**FROM PRESIDENT
Sue Ferrari**

Happy Holidays!

It certainly will be different celebrating with friends and family this year. No matter how you have to do it, please remember to just be patient with one another. This year has been so hard for each and every one of us, whether we were sick, laid off, or just missing our regular routine.

Hopefully Santa and his elves will make sure we don't run out of soap, disinfectant and toilet paper this season. With the cold and flu season upon us, COVID certainly doesn't help the matter. Many states are shutting down again, mine being one of them. Please do your part, wear a mask and follow whatever guidelines are in place where you live.

I know you have been anxious about scores, and I have finally got the first few pulls ready for your review. Almost all memberships are in and the points are correct. Please remember if you see something that doesn't look right, don't hesitate to let me know.

We know the Canadian and US border is not open yet, but we have our fingers crossed that our Region 3 members in Canadian, will get to see each and every one of us in May 2021. They worked hard last year to host us, so hopefully we can see what having an extra year to plan will be like.

Wishing you health!

Sue

BOARD NOMINATIONS

Sheryl Franklin – Region 7

My name is Sheryl Franklin, and I am officially running for the IWPA Board of Directors. I've been a member of the IWPA since 2007. I learned the sport pulling my Alaskan Malamutes, Sebastian and Cinnabar. Both pulled until they were 12 years old and made it into the Hall of Fame. I'm now working with my younger Malamutes in weight pull.

I've been a judge for quite a number of years.

I've organized pulls in PA, TN and NC.

I was appointed to the Board to fill a 1 year vacancy in June 2014, and was subsequently elected to the Board later that season. I am currently Committee Chair for Animal Welfare. As such, you may have read some of my articles in the newsletter. I'm also the webmaster for IWPA.net. I enjoy working with our other Board members to make the IWPA the best it can be for all our members, and our dogs.

My early years with IWPA was in Region 5, but for the past 7 years I have been in Region 7. It is my privilege to grow Region 7 in Tennessee and the surrounding area. I love working with people new to the sport and watching their dogs grow in the sport. I will continue working to get more people and dogs into the wonderful world of weight pulling, and being an ambassador for IWPA.

I appreciate your consideration in voting for me for the Board of Directors.

Sheryl Franklin

Hello IWPA Membership,

My name is Terence D. Reed but, most people know me as Terry. At this time I am announcing my candidacy for the IWPA Board of Directors.

Robbie and I began pulling in IWPA competition in 1990. Since that time I have been elected to the board multiple times and held several different board positions, including President and Vice President. In addition I have also held many committee chair positions when not on the Board of Directors.

I have also organized weight pulls, been a Championship Judge many times and introduced new procedures and programs to the association i.e.; Championship Judges "uniforms" so that they can easily be identified. Currently I am the Promotions Chair and have been working to make IWPA Merchandise available to make the organization more recognizable.

In addition with being in the association and connected to the Board of Directors for so long, I have the experience and knowledge of past history. I was in most of the meetings when the Constitution and By-Laws were being formed and have been there for a majority of the rule changes and updates. I feel this is valuable information for Board decisions.

In the past I have always attempted to look at the big picture and what is best for the entire organization not what was best for a few. This does not mean that those decisions will always be popular but they will be fair and consistent.

In closing when you receive your ballot I hope you will consider supporting me with your vote.

Sincerely,

Terence D. "Terry" Reed

Together we can make IWPA even better.

I have been involved in the IWPA since 2004, and a judge for the last 2 years. I have been involved in teaching weight pull classes for the last 5 years to encourage as many people interested as we can. I have hosted pulls, helped out with more than I can count, and try to be as involved as I can be.

It breaks my heart that the amount of people in our area is getting smaller. I want to help spread the word about the sport, help change minds as well as help people become involved in it. I want to see more people grow a love for the sport, and a bond with their dog that this has given me. Show people that it's not about the dog being forced to pull the weight, but a team working together to achieve a goal, and both partners who trust each other and are willing to work for the bond they have together. I think that it is often overlooked as a sport, and many people I interact with simply do not know where to go for info!

I would be honored to be given a chance to represent the membership, bring in new ideas and do what I can to help this sport grow.

Trisha Porter

My name is Rodney Martin and I have been a member of the IWPA since 2000. I have served on the board in previous years, and have been the membership chair since 2005. As a member of the IWPA, I have sanctioned pulls, put on the 2007 championships with the aid of the members of Region 9, and was previously the Region 9 representative. If voted onto the board of directors, I will always work to keep the integrity of the organization as my first priority. I am proud to serve the IWPA in this capacity.

FROM JUDGES CHAIR

Jean Wilson

When submitting your judge's reports for more than one pull, please send an individual handler's sign-in sheet for each pull rather than one sheet for both pulls. This verifies what handlers attended each handler's meeting. This also pertains to when there are two pulls on the same date.

Thank you.

Jean Wilson

How Dogs See Christmas Day

By Sheryl Franklin, adapted from online articles

We understand exactly what's going on at Christmas, but dogs don't have a clue. It's a time when owners put new things up around the home, return home with shopping bags regularly and there's always a lot of food in the house.

We don't often consider what Christmas day must be like for dogs. For some dogs, it can even be a little bit stressful. Here's Christmas Day from a dog's perspective.

There're lots of things wrapped in paper I desperately want to destroy/chew/pull apart. Dogs see presents and instinctively want to get their paws on them. Remember to keep them well out of reach until Christmas day!

Why are my humans eating so much food and not giving it to me? We consume a lot of food on Christmas day, and our poor doggies have to sit there watching us. Don't give your dog Christmas food as it can be dangerous, give them some dog treats instead.

I usually get lots of attention but today my owner seems distracted. Dogs don't get much attention on Christmas day because their owners are busy preparing Christmas dinner, eating and opening presents. Make sure your dog still gets a decent walk on Christmas day.

I am getting a bit bored because the focus is not on me. Dogs can easily get bored on Christmas day because they are often ignored in favor of opening presents and enjoying the festivities. Remember to give your dog something to do on Christmas day to keep them occupied.

What is that amazing smell coming from the food room? It smells like heaven. With their mega sniffers, dogs can smell the mouth watering aromas coming from the kitchen. They know that lots of food will soon appear. Make sure they don't steal any food on the sly.

Why am I getting so many treats and new toys? Have I been really well behaved today? Lots of owners don't want to leave their dogs out when it comes to Christmas presents. Many dogs get spoiled on Christmas Day too, but they have no idea why.

All these flashing lights are making me feel dizzy. Festive lighting can be a bit much for some dogs, who get overwhelmed by flashing lights.

My owner is acting strange, what is that liquid they have been drinking all day? Dogs also don't understand what being drunk is, and a lot of people get a bit tipsy on Christmas day. This can confuse dogs who wonder why their owner is acting so strangely.

I have never seen so many delicious crumbs on the floor. Some dogs can act like vacuum cleaners, eating up all the crumbs that drop on the floor, and there's likely to be lots on Christmas day.

I can smell treats on that tree, why can't I have them now? Many owners will actually wrap up presents specifically for their dog and put them on or under the tree. Your dog might be able to smell them and wonder why they can't have them, or try and find a way to get to them.

Why are there more people on my territory than normal? We often have lots of family members round on Christmas day. For some dogs, this is fine, but for others it can be a bit too hectic and overbearing.
