Note from the President:

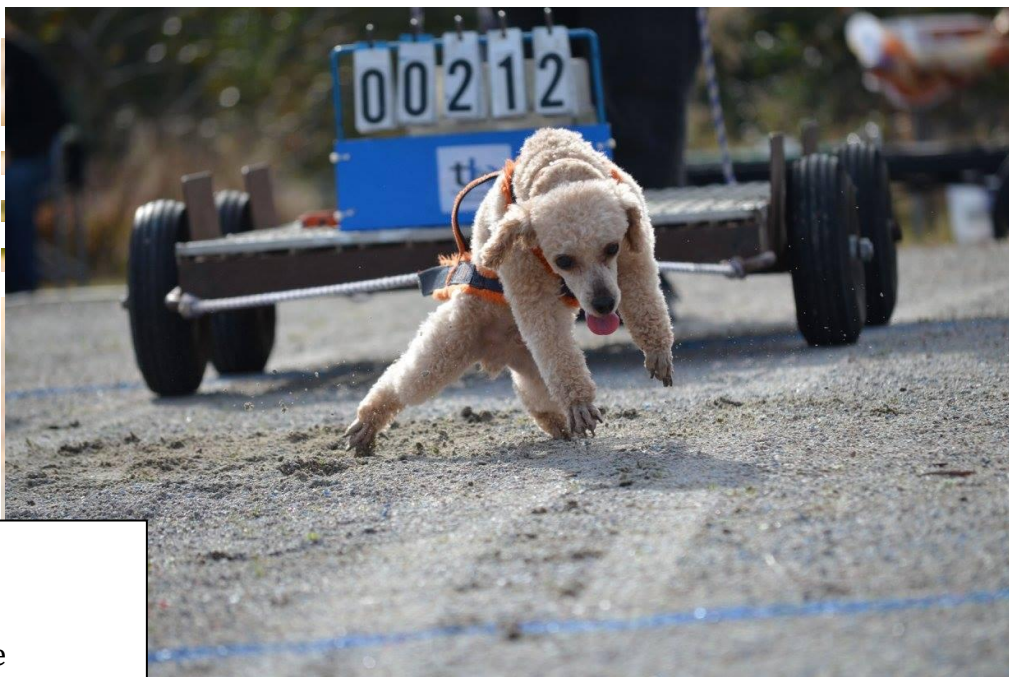

From the President

Spring has sprung in much of the country! Snow is rapidly disappearing as is the remainder of the pulling season. This is the last month for pulls before Championships. It has been a difficult year and slow to make it happen, but there will be Championships for both wheel and snow qualifiers. There are still some pulls coming up that will allow you to qualify for Championships so be sure to get in your pulls!

Organizers, please get your pull results to the Statistician ASAP after your pull, so that she is not overwhelmed by last minute submissions.

Keep your eyes on the website for updated information about Championships.

Connie Meech

Message from the Championships Host! 2025-2026 Championships

Greetings IWPA membership! The 2025-2026 International Championship event is fast approaching. The Hickman County Weight Pull Pros are organizing a great event for you guys. The last six months have been challenging for the IWPA. However, the show must go on. This year, things will be scaled back somewhat. Unfortunately, we have not had the participation nor the funding to put on a snow event. There will, however, per the Constitution, be two wheel pulls. One will be for qualifiers on wheels and one will be for qualifiers on snow. In speaking with IWPA members who have pulled for 20 years or more, this event really seeks to bring back the family first atmosphere that should exist at a weight pull. You can look forward to good food, good fun and good people! Stay tuned for more updates and details and make sure to check the website often- www.iwpa.net. And remember, this event is being put on as most of championships are, as a labor of love. Any assistance in planning, trophy sponsorship, etc would be greatly appreciated. Keep in mind, if you aren't part of the solution, you may be part of the problem. Happy pulling!

Message from the Elections Chair

Election Results:

This was our first time holding an electronic election and I am happy to report we had a return rate of 57%! As we have gone electronic, the ballots are sent by email and therefore we require an email address for each member that is entitled to vote. I did reach out to all of those with 2 Adults in their family memberships to provide a second email address since our current membership forms and database only allowed for 1 email address. For anyone I received a response from a second ballot was issued. I also had one request for a paper ballot, which we do still offer and that was mailed out as well. Here are the full details:

75 Eligible voters were sent ballots, 74 electronically and 1 paper.
43 Ballots were submitted.

Candidate	Number of Votes Received
Sean Hammell	37
Debbie Lee	35
Amanda Poluck	32
Jean Wilson	28
Whitney Weston	27
Clay Fonvielle	23
Emmanuel Faxio	22

We did not run a vote for the Judges for Championships at the same time this year as we had not received any bids to host championships at the time the election was being held. Please keep an eye on your emails over the next week as we will be issuing another electronic vote for the Championships Judges shortly!

Championships Chair

FROM SANCTIONING/STATISTICIAN CHAIR

Jean Wilson

As we near the end of the season, I want to thank the organizers for sending your results to me so promptly. Most events didn't require me to contact the organizers to verify data. This really does help me load the information and get it to the Web Master and Newsletter in a timely fashion.

I also want to remind everyone, (organizers and members) of a couple of extremely important items:

- 1) Look at the results closely to ensure there aren't any errors. If you are a member and see something that looks questionable, first contact your organizer and have them check the data. If there appears to be something that needs correcting, the organizer should connect with me so we can check it out.
- 2) Organizers of pulls held the last two weeks of the season are required to E-MAIL or OVERNIGHT their finish report, finance report, organizer report & payment to me within one (1) working day. This is to ensure that we can review the results and get Championship Invitations out in a timely manner.

If you have any questions at all, please feel free to contact me.

Jean
