## FROM THE PRESIDENT

George Ferrari

The Northeast Encounter at Cicero, NY. Great job Region 5! Someone once told me, if your dog qualifies for Championships, you owe it to them and yourself to try and make it. You just never know what's going to happen to either one of you. It was a long drive for my wife and me, but it was so worth it. This group is so much like a family, and this is our yearly reunion. It's so great to see and visit with all the friends that we have met over the years, and to make new friends.

The Board and Officers are getting ready to have our yearly meeting. Please make sure if you have any comments, concerns, or questions; that you get in touch with one of the Board members so we can bring it up. We do discuss everything that you, our membership, ask us to look into. We did have a few issues come up this year that we will be looking into. But we would like to hear from you personally. What can we do a better job at? What was confusing for you?

Hope everyone enjoyed this past season.

George

## FROM THE DRUG TESTING CHAIR

Robbie Reed

I'm glad to announce that all urine samples collected from the top 5 winners of each weight class were submitted for drug testing. Although several samples were questionable, upon further examination all samples were determined to be acceptable and free of performance enhancing substances at the time of collection.

The method for submitting drug testing samples will be evaluated and discussed during the upcoming board meeting.

Congratulations to all International Championships winners!!!

Robbie Reed  
Drug Testing Chair

**From the Championship Chair  
Terry Reed**

The IWPA International Championships were held in Cicero, New York on May 10 and 11, 2014. If you missed it you really missed out.

Region 5 is to be commended for the work they put into this Championships. Aside from the regular Championships items they provided Welcome Bags for each entry that contained tons of stuff, I still don't know what all is in there. Goodie bags were given to each medalist and a very nice silver plate to top percentage in each class. And something new this year, an engraved plate was awarded to top 2 day combined percentage for 20 – 80 pound and 100 – unlimited classes. That made things interesting.

All in all it was an enjoyable weekend of competition and camaraderie. Catching up with old friends and making new ones.

Congratulations to all the Championship Medal winners as well as all those qualified to be there.

Next season the Championships is scheduled to be in the Mid-West District, Regions 3 or 9.  
Be sure to watch for your August addition of Pulling Power for more information on next season's championship.

# Bravo! Dog and Cat Food Recall

BY MIKE SAGMAN

May 14, 2014 — [Bravo of Manchester, CT is recalling](#) select lots of Bravo Pet Food because they have the potential to be contaminated with **Listeria monocytogenes**.

Listeria is an organism which can cause **serious** and sometimes fatal infections in young children, frail or elderly people and others with weakened immune systems.

Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

However, healthy cats and **dogs rarely become sick** from Listeria. Animals sick with Listeria will display symptoms similar to the ones listed above for humans. People who have concerns about whether their pet has Listeria should contact their veterinarian.
