FROM THE PRESIDENT

George Ferrari

Hello from soggy Eastern Washington. I have lived here for almost 40 years and have never seen a winter this mild, temperature wise. It sure makes training a lot more of a challenge trying to pull on a muddy track at home.

Our next pull is supposed to be snow, I am not going to hold my breath for it!

Everyone should have received your voting info by now, please send it back ASAP. Thanks for taking the time to do this. With 2 months left in this season it's been relatively quiet as far as problems are concerned.

Please keep an eye on your dog's points and notify Sue as soon as possible to make changes when needed.

Looking forward to a pull in Montana later on this year, it's been a long time since a pull occurred in that state.

Oh Happy Valentines day!!!!!!

George

FROM ELECTION CHAIR
Beverly Detwiler

Elections for Board and selecting the Judges for the 2018 National Championships

REMINDER: Please Vote – and use the "REVISED BALLOT"
DEADLINE: February 15, 2018

Ballot packets went out the 1st week of January. A couple of days later, it was discovered that a judge had been inadvertently left off the Ballot (Sue Gallagher). At the same time another judge had submitted her renewal. Sue Gallagher and Jennifer Berning needed to be added to the Ballot for it to be Valid. An email went out to all members, via email, who currently receive the Newsletter by email. The "Revised Ballot" was attached to this email as well as embedded in the email. The few members who don't have email were called and mailed the "Revised Ballot".

Make sure you Vote with the "Revised Ballot". If you have any questions or concerns, please contact me via phone ([518-572-3126](tel:518-572-3126)) or by email (kolfinna@twc.com)

We want your Ballot to count. The Pink Ballot you received in your Ballot packet is not valid, unless you write on it with Sue and Jennifer's name so that they also appear on the ballot. Whether you vote for them is your option, but their names must show on that Pink Ballot for that ballot to be Valid. Best option is to print out the Revised Ballot you received or fill it out from within the email sent and reply back to me.

Your Vote is important.

Beverly Detwiler
Elections Chairperson

2017-2018 NOMINATIONS FOR THE IWPA BOARD

Below are the nominations for the Board for the election that will take place in January thru February 15. There are 5 positions open with 6 people nominated. Ballots for the Board Election and the Judges for the 2018 IWPA Championships (which will be held in Grand Rapids, MI) will go out in the mail the first week in January. Remember, your vote does count.

Happy Holidays to you all!

Beverly Detwiler, Elections Chair

George Ferrari – Region 2

Hello my name is George Ferrari, as most of you members know me being the current president of the IWPA. I have served as your president for three years, two consecutively. I am asking for your support in running for a vacant board position this year. I will strive to do the best for the IWPA and its members as I have in years past. It takes a lot of hard working volunteers to keep this great organization moving forward. I would appreciate your vote. Thank you.

Brenda Lemon – Region 11

My name is Brenda Lemon, and I am running for the IWPA board of Directors. I have been a member of IWPA for many years and have served on the board numerous years. I am presently holding the Vice President position. I work, train and love Malamutes. At this moment, I have 3 mals at home – 1 retired champion wgt. puller, 1 wgt. pulling princess and 1 youngster that is looking good in training. (Watch out we may have a baby Raider!) I am also a Judge and help organize pulls. You will usually see me in Regions 5, 7 and 11. I really enjoy working with the board members and all the pullers from all around. I would like to be on the board to continue to express everyone's comments, concerns and ideas. When you are sending in your votes this year please remember that I want to be your voice.

Thank you!

Cheryl Martin – Region 9

My name is Cheryl Martin and I am your current treasurer to the board of the IWPA. I have been part of the IWPA organization since the 2001 season. I have been on the board of directors in past seasons and I would like to have your vote for this election. I have been the treasurer for many seasons, as well as an organizer, judge, and organizer for a prior championship. I would like to be on the board to continue aiding in the integrity and growth of our organization as well as upholding the rules and regulations which govern our long standing organization. Thank you for your consideration.

Rodney Martin – Region 9

My name is Rodney Martin and I have been a member of the IWPA since 2000. I have served on the board in previous years, and have been the membership chair since 2005. As a member of the IWPA, I have sanctioned pulls, put on the 2007 championships with the aid of the members of Region 9, and was previously the Region 9 representative. If voted onto the board of directors, I will always work to keep the integrity of the organization as my first priority. I am proud to serve the IWPA in this capacity.

Bob Sencenbaugh – Region 9

I got my first dog in 1984, a Samoyed. I immediately discovered dog working activities. I have been involved with weight pulling dogs since 1989. I became a member of IWPA soon after. I have served on the board of IWPA and I am currently serving as your Judges' chair. I would like to continue to serve IWPA on the board. Right now all my dogs are retired but I continue to act as an organizer and chief judge and I am looking for that next puppy to train.

Valarie Thawley – Region 11

I've been in IWPA for 15+ yrs.. I'm not a judge, but have been involved in setting up and running wt pulls. I'm involved in several different dog organizations/club. In which I volunteer in helping, out at events and shows. Last year I was the IWPA Championship Chairperson, and have been asked to take on this year Championships.

I would like to run for the board. I believe in bringing in a fresh pair of eyes and different ideas. I believe in this organization and would like to see it grow.

Thank you for your support.

FROM THE CHAMPIONSHIP HOST

Hello my name is Carol Gerke and I will be your host for the 2018 IWPA Championships.

I got my feet wet two years ago when I hosted Championships and I had so much fun that I got talked into hosting again this year.

The venue will be at the same location as it was two years ago, Patterson Ice Center, 2550 Patterson Ave in Grand Rapids. The schedule of events will be the same with the wheel competition on Saturday and the snow on Sunday. A silent auction benefiting the Phoenix Society, a support group for burn survivors, will be held all weekend. Auction ends Sunday at 1:00 pm. Donations will be accepted for the auction.

This year for the Friday night General Membership Meeting we are having a potluck. Sliced ham, cheesy potatoes and beans will be provided. Please bring a dish to share. There are grocery stores near by if you want to wait until you get to Grand Rapids. There will be no charge for this meal but if you would like to give a donation to our charity, a can will be placed on the tables.

Saturday night Awards Banquet will be catered. Cost is still to be determined. Besides the official awards, I will be keeping my eyes and ears open for some special awards.

I can't wait to see everyone. Let's have some good friendly competition and make lots of memories.

Excited to be your host,
Carol Gerke

10 Common Human Medications That Can Poison Your Pet

Adapted from online articles by Sheryl Franklin

The American Veterinary Medical Association (AVMA) reported the top 10 medications that are most often involved in pet poisonings reported to the ASPCA's APCC hotline. If you have any of these in your home, be sure they are kept safely out of your pet's reach at all times.

1. Ibuprofen (Advil, Motrin)

Ibuprofen, such as Advil and Motrin, often has a sweet outer coating that seems tasty to pets. If ingested, it can cause stomach ulcers and kidney failure. Ibuprofen is just one type of non-steroidal anti-inflammatory drug (NSAID) that may harm your pet.

Such drugs can be harmful to your pet even in very small doses. Symptoms of poisoning include digestive upset, vomiting, bloody stool, increased thirst, increased frequency of urination, staggering and seizures.

2. Tramadol (Ultram)

Tramadol (brand name Ultram) is a pain reliever that's sometimes prescribed to pets as well as people. However, if your pet consumes too much, it can lead to sedation, disorientation, vomiting, tremors and seizures.

3. Alprazolam (Xanax)

This anti-anxiety medication is sometimes prescribed as a sleep aid as well. In pets, ingesting it may lead to sleepiness (or in some cases agitation), drops in blood pressure, weakness and collapse.

They pose a significant risk because many people keep them on their nightstands in order to take them just before bedtime.

4. Adderall

Adderall contains amphetamines and is often prescribed to treat attention deficit hyperactivity disorder (ADHD) in children.

It acts as a stimulant in pets, however, and may lead to life-threatening elevated heart rate and body temperature, hyperactivity, tremors and seizures. The ADHD medications Concerta and Ritalin may have similar effects.

5. Zolpidem (Ambien)

This is another sleep aid that many pet parents leave on their nightstand to take before bedtime. If your cat decides to sample it, it could lead to sleepiness and make him wobbly. If a dog consumes it, it may lead to severe agitation and elevated heart rates.

6. Clonazepam (Klonopin)

Clonazepam, brand name Klonopin, is prescribed as an anticonvulsant and anti-anxiety medication as well as a sleep aid. It may lead to sleepiness and wobbliness in pets, as well as low blood pressure, weakness and collapse.

7. Acetaminophen (Tylenol)

Even acetaminophen, common in many U.S. households, is extremely dangerous to pets. Cats, in particular, are very sensitive to its effects; just two extra-strength tablets can be fatal for felines. Acetaminophen can cause liver damage as well as red blood cell damage at higher doses.

The latter may make the cells unable to carry oxygen, which can be deadly. Symptoms of acetaminophen poisoning are lethargy, trouble breathing, dark-colored urine, diarrhea and vomiting.

Many over-the-counter medications contain acetaminophen, including sinus and cold formulations.

8. Naproxen (Aleve, Naprosyn)

This over-the-counter pain reliever can lead to stomach ulcers and kidney failure in cats and dogs, even at very small doses.

9. Duloxetine (Cymbalta)

This antidepressant, anti-anxiety drug may lead to agitation, vocalization, tremors and seizures in pets.

10. Venlafaxine (Effexor)

Venlafaxine (brand name Effexor) is an antidepressant that may cause agitation, vocalization, tremors and seizures. According to the AVMA, "For some unknown reason, cats love to eat the capsules," but consuming them may lead to severe neurologic and cardiac side effects.

If your dog or cat ingests an antidepressant, symptoms can include listlessness, vomiting, and in some cases, a condition known as serotonin syndrome. This condition can cause agitation, disorientation and an elevated heart rate, along with elevated blood pressure and body temperature, tremors and seizures.

How to Keep Your Pet Safe From Medication Poisoning

The best way to avoid this preventable form of poisoning in your pet is to keep all medications stored safely out of your pet's reach. Even natural products, including herbal supplements, should be kept safely stowed away. Medications and supplements may be metabolized very differently in your pet than they are in a human, leading to unexpected, and sometimes deadly consequences.

Keep in mind, too, that dogs can quickly chew through a pill bottle to reach its contents while cats can be quite clever at removing lids. Store medications in a cabinet that is either too high for your pet to reach or impossible for him to open (some cats and dogs can open cabinets, too, so plan accordingly).

Avoid storing medications on your nightstand or leaving them out on your kitchen counter or coffee table. If you accidentally drop any, be sure to pick up every pill immediately. Also, store your pet's medications in a separate spot from human medications to avoid mix-ups.

Finally, if you think your pet has ingested a potentially poisonous medication, call the ASPCA Animal Poison Control Center at (888) 426-4435 and bring your pet to an emergency veterinary facility immediately.
