FROM THE PRESIDENT

George Ferrari

It seems like I just wished everyone Happy Thanksgiving yesterday, but I guess it was last month. I hope everyone is in good health and busy getting ready for the holidays.

The pulls are coming in, even a few snow pulls have occurred already. Our pups are doing well so far this year. I hope everyone is enjoying the season and working hard to go to Championships this year.

You will note that elections are coming up in January. It is your time to have your voices heard. Please do your part and vote.

Keep an eye on your points and notify Sue if things do not look right so she can fix it prior to the end of season.

Wishing all a blessed Christmas and a Merry New Year!

George  
President

## 2017-2018 NOMINATIONS FOR THE IWPA BOARD

Below are the nominations for the Board for the election that will take place in January thru February 15. There are 5 positions open with 6 people nominated. Ballots for the Board Election and the Judges for the 2018 IWPA Championships (which will be held in Grand Rapids, MI) will go out in the mail the first week in January. Remember, your vote does count.

Happy Holidays to you all!

Beverly Detwiler, Elections Chair

### **George Ferrari – Region 2**

Hello my name is George Ferrari, as most of you members know me being the current president of the IWPA. I have served as your president for three years, two consecutively. I am asking for your support in running for a vacant board position this year. I will strive to do the best for the IWPA and its members as I have in years past. It takes a lot of hard working volunteers to keep this great organization moving forward. I would appreciate your vote. Thank you.

### **Brenda Lemon – Region 11**

My name is Brenda Lemon, and I am running for the IWPA board of Directors. I have been a member of IWPA for many years and have served on the board numerous years. I am presently holding the Vice President position. I work, train and love Malamutes. At this moment, I have 3 mals at home – 1 retired champion wgt. puller, 1 wgt. pulling princess and 1 youngster that is looking good in training. (Watch out we may have a baby Raider!) I am also a Judge and help organize pulls. You will usually see me in Regions 5, 7 and 11. I really enjoy working with the board members and all the pullers from all around. I would like to be on the board to continue to express everyone's comments, concerns and ideas. When you are sending in your votes this year please remember that I want to be your voice.

Thank you!

### **Cheryl Martin – Region 9**

My name is Cheryl Martin and I am your current treasurer to the board of the IWPA. I have been part of the IWPA organization since the 2001 season. I have been on the board of directors in past seasons and I would like to have your vote for this election. I have been the treasurer for many seasons, as well as an organizer, judge, and organizer for a prior championship. I would like to be on the board to continue aiding in the integrity and growth of our organization as well as upholding the rules and regulations which govern our long standing organization. Thank you for your consideration.

### **Rodney Martin – Region 9**

My name is Rodney Martin and I have been a member of the IWPA since 2000. I have served on the board in previous years, and have been the membership chair since 2005. As a member of the IWPA, I have sanctioned pulls, put on the 2007 championships with the aid of the members of Region 9, and was previously the Region 9 representative. If voted onto the board of directors, I will always work to keep the integrity of the organization as my first priority. I am proud to serve the IWPA in this capacity.

### **Bob Sencenbaugh – Region 9**

I got my first dog in 1984, a Samoyed. I immediately discovered dog working activities I have been involved with weight pulling dogs since 1989. I became a member of IWPA soon after. I have served on the board of IWPA and I am currently serving as your Judges' chair. I would like to continue to serve IWPA on the board. Right now all my dogs are retired but I continue to act as an organizer and chief judge and I am looking for that next puppy to train.

### **Valarie Thawley – Region 11**

I've been in IWPA for 15+ yrs.. I'm not a judge, but have been involved in setting up and running wt pulls. I'm involved in several different dog organizations/club. In which I volunteer in helping, out at events and shows. Last year I was the IWPA Championship Chairperson, and have been asked to take on this year Championships.

I would like to run for the board. I believe in bringing in a fresh pair of eyes and different ideas. I believe in this organization and would like to see it grow.

Thank you for your support.

## **FROM BOARD SECRETARY/FORMS CHAIR**

### **Robbie Reed**

I want to explain how to use the "Fillable" forms which are found on the IWPA website.

Open the ".doc" form (such as the Membership Application, Working Dog Application etc). Click on the "Enable Content" bottom which generally is found at the top of the page. Then click on your tab button on your keyboard and the cursor will move to the next available location to fill in the specific information for the form. You can tab through the entire document using the tab button. The lines will extend as needed. However, some lines have maximum lengths.

To save your document click the File folder, then "Save As" and rename your file. Save the document to which ever computer file location you want or need to. You can click and drag it to your desktop if you choose to. You can also rename the document if you want to. Then you can e-mail the document to the appropriate Chair person (i.e. Membership Chair, Sanctioning Chair and so on).

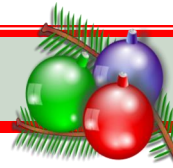

As a side note, if you simply print the fillable form to hand write in your information all the lines will most generally be 3 to 10 spaces in length. Keep this in mind if your information is larger than that or you write large. If you are going to write in your information, I suggest printing the PDF version as the lines will be more appropriately spaced.

Best Regards,

Robbie Reed

## **PET SAFETY TIPS FOR THE HOLIDAYS; Oh Christmas Tree.....**

- Place your Christmas tree in a corner, blocked off from your pet's wanting eyes. If this doesn't keep your dog or cat from attempting to jump onto the tree, you can place aluminum foil, a plastic drink bottle filled with knick knacks, or anything else that creates noise on the tree's bottom limbs to warn you of an impending tree disaster.
- Tinsel can add a nice sparkling touch to the tree, but make sure you hang it up out of your pet's reach. Ingesting the tinsel can potentially block their intestines, which is generally only remedied through surgical means.
- Do not put lights on the tree's lower branches. Not only can your pet get tangled up in the lights, they are a burning hazard. Additionally, your dog or cat may inadvertently get shocked by biting through the wire.
- Ornaments need to be kept out of reach, too. In addition to being a choking and intestinal blockage hazard, shards from broken ornaments may injure paws, mouths, or other parts of your pet's body.
- For those buying a live Christmas trees this year, keep the area free and clear of pine needles. While they may not seem dangerous, the needles can puncture your pet's intestines if ingested.

- Lastly, don't forget. You most likely have trained your dogs to potty on or around real trees and shrubs. To them your Christmas tree may be their present from you, allowing them to stay indoors and out of the cold!

## OTHER GREAT HOLIDAY ITEM TIPS

- Did you know holly, mistletoe, and poinsettia plants are poisonous to dogs or cats? If you normally use these plants to decorate your home, they should be kept in an area your pet cannot reach.
- Edible tree decorations -- whether they be ornaments, or cranberry or popcorn strings -- are like time bombs waiting to happen. These goodies are just too enticing and your pet will surely tug at them, knocking down your wonderfully decorated spruce.
- Burning candles should be placed on high shelves or mantels, out of your pet's way -- there's no telling where a wagging tail may end up. Homes with fireplaces should use screens to avoid accidental burns.
- To prevent any accidental electrocutions, any exposed indoor or outdoor wires should be taped to the wall or the sides of the house.
- When gift wrapping, be sure to keep your pet away. Wrapping paper, string, plastic, or cloth could cause intestinal blockages. Scissors are another hazard, and they should be kept off floors or low tables.

We at petMD don't want to ruin all your holiday decorating fun. By all means, go crazy sprucing up your home and wrapping presents. But make sure you do in a way that is safe for your pet(s) this holiday season. Article from Pet MD

# Pet Safety for the Holidays

Tips on Keeping Your Pets Happy and Healthy this Holiday Season

## Holiday Plants Can Be Poisonous to Pets

- Poinsettias, mistletoe, and holly are among the most dangerous and Fluffy could experience severe kidney failure if she eats any part of a lily.
- The Animal Poison Control Center handled nearly 8,000 calls related to ingestion of common house and garden plants in 2009.
- In an emergency call the Animal Poison Control Center: (888) 426-4435

4

## Make a Pet Retreat

The holidays are full of festive fun and activities, but if all the hubbub becomes overwhelming, Fido and Fluffy should have a safe retreat. Set up a quiet, dark or dimly lit room with no hazards, their favorite toys, and comfy blankets.

5

## Keep Your Decorations Pet Safe

- Avoid leaving candles lit in an empty room.
- Use electrical tape to secure cords so your pet can't chew them.
- Tie your Christmas tree to the ceiling so it can't be knocked over.
- Use a tree skirt to cover Christmas tree water if you're using any preservatives.
- Use string to hang glass ornaments in addition to those little metal hooks.
- Avoid tinsel, as it poses serious health concerns for cats. If Fluffy ingests any, the surgical removal could cost up to \$4,000.

3

## 'Tis the Season for Holiday Parties

- That means guests are coming and going, creating more opportunities for Fido and Fluffy to rush out the door. When the door is open, be sure your pets are properly secured.
- Hold your dog's collar as they sniff the palms of guests, especially when Fido meets young children: the rate of dog bites is significantly higher for children aged 5-9. If your dog growls or seems agitated, move Fido to a room all his own.

1

## Holiday Foods Can Be Toxic to Animals

- Turkey and chicken bones can cause internal damage in your pet. Give them a special holiday pet food instead.
- Onions, garlic, grapes, raisins, and candy, especially sugar-free candy, are all toxic to pets. Look for cat and dog treats with turkey and pumpkin flavors to spread the holiday cheer.
- Chocolate might give you a buzz for 20-40 minutes, but the caffeine and theobromine in chocolate is toxic to pets and can last in your dog's system for more than 24 hours.

## International Weight Pull Association Working Dog Degree Program

Your dog must meet the criteria below to be eligible for the various working dog degrees. When your dog has achieved the required number of pulls for a degree (at an IWPA Sanctioned or IWPA Approved pull) and you have completed the application forms for each pull, send the forms and \$10 U.S. Funds for each certificate requested to the Working Dog Chairperson, after September 1. Your certificate will be mailed to the address on the application form. Please complete all blanks on the forms to aid in the processing of the certificates. All pulls required for a certificate must be achieved in no more than two consecutive program years. The program year is from September 1 to August 31 the following year.

### Requirements for Certificates

#### Snow

1. IWPA Working Dog: the dog must pull 5 times its own body weight in 4 different pulls on snow.
2. IWPA Working Dog Excellent: the dog must pull 10 times its own body weight in 4 different pulls on snow.
3. IWPA Working Dog Superior: the dog must pull 15 times its own body weight in 3 different pulls on snow.

#### Wheels

1. IWPA Working Dog: the dog must pull 12 times its own body weight in 4 different pulls on wheels.
2. IWPA Working Dog Excellent: the dog must pull 18 times its own body weight in 4 different pulls on wheels.
3. IWPA Working Dog Superior: the dog must pull 23 times its own body weight in 3 different pulls on wheels.
