FROM THE PRESIDENT

Terry Reed

We are now nearing the end of the season.

It also means there is business to attend to. You all should have received your ballots by now. Be sure to cast your votes and be mindful of the deadline. Ballots are to be returned to the elections chair by February 15. Give yourself plenty of time for mailing.

It is also not too early to plan for the IWPA Championships. I know Carol Gerke and Region 6 have been hard at work for a few months now. If you have not been to a championship event in Grand Rapids in the past, you are missing out! If you have, you know how much hard work they put in to make it a good time for everyone. Keep watching the IWPA Newsletter for updates.

The end of the season will be here before you know it!

Terry Reed
IWPA President

Together we can make a better *IWPA*

FROM ELECTION CHAIR

Diane Krupski

Hi everyone,

Just a reminder to please return your ballots if you haven't done so already. It must be postmarked **on or before** February 15th, 2024.

Thank you

Diane Krupski
Election chair

FROM ELECTION CHAIR

Diane Krupski

Hi everyone,

I'm sorry, but there are a couple typo's on the election ballot this year. First, please only vote for **5** board members NOT 6. Second, there are two judges on the list of judges for championships that are not eligible because they are new judges. So please, do not vote for Jennifer Gerdes Region 18 or Reagan Hart Region 7.

Sorry for the confusion.

Thank you,

Elections chair

NOMINATIONS FOR THE BOARD OF DIRECTORS

Dear IWPA membership,

I hope that this correspondence finds you well. I am seeking a position on the IWPA Board of Directors. The majority of the members in this organization have been pulling longer than I have. I have had success in weight pull and in growing the sport. I serve as a judge and or representative in all but one of the weight pull organizations. I have assisted in implementing rule changes and I have provided feedback to create a better environment for pullers. Just as importantly, I have leadership and organizational experience, having served in various capacities on a corporate level as well as in social and fraternal organizations over the years. I'm thorough and accountable and I will always seek to incorporate diplomacy and fairness when it comes to making decisions and moving our organization forward. I hope that I have your support.

Kind regards,

W. Clay Fonvielle

My name is Sheryl Franklin, and I am officially running for the IWPA Board of Directors. I've been a member of the IWPA since 2007. I learned the sport pulling my Alaskan Malamutes, Sebastian and Cinnabar. Both pulled until they were 12 years old and made it into the Hall of Fame. I've worked in weight pull with two other malamutes (Aubyrne and Mariko) who are no longer with us and am now working with my 4 year old Malamute, Magnus.

I've been a judge for quite a number of years, since 2011. I've organized pulls in Pennsylvania, Tennessee and North Carolina. I was appointed to the Board to fill a 1 year vacancy in June 2014, and was subsequently elected to the Board later that season. I am currently Committee Chair for Animal Welfare. As such, you may have read some of my articles in the newsletter. I'm also the webmaster for IWPA.net. I enjoy working with our other Board members to make the IWPA the best it can be for all our members, and our dogs.

My early years with IWPA were in Region 5, but since the 2013-2014 season I have been in Region 7. It is my privilege to grow Region 7 in Tennessee and the surrounding area. I love working with people new to the sport and watching their dogs grow in the sport. I will continue working to get more people and dogs into the wonderful world of weight pulling, and being an ambassador for IWPA.

I appreciate your consideration in voting for me for the Board of Directors.

Sheryl Franklin

Hey Folks! My name is Missy Kehler from Region 7, though I am formally from region 5. Most of you know me already. To help date myself, I started pulling with the IWPA back in the late '90's. I've been a judge just as long. I've organized numerous weight pulls over the years including the Championships in the Poconos of Pennsylvania. Many of my dogs are regional and national medalists. Over the years, I've pulled in UKC, NKC, AKC, APA, ADBA sanctioned events, but my heart belongs with the IWPA.

I'm throwing my hat in the ring for a seat at the board of directors simply because I want to help keep the IWPA a strong leader in the weight pull world. The IWPA was one of the first organizations to host sanctioned events. We set a standard that other clubs try to emulate. We enjoy good healthy competition, yet we are beginner friendly. We have our ups and downs just like any other organization, but in the end we're still here. I want to see the IWPA continue to grow, and be here well into the future.

Hello,

Most of you know me as I've been a member since 1998. In that time, I've seen and been through a lot of changes within the IWPA.

I'm currently on the board and running for a second term. I just want to keep this club a strong one.

Thanks for reading and considering me for the position.

Diane Krupski
Region 6
Elections chair

Hello IWPA Members,

Connie Meech here, the Region 4 representative. I was excited to join the IWPA in 2009 after weight pulling since 2004. That excitement and involvement grew as I became the Region 4 representative a few years ago and an IWPA judge last year. It increased further when I became a Board member in Jan. 2022 and then accepted the position of Awards Chair. Being on the Board this last year has been an enjoyable experience.

If voted in as a Board member, I will make myself available for questions and concerns, promptly respond to correspondence and do my best to promote a positive presence in the continuance and growth of the IWPA.

Thank you,

Connie Meech

Hi, my name is Terence "Terry" Reed and I am announcing my intent to run for the IWPA Board of Directors. I began pulling in IWPA in 1990. The first season was as an amateur and provisional member. Starting in the 1991-1992 season we got our first membership.

Over the past 30 plus years I have been a pull organizer, judge, board member, committee chair, and Championship Judge.

I am dedicated to the IWPA and have always tried to keep the best interests of the membership and the organization in the forefront.

I would appreciate your vote and look forward to working for you.

Terry Reed

Hi, I'm Stephanie Stoll from region six. I think most of you remember me as the one from Michigan with St Bernard's and I'm currently the Treasurer for the IWPA. I would like to be considered as an IWPA board member for the next term. I've been on the IWPA board for the past term and would like to be considered for a second term. I feel I bring a lot of new ideas and different opinions to our board and know and respect the IWPA constitution and the rules.

I have been involved with IWPA for almost 25 years, attended numerous pulls in region, several out of region, and have been to many championships. I have also organized pulls, assisted with organizing pulls, and assisted region 6 championship hosts, in organizing and helping things go smoothly at championships hosted by region 6. I have been an IWPA judge for several years and have been elected as a Championship Judge at many championships. I would love to continue to help this organization grow and improve. Please consider me as a board member for the upcoming term.

Thank you.

Stephanie

FROM THE CHAMPIONSHIP HOST
Carol Gerke

Well some of the details are starting to fall into place for championships.

Meals forms and shirt order forms will be in the March newsletter. Our artwork for the event just got finalized. See it below.

Also start thinking about bios for the program. Jean Wilson has agreed again to put together a fantastic program. Send your dogs picture and bio to Jean at "teamnewf@gmail.com".

Diane and I are working on collecting/crafting items for handler bags.

Please, collect and donate items for our silent auction. Our charity is Beer City Dog Biscuits. It is a small organization that makes hand made dog treats. Almost all the workers have special needs. They do NOT get any state funding. So we feel this is a deserving cause.

I will keep the updates coming. Just remember we are going to have fun!

Thanks
Carol

I may be 'just a dog', but...

When you feel sad, I will be your smile.
 If you cry, I will be your comfort. And if
 someone breaks your heart, you can live
 on mine. I'll always be your best friend.

Valentine's Day Safety Tips for Your Dog

adapted from AKC article By Sheryl Franklin

Valentine's Day isn't just for exchanging candy hearts and cards with people you love. You can also celebrate Valentine's Day with your dog. Give them a special toy or treat, take them for a long walk, or cuddle on the couch. However you choose to celebrate Valentine's Day, be aware that many holiday traditions can pose a hazard to your pet. From toxic sweets to choking hazards, the following list will help keep your dog safe as you celebrate with your loved ones.

Chocolate

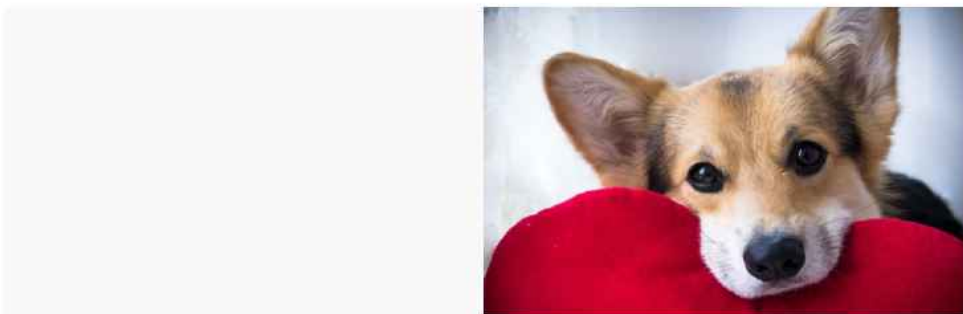

It may be a traditional Valentine's Day gift to exchange with other people, but chocolate is absolutely off-limits for dogs. Although harmless to humans, chocolate contains both caffeine and theobromine, which can cause serious and potentially fatal health issues in dogs. These substances affect a dog's heart and central nervous system, and the more they ingest, the more serious the consequences.

Certain types of chocolate contain a higher percentage of caffeine and theobromine than others, which makes them more harmful. For example, ounce for ounce, unsweetened baker's chocolate is more dangerous than milk chocolate. Plus, the heavier the dog, the more they can tolerate. As a general rule, serious side effects can occur with around one ounce of milk chocolate per pound of body weight.

So, if your dog licks the wrapper of your bonbon box, it's probably not a problem. But if they consume a few of those bonbons, it might be time for the emergency vet. It can take over six hours before symptoms start, but always play it safe and immediately contact your veterinarian or the Pet Poison Helpline (855-213-6680) for advice.

Cakes and Cookies

Baked goods (like cakes, cookies, chocolate-chip muffins, and cakes iced with chocolate frosting) can be sources of chocolate. They might also contain other dangerous food like cinnamon, which can irritate the lining of the mouth and lower blood sugar, or macadamia nuts, which are one of the most dangerous foods for dogs. Especially if you don't know the exact ingredients, keep all baked goods out of your dog's reach.

Candy

Candy, particularly the sugar-free kind, can contain xylitol. This sugar substitute is also found in gum, mints, some types of peanut butter, baked goods, and many surprising household products. Xylitol is toxic for dogs and can cause severe hypoglycemia (lower than normal blood sugar levels) or even liver failure if they eat it. Symptoms such as weakness, vomiting, and seizures can occur as soon as 30 minutes after your dog ingests this dangerous substance, although it can take more than 12 hours depending on the speed of absorption.

Flowers and Plants

Flowers are another traditional Valentine's gift and decoration. But not all plants are safe for your dog. Many common bouquet varieties, like lilies, chrysanthemums, or tulips, can make your dog ill if they eat them, irritating their mouth or intestines and causing vomiting, drooling, and diarrhea. Flowers such as roses can also have thorns that can get stuck in your dog's paw or nose if they decide to investigate too closely.

Gift Wrap, Ribbons, and Balloons

Dogs love to explore anything you've touched, and discarded gift wrap and trimmings are no exception. Especially if they've been wrapped around food or other smelly items like candles or cologne. But ribbons, strips of paper, and tape can all pose a choking hazard if your dog tries to eat them.

Watch out for balloons as well. They can frighten your dog when they pop, and the pieces of remaining rubber or latex pose a choking or obstruction risk if ingested.

Candles and Alcohol

Nothing says Valentine's Day romance like candles and a bottle of wine. But keep both away from your dog. Open flames are dangerous because your dog could accidentally cause a fire if they knock the candle over or bump it with their tail. And alcohol is harmful if your dog drinks it. Just as with chocolate, the percentage of alcohol in the beverage and the weight of the dog are factors. But to be safe, a no-alcohol policy is best.

Pet-Proof the House

To truly enjoy Valentine's Day, familiarize yourself with the common dangers to your dog and pet-proof your house. For example, keep hazardous items out of reach, don't leave food unattended, and clean up any gift wrap or chocolate wrappers.

It's also helpful to teach your dog a solid leave-it command to prevent them from getting into anything dangerous in the first place. Finally, know the phone number and location of your emergency vet and post the Pet Poison Helpline number in an obvious place so you can reach help immediately if you need it. Then you can relax and celebrate the holiday with your friends, family, and most of all, your dog.
