Deadline for all submissions to the Newsletter is the 18th of the month prior to the month of publication.

FROM THE PRESIDENT George Ferrari

Hello,

Welcome to the home stretch of the season. Keep an eye on your points and good luck within your regions. The snow pulls are starting to come in.

Valentine's Day will be here soon, keep that chocolate away from your pups.

Remember to start making plans for the Championships in May. It's a busy weekend for Spokane, so get your reservations in early!!!

You should have received your ballots in the mail this past week. Make sure you take the time and please, everyone, vote. This is your voice not only for the Board but for the judges you want at Championships.

PayPal is on its way soon. Your treasurer is working long and hard to get this up and running. Hopefully it will be in place before the seasons end. As soon as it is finalized, we will be letting you know.

Remember to help your local organizer when you can because without them we have no pulls. We all need to pitch in and help. It takes a lot to do this and with everyone helping we can be a great organization.

Thanks George

P.S. I did this one on my own, the first lady was busy.

Chocolate and pups???

I'm not sure thís ís what George means!

ELECTIONS ARE UPON US

Election Packets are mailed out and... The Ballots are coming in! Thank you to those of you who have responded so quickly.

A reminder, the deadline is: "Ballots must reach me by February 15" Coming up quick, so pop your ballot in the mail today.

Please take the time to vote. It does matter and it really shows your dedication to the organization.

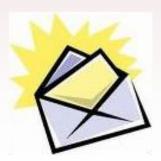

Note: on the ballot, the selection for judges for the 2017 Championships, the Brenda on Brenda Lee is a typo and is meant to be Debbie and is valid for Debbie Lee.

If for some reason, you have not received your election envelope with Ballot, or for any other reason, please contact me via email, phone or text.

Beverly Detwiler

email: kolfinna@twc.com Phone & text: 518-572-3126

Ballots are due back to Beverly Detwiler BY February 15!!! Don't forget, get them filled out and mailed!

International Weight Pull Association Working Dog Degree Program

Your dog must meet the criteria below to be eligible for the various working dog degrees. When your dog has achieved the required number of pulls for a degree (at an IWPA Sanctioned or IWPA Approved pull) and you have completed the application forms for each pull, send the forms and \$10 U.S. Funds for each certificate requested to the Working Dog Chairperson, after September 1. Your certificate will be mailed to the address on the application form. Please complete all blanks on the forms to aid in the processing of the certificates. All pulls required for a certificate must be achieved in no more than two consecutive program years. The program year is from September 1 to August 31 the following year.

Requirements for Certificates

Snow

- 1. IWPA Working Dog: the dog must pull 5 times its own body weight in 4 different pulls on snow.
- 2. IWPA Working Dog Excellent: the dog must pull 10 times its own body weight in 4 different pulls on snow.
- 3. IWPA Working Dog Superior: the dog must pull 15 times its own body weight in 3 different pulls on snow.

Wheels

- 1. IWPA Working Dog: the dog must pull 12 times its own body weight in 4 different pulls on wheels.
- 2. IWPA Working Dog Excellent: the dog must pull 18 times its own body weight in 4 different pulls on wheels.
- 3. IWPA Working Dog Superior: the dog must pull 23 times its own body weight in 3 different pulls on wheels.

You have reached the Vets Office (like you don't know who you called) Please listen to the entire message and pick the correct extension for your pets needs

Press 01 to schedule an appointment for your pet.

Press 02 to have your pet seen immediately.

Press 03 to speak directly to the veterinarian.

Press 04 to obtain the veterinarian's home telephone number.

Press 05 to tell a receptionist or technician your life history, as well as your pet's.

Press 06 to yell at a receptionist or technician.

Press 07 to yell at the veterinarian.

Press 08 to disagree with the veterinarian's diagnosis or treatment plan because you read something different on the Internet.

Press 09 to ask the same question 30 times just in case the answer might change.

Press 10 if you feel your pet's condition is more important than the emergency patient the veterinarian is currently seeing.

Press 11 if your pet's condition has persisted 6 months but has suddenly become an emergency and needs to seen this evening because you are going on vacation tomorrow.

Press 12 if your pet hasn't eaten in 10 days and you've only just become concerned.

Press 13 if you are angry because you declined all treatments and your pet is now declining rapidly.

Press 14 to determine if your pet's condition is serious enough to be seen immediately. If it is after midnight, our team of experts will be standing by to debate the issue with you for as long as it takes to agree it can wait until tomorrow.

Press 15 if your dog hasn't had a bowel movement in more than 8 days, you've only just become concerned, have no money and you just want free advice over the phone.

Press 16 to demand immediate treatment but would like us to hold your check until next month.

Press 17 if you would like to post date a previously post-dated check.

Press 18 if you need to bring in 10 unvaccinated puppies with vomiting and diarrhea and you'll only have \$20 in your pocket.

Press 19 if you plan to arrive at our surgery facility in a new Jaguar XJS but can only pay for routine vaccinations at \$5 a month.

Press 20 if you got a puppy from the shelter, it has come down with parvo, and you are extremely angry that no veterinarian will treat it for free.

Continued from page 26

Press 21 if you want to know if you can refer a friend who "rescues" elderly, sick pets from euthanasia and want to know if she will get a multi pet discount.

Press 22 if you still consider the cat you've owned for 10 years a stray because now it is sick.

Press 23 if you would like to euthanize a pet that you cannot afford to take care of.

Press 24 to find out our busiest times, so that you can ensure that when you show up without an appointment and demand to be seen, maximum chaos will ensue.

Press 25 if you are not a client but were referred by a "good friend" and you want to call the veterinarian at home in the early morning as she is trying to get ready for work and get her kid up for school as you can talk about your pet who has been seen by another veterinarian but is not getting better and you want to set up an appointment with her for a second opinion but first you want to know how much for an exam fee.

Press 26 if you would like to call the veterinarian at home after hours on his/her day off to discuss whether your pet's problem is worth bothering the veterinarian who is on call (at your normal practice).

Press 27 if you want us to trim the nails on your aggressive 100lb dog.

Press 28 if your reptilian pet has been living in an incredibly small tank in a cold dark room and has not eaten for 60 days, despite you having offered it several types of chocolate and potato chips.

Press 29 if your pet has removed its bandage because you took off the E-collar, even though we explicitly requested you leave it on.

Press 30 if you think people have been coming into your house at night and pulling out your cat's teeth (this happened!)

Press 31 if you think that your dog is suicidal. (True story.)

Press 32 if, even after three previous phone calls in which you were told that we are a Veterinary Hospital and DO NOT sell parrots, you still need clarification of the matter.

Press 33 if you are allergic to electricity and want all the electric equipment turned off while you are in the clinic. (seriously?)

Press 34 if you want to know what type of home medical care you need to give your dead rabbit when you pick it up.

Press 35 if you would like an appointment to strip in the exam room to show the veterinarian (pick one):

1) your skin rash/sores that you think are caused by your pet,

2) your current surgery incisions to see whether they are healing properly and whether or not the veterinarian thinks that the human surgeon did the surgery properly.

3) your old surgery/battle scars so you can boast what a tough person you are and why your pet doesn't need pain meds for its pending surgical procedure,

4) your skin lumps to see if the veterinarian thinks they need to be removed, and whether or not the veterinarian would be willing to remove them instead of going to your human doctor.

Press 36 if your unspayed 10-year old dog has been in labor for over 2 days (when you suddenly realized she was pregnant), and you now suspect something's wrong.

Press 37 if your "rockwilder got the mange".

Press 38 if your 200lb Newfie has ingested 5 Hershey's kisses and you're worried he will die.

Press 39 if you've already given your kitten Tylenol and want to know if it was the right thing to do.

Press 40 if your dog was neutered 6 weeks ago and you are angry because the testicles were removed.

Press 41 if your dog got into your stash of pot but you don't want to admit it for fear of what we'll "think" of you.

Press 42 if you want your dog to be spayed but want the doctor to come to the house and crawl under the porch to do it because she will not come out.

Press 43 if "Cost isn't a concern!" because you don't intend on paying.

Press 45 if you're interested in having your cat "spaded".

Blue Ridge Beef Pet Food Recall | January 2017

January 17, 2017 — Blue Ridge Beef of Eatonton, Georgia, has announced it is voluntarily recalling one lot of its Turkey with Bone raw frozen product due to its potential to be contaminated with Listeria monocytogenes.

What's Being Recalled?

The affected product is sold in 2 pound chubs and can be identified with the following manufacturing codes:

- Blue Ridge Beef Turkey with Bone
- Size: 2 pound chubs
- UPC Code 854298001887
- Lot #103 mfdga12716

About Listeria

Listeria can affect animals eating the product. And there is a risk to humans from handling contaminated pet products, especially if they have not thoroughly washed their hands after having contact with the products or any surface exposed to these products.

Healthy people infected with Listeria monocytogenes should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever.

Consumers exhibiting these signs after having contact with this product should contact their healthcare provider.

Where Was It Distributed?

The affected products were distributed to retail stores in the following states: Florida, Georgia, North Carolina and South Carolina

What Caused the Recall?

This recall was initiated as a result of an FDA inspection and sampling of the product. This recall is being made with the knowledge of the US Food and Drug Administration.

What to Do?

Consumers who have purchased the above lot of Blue Ridge Beef Turkey with Bone raw frozen product are urged to stop feeding the product and return it to the place of purchase for a full refund. Or dispose of the affected product immediately.

Those with questions can email the company atblueridgebeefga@yahoo.com

U.S. citizens can report complaints about FDA-regulated pet food products by calling the consumer complaint coordinator in your area. Or go to http://www.fda.gov/petfoodcomplaints.

Canadians can report any health or safety incidents related to the use of this product by filling out

the Consumer Product Incident Report Form.
