FROM THE PRESIDENT  
George Ferrari

Happy New Year !!!!

Winter has officially arrived in Washington State, our first measurable snowfall occurred last night. I remember when Sue and I used to get excited with the first snow of the year, this year the dogs are happy the white stuff has arrived. Well time to get the snow sled out.

This month is election time so please let your voices be heard and vote.

Please keep an extra eye on your pups this time of year, as one Christmas tune states ....Baby its cold outside!

Have safe travels this year and enjoy your family, friends and furry companions.

George

Remember, your vote does count.

Happy Holidays to you all!

Beverly Detwiler, Elections Chair

### **George Ferrari – Region 2**

Hello my name is George Ferrari, as most of you members know me being the current president of the IWPA. I have served as your president for three years, two consecutively. I am asking for your support in running for a vacant board position this year. I will strive to do the best for the IWPA and its members as I have in years past. It takes a lot of hard working volunteers to keep this great organization moving forward. I would appreciate your vote. Thank you.

### **Brenda Lemon – Region 11**

My name is Brenda Lemon, and I am running for the IWPA board of Directors. I have been a member of IWPA for many years and have served on the board numerous years. I am presently holding the Vice President position. I work, train and love Malamutes. At this moment, I have 3 mals at home – 1 retired champion wgt. puller, 1 wgt. pulling princess and 1 youngster that is looking good in training. (Watch out we may have a baby Raider!) I am also a Judge and help organize pulls. You will usually see me in Regions 5, 7 and 11. I really enjoy working with the board members and all the pullers from all around. I would like to be on the board to continue to express everyone's comments, concerns and ideas. When you are sending in your votes this year please remember that I want to be your voice.

Thank you!

### **Cheryl Martin – Region 9**

My name is Cheryl Martin and I am your current treasurer to the board of the IWPA. I have been part of the IWPA organization since the 2001 season. I have been on the board of directors in past seasons and I would like to have your vote for this election. I have been the treasurer for many seasons, as well as an organizer, judge, and organizer for a prior championship. I would like to be on the board to continue aiding in the integrity and growth of our organization as well as upholding the rules and regulations which govern our long standing organization. Thank you for your consideration.

### **Rodney Martin – Region 9**

My name is Rodney Martin and I have been a member of the IWPA since 2000. I have served on the board in previous years, and have been the membership chair since 2005. As a member of the IWPA, I have sanctioned pulls, put on the 2007 championships with the aid of the members of Region 9, and was previously the Region 9 representative. If voted onto the board of directors, I will always work to keep the integrity of the organization as my first priority. I am proud to serve the IWPA in this capacity.

### **Bob Sencenbaugh – Region 9**

I got my first dog in 1984, a Samoyed. I immediately discovered dog working activities. I have been involved with weight pulling dogs since 1989. I became a member of IWPA soon after. I have served on the board of IWPA and I am currently serving as your Judges' chair. I would like to continue to serve IWPA on the board. Right now all my dogs are retired but I continue to act as an organizer and chief judge and I am looking for that next puppy to train.

### **Valarie Thawley – Region 11**

I've been in IWPA for 15+ yrs.. I'm not a judge, but have been involved in setting up and running wt pulls. I'm involved in several different dog organizations/club. In which I volunteer in helping, out at events and shows. Last year I was the IWPA Championship Chairperson, and have been asked to take on this year Championships.

I would like to run for the board. I believe in bringing in a fresh pair of eyes and different ideas. I believe in this organization and would like to see it grow.

Thank you for your support.

## **13 Ways to Protect Your Dog in Winter**

By Sheryl Franklin, adapted from online articles

### **1. Let's talk temperature!**

Some dog breeds are blessed with thick fur that keeps them warm naturally, even in very cold temperatures, but dogs with thin coats may need to wear a sweater or coat when out for winter walks. A good coat should reach from the neck to the base of the tail and also protect the belly. But remember that coats will not prevent frostbite on the ears, feet or tail ... so even with a cozy coat, don't keep your short haired dog out too long in freezing temperatures.

### **2. Go outside when the sun shines**

If your dog feels the cold, try to walk him in the late morning or early afternoon hours when temperatures are a little warmer, and avoid early morning or late evening walks. Spend time playing outdoors while it's sunny; sunshine brings the added benefit of providing both you and your pet with vitamin D. Play fetch with toys, not sticks, which can cause choking and other injuries. So, if your dog likes to chew and chase, pack a Frisbee, ball or other safe toy and play together in the sun.

### **3. Cozy bedding**

In addition to limiting your dog's time outdoors on cold days, don't let your pooch sleep on a cold floor in winter. Choosing the right bedding is vital to ensure your dog stays warm. Warm blankets can create a snug environment; raised beds can keep your dog off cold tiles or concrete, and heated pet beds can help keep the stiffness out of aging joints. Place your dog's bed in a warm spot away from drafts, cold tile or uncarpeted floors, preferably in a favorite spot where he sleeps every day so that the area doesn't feel unfamiliar.

### **4. Protect your dog from heaters**

Dogs will often seek heat during cold winter weather by snuggling too close to heating sources. Avoid space heaters and install baseboard radiator covers to avoid your pet getting burned. Fireplaces also pose a major threat so please make sure you have a pet proof system to keep your heat-seeking pal out of harm's way!

### **5. Moisturize**

Dry and cold weather can do a number on your pet's skin. Help prevent dry, flaky skin by adding a skin and coat supplement to his food. Coconut and fish oils are easy foods that can help keep your pet's skin and coat healthy. If you find your pet's paws, ears or tail are dry or cracking, you can also apply coconut oil topically as needed.

### **6. No overfeeding please!**

Although dogs may need an extra layer in winter, make sure it comes from a coat and not a layer of fat. Unless your dog lives outdoors during the winter, he usually won't need any additional calories during the winter chill. Cold temperatures may even bring on lazy behavior and the need for fewer calories. Be attentive to your dog's activity level and adjust his calories accordingly. A high quality, whole foods, preferably raw meat based diet will help ensure a healthy coat and good energy for the cold winter months.

### **7. Keep your dog hydrated**

Dogs can dehydrate just as quickly in winter as summer. Although many dogs eat snow, it's not an adequate substitute for fresh water. If your dog spends time outdoors in your yard, make sure he has access to a water bowl, check it often and break ice that forms on top.

### **8. Groom your dog**

Your dog needs a clean, well-groomed coat to keep him properly insulated. This is especially important if your dog spends a lot of time outdoors. After bathing, dry your dog thoroughly, especially before allowing him outside

### **9. Paw care is a must**

Just as we tend to develop foot cracks in winter, dogs can also suffer from cracked pads. If your dog has furry feet, trim the hair that grows between his pads to prevent ice buildup between the pads. Winter salt on city sidewalks can also burn your dog's pads and is toxic, so after walks around the neighborhood, rinse or wipe your dog's paws to remove any salt – you don't want him licking it off. If your dog shows signs of discomfort when walking outside on frozen or salted surfaces, consider using dog booties to protect his paws

### **10. Snow removal**

Snow can be a lot of fun but also dangerous for your dog. Snow piled near fences offers your dog escape routes that even well trained dogs often can't resist. When you clear snow in your yard, pile it away from fences to prevent your dog from climbing over. Snow and ice often accumulate on rooftops and if the sun is out or as temperatures rise, this accumulation can slide and injure your dog. If you can't clear the snow from the roof, keep your dog away from the roof overhang to prevent injury.

### **11. Watch where your dog plays**

Although your dog is likely to be having a great time outdoors, take frequent indoor breaks for water and warming and don't ever stay out too long. If you're walking or playing in unfamiliar areas, keep your dog close. It's easy for him to venture onto unsafe surfaces such as frozen ponds or lakes. These may be covered in snow and not easily visible.

### **12. Avoid exposure to toxins**

With winter comes antifreeze. Antifreeze tastes sweet and dogs (as well as some children!) will readily lick or drink it. Antifreeze is extremely toxic and just a small amount can be fatal. Keep your dog out of the garage and off the driveway where she may encounter antifreeze or other harmful chemicals.

### **13. Special care for seniors**

Cold weather will often aggravate existing medical conditions in dogs, particularly arthritis. It's very important to maintain an exercise regimen with your arthritic dog, but be mindful of slippery surfaces and make sure your dog has a warm soft rest area to recuperate after activity. If you don't already give your senior dog a natural joint supplement to lubricate the joints and ease the discomfort of arthritis, you may want to consider adding one in winter. Just like people, dogs are more susceptible to other illnesses during winter weather.
