## FROM THE PRESIDENT Terry Reed

Hello IWPA,

Well here it is November already. We will be into the Holiday Season before you know it. Halloween is over and the Christmas Items are in the stores already begging for your dollars. Before you get too carried away by the advertising be sure to take the time at Thanksgiving to give thanks for all you have.

And with November comes more IWPA deadlines. For example, elections, not the ones with all the ads we grow tired of. If you have ever thought of being part of the governing body of the organization I encourage you to run for the IWPA Board of Directors. Those interested need to get their nomination letter to Beverly Detwiler right away so that they can be published in the December and January Newsletters. We will have 7 of the 9 seats that need to be filled this election; 5 positions by ballot and 2 by nomination of the board. Let me explain, by Constitution we can only elect a maximum of 5 per season. This means we will be looking to appoint at least 2 positions as well. We never seem to have enough candidates.

Happy Thanksgiving to all!

Terry Reed

## FROM THE CHAMPIONSHIP CHAIR Bob Sencenbaugh

We have received a bid for the 2015 IWPA Championships. Once again we will be returning to Colorado and the mountain town of Estes Park. Your 2015 Championships will be coming back to the Estes Park Fairgrounds located

in Stanley Park in Estes Park Co. The event will include pulls on natural snow and dirt tracks, those of you who were able to attend the championships in 1994 or 2011 were able to enjoy the hospitality of the town of Estes Park. The whole town really enjoys our coming up to the mountains. Weigh in will be 7 to 8 AM each day with start times of 9 AM. The organizers for this year's championships will be Richard and Mary Felice. They have chosen Children's Hospital Colorado and children's cancer as the charity they plan to donate to at the end of the weekend. The charity was chosen by Richard and Mary as they have a family member fighting cancer they asked them to help.

They have made arrangements for a color guard of Young Marines to present the colors and sing the National Anthem, and are still working out the details for the members general meeting and the awards banquet. The plans are for early weigh in on Friday afternoon followed by the general meeting that evening and the awards banquet on Saturday night after competition.

The dates for the event will be the weekend of April 25<sup>th</sup> and 26<sup>th</sup> so mark your calendars and prepare for a fun weekend in the mountains.

**Bob Sencenbaugh** 

## FROM THE JUDGES CHAIR Bob Sencenbaugh

We have had a great response to the new judge's renewal form and almost all the judges were able to answer the two new questions correctly. Judges' cards have been mailed out so if you have not received yours give me a call or email and I will see if there has been an address change I missed or some other reason you do not have your card. The judges list on the internet is updated as soon as I review the applications so you can see if you are there and the information is correct.

We are looking forward to another great season and so far you all have been great about getting your paperwork back to me when your pull is finished. Please help Sue Ferrari out and send her the organizer's paperwork but do not send her the judge's reports. When you do that she has to mail them to me and she has a lot to do already.

Bob Sencenbaugh

#### Structure, Activities, Exercise and Routine Benefit Rescue Dogs

By Sheryl Franklin Animal Welfare Chair Person

I recently had a chance to chat with Kimrick Hymas, board member for TAMR (Texas Alaskan Malamute Rescue). He takes care of all special projects like weight pull, hikes and other activity events. The events are fund raising activities. TAMR is a very active regional rescue associated with AMAL (Alaskan Malamute Assistance League). They are located in Houston, TX.

2014 will be their sixth year organizing a weight pull at the Reliant Park World Series of Dog Shows, held annually in July. Kimrick says, "AKC limited the first two to just five or six breeds (mals, sibes, rotties, etc). The year after that any working breed was allowed. Next they opened it to any AKC breed and finally the last two years it is open to all."

photo from the 2013 Reliant World Series of Dogs Shows weight pull

They also sponsor a weight pull each November in Alpine, TX. 2014 will be the "4th Annual Super Pull of the Big Bend". Rescue brings the equipment and judges, while the pull is organized by Alaskan Malamute breeder Ghost Dance Malamutes. This pull grows every year and TAMR would love for it to be an IWPA pull, as well as the ability to have IWPA pulls in Houston.

I asked Kimrick about other activities in addition to weight pull in which the rescue is involved. He said, "We do organized pack hikes, education booths at various shows in conjunction with the malamute club. We do a Call of the Wild presentation every year at local Junior High schools along with a husky rescue group. We also host an event called

Arctic Games with that same husky rescue where we teach the public how to pack, hike, canicross, bike, bikjor, weight pull or dry land mush with their dogs. We have all the necessary gear for them to demo and try these activities with their dogs." Most of the volunteers for these events are folks that have adopted dogs from the rescue.

I asked Kimrick if he noticed a difference in adopted dogs that are involved in activities versus those that are couch potatoes. His response, "Rescue dogs fit in where there is structure, activities, exercise, etc. Folks that just want a couch potato type dog can sometimes experience behavior issues and worst case dogs come back. There are dogs that do well as couch potatoes though." And that "tired dogs are nicer and calmer than dogs with bundles of pent up energy."

I asked him if he had a story that showed how activities made a difference with a rescue dog. "Not so much weight pull for my personal rescue, but dryland mushing (on a scooter), that is his thing. The ability to hook him up next to my girl helped getting past his fear of the harness or noises behind him. Next to her he just followed her lead. Now he is almost as good as she is in leading, following commands and everything. He can now do it all by himself or lead other dogs. He is more confident and not so prone to scaring easily."

Does the organization stress activities to potential adopters? "Yes, we stress exercise, structure and a set routine. We give adopters a checklist of things we recommend which includes regular activities. We have them join our email lists and Facebook page where we send out activities and things they can join in on."
