FROM YOUR STATISTICIAN

Sue Ferrari

Hello,

Just a friendly reminder to all of you, please watch your dog's points and name. We are getting near the end of season and I don't want there to be issues. As I stated at the first of the season, if your dog is listed incorrectly, you have until the next newsletter to let me know. I will not go back at the end of the year, and try to get everything fixed, and delay the whole process.

I am also going to ask that you check the breed that your dog is listed as. Example, I am still getting reports for Stormy, Stormi, Stormie, and Stormey – all for the same handler. And one time the dog is a husky, the next mix and maybe even the next a Malamute. This is why there are errors made. Please help me get this cleaned, if you notice something.

Happy Year of the Dog to all of you. May we all be that person our dogs think we are.

She's gone to the dogs.....

Sue Ferrari

Championship Program Info

Jean Wilson

We are now accepting bios and photos of those dogs qualifying for Championships. Please email your dogs bios and photos to: Jean Wilson at teamnewf@gmail.com.

I would really like to encourage all qualifiers to submit bios and a photo. If anyone that even thinks your dogs may qualify for Championships, send me your dogs bio(s) and a photo no later than April 8th. I realize this will probably be before receiving invitations, but you should have a pretty good idea if they qualify. It's wonderful to not only see these beautiful dogs compete but to also read a little history about them. Please submit the owner and or handler's name and region, dog's name, age and breed and a bio. Some suggested information for your bio is where the dog came from, weight pull or any other accomplishments, favorite things to do, etc. Be sure to attach your favorite photo of your dog. If anyone needs help with their bio or getting me a photo, let me know and I'd be happy to assist. Don't wait or you may forget!

Thank you,
Jean Wilson

FROM THE CHAMPIONSHIP HOST
Carol Gerke

Hello my name is Carol Gerke and I will be your host for the 2018 IWPA Championships.

I got my feet wet two years ago when I hosted Championships and I had so much fun that I got talked into hosting again this year.

The venue will be at the same location as it was two years ago, Patterson Ice Center, 2550 Patterson Ave in Grand Rapids. The schedule of events will be the same with the wheel competition on Saturday and the snow on Sunday. A silent auction benefiting the Phoenix Society, a support group for burn survivors, will be held all weekend. Auction ends Sunday at 1:00 pm. Donations will be accepted for the auction.

This year for the Friday night business meeting we are having a potluck at Patterson Ice Center at 6:30 PM. Sliced ham, cheesy potatoes and beans will be provided. Please bring a dish to share. There are grocery stores nearby if you want to wait until you get to Grand Rapids. There will be no charge for this meal but if you would like to give a donation to our charity, a can will be placed on the tables.

Saturday night awards banquet will be at Patterson Ice Center also at 6:30 PM. It will be catered by Distinctive Catering. The cost will be \$25.00 per person. Besides the official awards, I will be keeping my eyes and ears open for some special awards.

I can't wait to see everyone.
Let's have some good friendly
competition and make lots of
memories.

Excited to be your host,
Carol Gerke

May your blessings
outnumber
The shamrocks that
grow,
And may trouble avoid
you
Wherever you go.

Ready for Spring with your dog?

By Sheryl Franklin, adapted from several online articles

Grooming

With the weather warming up you will start to notice your pets (cats & dogs) shedding much more. Out with the old heavy, fuzzy undercoats and in with new sleek fur. As the weather changes your dog is losing his winter coat. To help cut down on this shedding, regularly brush your pet's coat with a de-shedding tool. To better loosen the hair, give your pet a bath and really scrub them with your hands against the hair growth. Once dry, give them a good brushing and you will be amazed at the hair that comes off.

Remember: people shampoos and conditioners are made for people not pets and can actually harm them (They have sensitivities that we don't!).

Here are some tips to help with your spring grooming:

If the coat looks dry, apply a gentle pet conditioner.

For dry and flaky skin use an oatmeal based pet shampoo.

Salt, snow and cold can cause paws to crack, apply a moistening ointment if necessary. Bag Balm is a good option for this.

Check and make sure ears are clean and have no sign of ear mites. DO NOT use Q-tips, the best option is liquid ear cleaners.

Brush, Brush, Brush! But be gentle when working out those pesky knots. Brush against the grain to remove hair and with it to smooth out the coat. Cowboy Magic Detangler is a great help with getting rid of knots. It is an equine product that works great for dogs.

Don't forget to trim your pet's nails. If you are not comfortable doing them yourself, take them into a groomer or vet and have them done. You can also check your local store for nail trimming days!

Washing Your Pet's Toys & Bedding

The winter also brings a fair bit of dust into our homes, and with keeping windows shut your pet's favorite items become stale. Bedding and fabric toys can be run through the washing machine, while leashes, collars and plastic toys should be hand washed in hot, soapy water.

Seasonal Allergies

Just like people, many pets get seasonal allergies. Pets have very similar symptoms for allergies: watery eyes, runny nose, coughing, itching or sneezing. These symptoms are inflammatory based, the same as in humans. Luckily, there are things we can do to ease our pet's allergies.

Omega-3 Fatty Acid is beneficial for overall health, and can help decrease inflammation in your pet's body. Salmon oil is a great way to add more Omega-3 to your pet's diet.

Coconut Oil is another natural additive that can ease symptoms of allergies. Coconut oil contains something called "lauric acid" that helps decrease the production of yeast and in turn stops or reduces inflammation.

Bathing also helps by getting rid of airborne allergens that may have attached themselves to your pet.

Pests

Warm weather also signals the beginning of pest season. Fleas, ticks, biting flies and mosquitoes are starting to come back for the season and with them bring annoyance and illnesses for many pets (and people!). In many areas, if not continued year-round, it is time to begin heartworm prevention. Your vet will be able to give you the best type and dosage for your pet. Commonly, these preventatives also help with other pests too.

Fleas and ticks can carry many parasites that can seriously harm your pet, so it is important to treat this at the first signs. Fleas can cause pets to suffer allergic reactions and skin problems, anemia, tapeworm, rickettsiosis and cat scratch disease. Ticks can carry diseases such as Lyme disease, Ehrlichiosis and Rocky Mountain spotted fever. Some of these diseases can be transmitted to people from fleas and ticks, and some can be transmitted from pets to people. Check with your vet for the best way to incorporate prevention for your dog.
