat small food items as he could choke on them in his excitement to gobble them down.
- o **Benefits:** Great source of protein, iron, fiber, vitamin K, Omega-3 fats, phosphorus, vitamin B2, potassium, copper and magnesium.

Green beans

- o **Preparation:** Wash thoroughly and cut off ends. Use a covered pot to cook green beans in boiling water for about 10 minutes. Serve when cool. You can also cook green beans, brown rice and chicken in chicken broth to serve dogs with an upset tummy.
- o **Dog treat portion size:** 1 to 2 bite size pieces
- o **Benefits:** Good source of vitamins C, K and A, manganese and fiber.

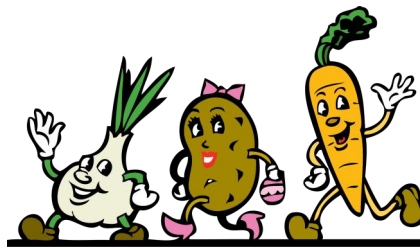

Peas

- o **Preparation:** Fresh peas are usually available as snow, sugar snap or English peas. English peas must be shelled. Snow and sugar snap peas' shells are edible. You can grill sugar snap and snow peas for about 3 minutes on each side, first lightly coating with olive oil if you prefer. For English peas, you need to shell them first. Cook the peas (minus their pods) in boiling water only two to four minutes until they turn bright green. Drain in a colander.
- o **Dog treat portion size:** One or two Sugar snap or snow peas. For English, 1 or 2 tablespoons – depending on the dog's size
- o **Benefits:** Great source of vitamin K, and C. Good source of manganese, fiber, folate, phosphorus, protein, magnesium, copper, iron, zinc, potassium and vitamins B1, A, B6, B3 and B2.

Sweet potatoes

- o **Preparation:** Sweet potatoes make a great chew if you dehydrate them. Cut them lengthwise, 1/4-inch thick. Just follow the vegetable dehydration instructions included your dehydrator. You can also feed your dog mashed sweet potatoes. To prepare, peel and wash potatoes. Cut into quarters. Put into boiling water in a large pot and simmer for about 20 minutes. Test potatoes with a fork. When they are fully tender, remove from pot, place in a heat-resistant container and mash with a potato masher.
- o **Dog treat portion size:** Half or one dehydrated chew, depending on size of dog. Mix 1 to 2 tablespoons of mashed sweet potato in dog's dry dog food.
- o **Benefits:** Great source of vitamin A. Good source of vitamins C, B6 and B5, manganese, potassium and fiber.

Remember, there are some vegetables you should not feed to your dog. Never offer your dog onions or fresh garlic. Talk to your veterinarian if you have questions or concerns regarding vegetables and your dog's diet.

UP COMING HAPPENINGS WITHIN THE IWPA

- o Championship Information
- o You should be receiving your ballots in the mail in January
- o Return your ballots postmarked by February 15th
- o Be watchful of your dog's points. If corrections need to be made contact the organizer of the pull and let them know. Then the organizer needs to contact Statistician Sue Ferrari to make any corrections.
- o Being an organizer of a dog pull takes a lot of effort and coordination. You can help by simply assisting to set up and tear down pull chutes and equipment. Every little bit helps!
